

NOTICE TO DESIGN-BUILD FIRMS

HILLSBOROUGH COUNTY AVIATION AUTHORITY

The Hillsborough County Aviation Authority hereby requests, pursuant to the Consultants Competitive Negotiation Act, Florida Statutes 287.055, is interested in acquiring design-build services for the following Project:

SHORT TERM & LONG TERM PARKING GARAGE STRUCTURAL REHABILITATION

**TAMPA INTERNATIONAL AIRPORT
HCAA PROJECT NOS. 5785 11 AND 5670 12
FDOT FM #424097-3
Reference No. 12-411-017**

This project provides for rehabilitation and repairs to various levels and areas within the short term and long term parking garages at Tampa International Airport. Work will include the removal and replacement of existing traffic markings, deck waterproofing, deck expansion joints and concrete structures on the ramps into and out the short term parking garage. Other work will include removal and replacement or repairs to concrete spalls and cracks, wall panel expansion joints, concrete curbs, steel beam slide bearings, and slab trench drains. The removal of the abandoned fuel trench and fuel lines within the garage is also included.

Detailed Project Description:

This project will include field investigation and inspection to verify and determined the exact limits and extent of the rehabilitation required. The areas of the project will be limited to the cast-in-place “pan joist” sections of the entrance and exist ramps, the ninth level and the helix ramps between floors in the short term parking garage and the helix ramps and rent-a-car ready pick-up area in the long term parking garage.

The approximate total construction cost of this Project is \$4,750,000. The Design-Builder will be required to prepare its own construction cost estimates for this Project.
