

Tampa International Airport Education Programs

The Aviation Authority introduces a new educational program for Black History Month in February and Women's History Month in March.

- ➔ **African-American Aviation History** – This Power Point presentation includes the biographies of African-American aviators who made history and became pioneers of the aviation industry. It also includes present day African-American pilots and astronauts who have contributed to the research, development and success of the space program.
- ➔ **Women in Aviation History** – This Power Point presentation provides information about the brave and determined first women who became pilots. Their biographies, accomplishments and recognitions throughout the history of aviation are an inspiration for young women seeking a career in aviation. It also includes information about the women involved in the space program.

Presentations will be tailored to meet academic levels of 4th - 12th graders!

- ➔ Trained, professional Public Information Officers are available to visit your school any day of the week, during any class period.
- ➔ Speaking Engagements include a 20-30 minute Power Point Presentation with an opportunity for Q & A afterwards.
- ➔ Information on reference materials (books, magazines, websites, etc.) will be provided.
- ➔ The program is completely FREE!

To schedule a presentation for your class or if you would like more information please contact Synovia Blakley at SBlakley@TampaAirport.com or Maria Cook at MCook@TampaAirport.com or call (813) 870-8759.
