

## Notice of Intent to Award a Sole Source Procurement

Notice is hereby given that the Hillsborough County Aviation Authority (Authority) intends to award a sole source purchase order to Oshkosh Airport Products, LLC for internal foam testing systems for ARFF Oshkosh trucks. The Authority intends to begin negotiations with Oshkosh Airport Products, LLC on or about April 15, 2019.

Oshkosh's FAA tested and approved Eco EFP System is the only foam measuring system that is fully integrated on the ARFF Oshkosh truck. The Eco EFP System works in conjunction with the Oshkosh electronic foam proportioning system to test the Aqueous Film Forming Foam function without dispensing foam onto the ground in order to minimize the environmental impact.

Companies who believe they can meet or exceed the above-stated requirements must provide, in writing, convincing technical data sufficient to support their position. Responses to this notice will be used to determine whether bona fide competition exists. Send written responses to the Hillsborough County Aviation Authority, Tampa International Airport, 4160 George J. Bean Parkway, Suite 2400, Administration Building, Tampa, Florida 33607, Attention: Stephanie Douglas, Procurement Agent. For further information email [sdouglas@tampaairport.com](mailto:sdouglas@tampaairport.com). Responses must be received by April 12, 2019 at 2:00 p.m. ET.
