Tampa Airport Offers Auto Detailing While You Travel

(TAMPA, FL) – Park your car in valet parking, and come back to a car that looks better than when you left. Tampa International Airport now offers hand wash and detailing while you travel. The service is contracted with Premier AutoSPA through parking operator AMPCO System Parking and offers customers a wide variety of services to choose from.

Services start as low as \$22 for a standard car hand wash, up to \$150 for a complete detailing job including interior, exterior and a full body clay treatment with hand-buffed Carnauba cream wax. The full menu of options allows for travelers to customize the level of service.

“This is our latest initiative to enhance customer service,” said Airport CEO Joe Lopano. “Travelers want service that’s reliable and affordable, but the convenience is priceless.”

Auto detailing is only available to customers using valet parking, and standard valet parking rates apply. Valet parking drop off is located on the Ticketing Level at Blue Departures and on Level 5 of the Short Term Parking Garage.

The Aviation Authority began in 1945 as an independent special district governed by the Hillsborough County Aviation Authority Act. The act provides the Authority with exclusive jurisdiction, control, supervision, and management over all public airports in Hillsborough County. Although empowered to levy ad valorem property taxes, the authority has not collected any tax funds since 1973. Recognized as an industry leader in efficiency and convenience, Tampa International Airport continues to earn the most prestigious awards and honors and ranks among the top airports in the United States. With 200 daily departures and service to over 70 nonstop destinations, Tampa International Airport is the Gateway to Florida’s West Coast and your next great vacation.
