All blank spaces in the forms must be correctly filled in where indicated and the bidder must state the price(s) in ink or typewritten, both in words and numerals. The words, unless obviously incorrect, will govern. In case of errors in the extension of bid prices, the unit prices will govern. All erasures or corrections in the bid documents must be initialed in ink by the bidder.
- B. The bid must be signed in ink by an authorized signatory of the bidder and submitted in duplicate. If the bid is offered by an individual, the individual's name, office and post office address must be shown. If offered by a firm or partnership, the name, office, and post office address of each member of the firm or partnership must be given. If offered by a corporation, the person signing the bid must give the name of the state under the laws of which the corporation is chartered, and the name, title, and business address of the president, secretary and the treasurer. Anyone signing a bid as agent must submit evidence of authority to legally bind the firm or corporation.
- C. If the bidder is not incorporated in Florida, proper authorization to do business in Florida must be included with the bid.

2. Rejection of Bids

Bids containing any omission, alterations of form, additions or conditions not requested, conditional or alternate bids unless requested, incomplete bids, or bids otherwise regular which are not accompanied by a cashier's check or acceptable collateral, when required, will be considered irregular and may be rejected. The Authority reserves the right to waive any irregularities, technicalities or formalities and make the award in the best interest of the Authority. The Authority may, at its discretion, reject any or all bids.

3. Delivery of Bid

- A. This entire bid package must be returned intact. Bids may be hand delivered to the Authority's purchasing agent up to the time of bid opening. Each bid submitted will be placed in a sealed opaque envelope plainly marked on the outside of the envelope with the description of the project and bid number as given in the ITB and with the name and address of the bidder. All bids submitted by mail must be enclosed in an additional envelope. No bid will be considered unless filed on or before the time and at the place designated in the ITB. The Authority will not be responsible for delays caused by the United States Postal Service or any other deliverer of the bid, or for any delay caused by any other occurrence. Bids received after the specified opening time will be returned to the bidder unopened.
- B. Sealed bids will be received from bidders by the Authority at Tampa International Airport Offices located at 4100 George J. Bean Parkway, Suite 3311, Main Terminal, 3rd Floor, Blue Side, Tampa, Florida 33607 for Symantec Corporation Software Support, **until 2:00 p.m., January 23, 2012**, at which time all bids received will be publicly opened and read aloud in the Lobby Conference Room B, Suite 2400, Tampa International Airport, 4160 George J. Bean Parkway, Airport Administrative Offices, 2nd Floor, Red Side, Tampa, Florida 33607.

4. Public Entity Crimes

A person or affiliate who has been placed on the convicted vendor list following a conviction for a public entity crime may not submit a bid on a contract to provide any goods or services to a public entity; may not submit a bid on a contract with a public entity for the construction or repair of a public building or public work; may not submit bids on leases of real property to a public entity; may not be awarded or perform work as a contractor, supplier, subcontractor, or consultant under a contract with any public entity; and may not transact business with any public entity in excess of the threshold amount provided in Florida Statute Section 287.017, for CATEGORY TWO for a period of 36 months from the date of being placed on the convicted vendor list.

5. Drug-Free Workplace Program Certification

In accordance with Section 287.087, Florida Statutes, whenever two or more bids are equal, preference will be given to the bid received from a business that certifies it has implemented a drug-free workplace program. Established procedures for processing equal bids will be followed if none or all of the equal bidders have a drug-free workplace program.

6. Bid Protests

Failure to follow the procurement protest policy set out in the Hillsborough County Aviation Authority's policies constitutes a waiver of your protest and resulting claims. A

copy of the procurement protest policy may be obtained by contacting the Authority via telephone at 813-870-8700 or via mail to Hillsborough County Aviation Authority, Post Office Box 22287, Tampa, Florida 33622. The policy is also available on the Authority's website (www.tampaairport.com).

7. Consideration of Bid Responses and Award of Contract

The award of a contract will be to the lowest responsible bidder whose qualifications indicate the award will be in the best interest of the Authority and whose bid complies with the prescribed requirements. No award will be made until the Authority has concluded such investigations as it deems necessary to establish the responsibility, qualifications and financial ability of the bidders in accordance with the contract documents to the satisfaction of the Authority within the time prescribed. The Authority reserves the right to reject the bid of any bidder who does not pass such investigation to the Authority's satisfaction.

8. Award of Contract

The Authority reserves the right to accept and award item by item and/or by group, or in the aggregate. After award, a contract will be executed and entered into by the successful bidder and the Authority. No contract is binding upon the Authority until it has been executed by the Authority and delivered to the successful bidder.

9. Default by Bidder

Failure of the successful bidder to perform or execute a contract will be just cause for the Authority to annul the award. Award may then be made to the next best-qualified bidder, or re-advertised, or handled in the best interest of the Authority. Periods of performance may be extended if the facts as to the cause of delay justify such extension in the opinion of the Authority. The Authority reserves the right to recover damages from successful bidders not executing a contract or not performing after the award of such contract.

10. Withdrawal of Bids

A bidder, upon written request, will be given permission to withdraw their bid no later than the time set for bid opening in the ITB. In such event, the bid will be returned to the bidder unopened.

11. Public Opening of Bids and Public Records

Bids will be publicly opened and read aloud on the time and place set forth in the ITB. All bid documents will become public records at the time the Authority provides notice of a decision to award the Contract or 30 days after bid opening, whichever is earlier.

12. Special Accommodation

Any person requiring a special accommodation at the bid opening because of a disability or physical impairment should call the Authority's Procurement Department at (813) 870-8730 or (813) 870-8733 at least 48 hours prior to the bid opening.

13. Government Entities

Unless otherwise stipulated by the successful bidder, the successful bidder agrees to make available to all governmental agencies, authorities, departments, and municipalities the bid prices submitted with the successful bid, should any governmental agencies, authorities, departments, and municipalities desire to buy under the successful bid.

The Authority will not be responsible for any transactions between the successful bidder(s) and governmental agencies, authorities, departments, and municipalities that may elect to utilize the successful bid. All terms, prices and conditions of the successful bid will apply between the bidder(s) and any other governmental agencies, authorities, departments, and municipalities utilizing the bid. NOTE: THE QUANTITIES ESTIMATED IN THIS BID ARE FOR THE AUTHORITY ONLY.

14. Interpretations

Each bidder shall carefully examine the specifications, bid documents, and all addenda or other revisions and become thoroughly familiar with the detailed requirements prior to submitting a bid. Should a bidder find a discrepancy, ambiguity, or omission from the bid documents, or should the bidder be in doubt as to their meaning, a written request for a clarification or interpretation must be submitted to the individual set forth below. To be given consideration, such requests must be received by **January 16, 2012**. The Authority will send a written addendum or responses to all bidders, as appropriate. All addenda sent to bidders will become a part of the contract documents and the bidder must acknowledge receipt of all addenda in subsection "A" below. In case any bidder fails to acknowledge receipt of any such addendum in the space provided below, their bid will nevertheless be construed as though the addendum had been received and receipt of same acknowledged. All inquiries/requests will be directed to:

Richard Frensley
Purchasing Manager
Hillsborough County Aviation Authority
Tampa International Airport
Post Office Box 22287
Tampa, Florida 33622
Facsimile: (813) 870-8787
Telephone: (813) 870-8733

No allowance will be made after bids are received for any oversight by a bidder.

A. Addendum Acknowledgment

Bidder acknowledges receipt of the following described addenda:

Addendum No. _____ Signature _____ Date _____

Addendum No. _____ Signature _____ Date _____

Addendum No. _____ Signature _____ Date _____

15. Disqualification

The Authority may disqualify an otherwise qualified bid for any of the following:

- A. Submission of more than one bid for the same services or equipment by an individual, firm, partnership, or corporation under the same or different names.
- B. Evidence of collusion among bidders.
- C. Previous participation in collusion while proposing to a government entity.
- D. Violation of Florida Statute Section 287.133 pertaining to public entity crime.

16. Indemnification

To the fullest extent permitted by law, Bidder agrees to protect, reimburse, indemnify and hold Authority, its agents, employees, and officers, free and harmless at all times from and against any and all claims, liability, expenses, losses, costs, fines and damages (including but not limited to reasonable attorney's fees) and causes of action of every kind and character arising out of, resulting from, incident to, or in connection with Bidder's performance under the awarded contract, Bidder's use or occupancy of the Premises, Bidder's acts, omissions or operations hereunder or the performance, non-performance or purported performance of the awarded contract.

In addition to the duty to indemnify and hold harmless, Bidder will have the duty to defend the Authority, its agents, employees, and officers from all liabilities, claims, expenses, losses, costs, fines and damages (including but not limited to reasonable attorneys' fees) and causes of action of every kind and character arising out of, resulting from, incident to, or in connection with Bidder's performance under the awarded contract, Bidder's use or occupancy of the Premises, Bidder's acts, omissions or operations hereunder or the performance, non-performance or purported performance of the awarded contract. The duty to defend under this Section is independent and separate from the duty to indemnify, and the duty to indemnify and duty to defend exist regardless of any ultimate liability of Bidder, the Authority, and any indemnified party. The duty to defend arises immediately upon written presentation of a claim to Bidder.

Bidder recognizes the broad nature of these indemnification, hold harmless, and duty to defend clauses, and voluntarily makes this covenant and expressly acknowledges the receipt of Ten Dollars (\$10.00) and such other good and valuable consideration provided

by Authority in support of this indemnification in accordance with laws of the State of Florida. This clause will survive the termination of the awarded contract. Compliance with the insurance requirements as set forth herein will not relieve Bidder of its liability or obligation to indemnify Authority as set forth in this Section.

17. Woman and Minority Owned Business Enterprise (W/MBE)
Assurances

It is the policy of the Authority that Woman and Minority Owned Business Enterprises (W/MBEs) as defined herein will have full and fair opportunities to compete for and participate in the performance of non-federally funded contracts or in the purchase of goods and services procured by the Authority. Business concerns certified as Disadvantaged Business Enterprises under the Florida Unified Certification Program (DBEs) and Woman and Minority Owned Business Enterprises certified with Hillsborough County, City of Tampa, or State of Florida Office of Supplier Diversity (OSD) will be eligible to participate on Authority funded contracts as a W/MBE. In advancing this opportunity for W/MBEs, neither the Authority nor those bidders doing business with the Authority will discriminate on the basis of race, color, national origin, religion or sex in the award and performance of any Authority contract. The Authority will take all necessary and reasonable steps to ensure non-discrimination in the award and administration of Authority contracts.

Under its W/MBE policy and program, the Authority will recognize and encourage W/MBEs to participate as prime contractors or as subcontractors in its construction contracts, architectural and engineering contracts, professional services contracts, and goods and services purchases and contracts. No specific expectancy for participation by W/MBEs has been established in this ITB. However, bidders are strongly encouraged to utilize W/MBEs to perform commercially useful functions of the work required in this ITB. At the time of bids, qualified bidders are encouraged to propose W/MBE participation with their bid. W/MBE firms must be currently certified as W/MBE firms with Hillsborough County, City of Tampa, State of Florida OSD or certified under the Florida Unified Certification Program (UCP) as a DBE firm and listed in the directories of the respective agency.

A directory of certified DBEs and links to the various agency websites that have directories of certified W/MBEs are also available on the Authority's website at www.TampaAirport.com. Additional assistance may be obtained by calling the Authority's DBE Program Manager at (813) 870-8738.

18. Cone of Silence

The Authority has established a cone of silence to be applied to all competitive procurement processes, including this ITB. The cone of silence will be imposed beginning with the advertisement for this ITB and will end upon selection of the successful bidder by the Authority's Board of Directors. The cone of silence prohibits any communications regarding this ITB between:

1. A potential respondent (which includes vendors, service providers, bidders, proposers, lobbyists and consultants) and their representative(s) and Authority

staff, except for communications with the Authority's procurement agent or other supporting procurement staff responsible for administering the procurement, provided the communication is strictly limited to procedural matters of the Competitive Selection Process.

2. Oral communications at the bid opening;
3. Oral communications during any duly noticed Board meeting;
4. Communications relating to bid protests made in accordance with the Authority's Procurement Protest Policy; and

2. by courier at Tampa International Airport, 4100 George J. Bean Pkwy, Suite 3311, Tampa, FL 33607;
3. by e-mail at rfrensley@TampaAirport.com;
4. by telephone at 813-870-8733; or
