NOW, THEREFORE, for and in consideration of the sum of Ten Dollars (\$10.00) and other valuable consideration, the receipt and sufficiency whereof are hereby mutually acknowledged, the Parties enter into this Agreement and agree as follows:

ARTICLE 1

RECITALS

The above recitals are true and correct and are incorporated herein.

ARTICLE 2

SUBORDINATION TO BASIC AGREEMENT

The Basic Agreement is hereby incorporated into this Agreement as if it were set forth in its entirety. In addition, this Agreement is subject and subordinate to the Basic Agreement. In the event of any conflict between the provisions of the Basic Agreement and this Agreement, the provisions of the Basic Agreement shall prevail.

ARTICLE 3

PREMISES

3.01 Premises

Authority hereby authorizes Company to utilize common use space in the Yeager Elevator Core Penthouse of the Main Terminal of the Airport, as depicted on Exhibit A, attached hereto and by this reference made a part hereof, for the purpose of installing, maintaining and operating a radio base station and associated antennae in support of Company's operations under the Basic Agreement (hereinafter referred to as "Premises"). No specific leasehold is defined. The exact location of Company's radio base station is determined by Authority and is subject to change at the sole discretion of Authority by letter to Company without formal amendment to this Agreement.

ARTICLE 4

USES AND RESTRICTIONS

4.01 Permitted Uses

The Premises will be used by Company solely and exclusively for the purpose of providing support to Company's operations at the Airport under the provisions of the Basic Agreement. Company will provide all necessary equipment, personnel and other appurtenances necessary to conduct its operations hereunder.

- B. Company will not interfere or permit interference with the use, operation, or maintenance of Airport, including but not limited to, the effectiveness or accessibility of the drainage, sewerage, water, communications, fire protection, utility, electric, or other systems installed or located from time to time at the Airport.
- C. The rights and privileges granted Company pursuant to this Article will be subject to any and all Rules and Regulations and Operating Directives established by Authority, as may be amended from time to time.
- D. Company will not do or permit to be done anything, either by act or failure to act, that will cause the cancellation or violation of the provisions, or any part thereof, of any policy of insurance of Authority, or that will cause a hazardous condition so as to increase the risks normally attendant upon operations permitted by this Agreement. If such act or failure to act on the part of Company will cause cancellation of any such policy, Company will immediately, upon notification by Authority, take whatever steps or actions deemed necessary to cause reinstatement of said insurance. Furthermore, if Company does or permits to be done any act not expressly permitted under this Agreement, or fails to do any act required under this Agreement, regardless of whether such act constitutes a breach of this Agreement that causes an increase in Authority's insurance premiums, Company will immediately remedy such actions and pay the increase in premiums, upon notice from Authority to do so; but in any event, Company will hold Authority harmless for any expenses and damage resulting from any action as set forth in this paragraph.
- E. Except as provided elsewhere in this Agreement, nothing in this Agreement will be construed as establishing exclusive rights, operational or otherwise, to Company.

PAYMENTS

For the rights and privileges granted herein, Company agrees to pay to Authority, in lawful money of the United States of America, the following:

If Authority adjusts its established rental rates or fees more frequently than annually, the rates under this Agreement will also be adjusted without written amendment to this Agreement.

6.03 Employee Parking Fees

Authority reserves the right to charge Company or its employees a reasonable and non-discriminatory parking fee based on Authority's cost of providing services and facilities for the employee parking areas provided at the Airport. 6.05 Rents, Fees and Other Charges a Separate Covenant

Company will not for any reason withhold or reduce its required payments of Rents, fees and other charges provided in this Agreement, it being expressly understood and agreed by the Parties that the payment of Rents, fees and other charges is a covenant by Company that is independent of the other covenants of the Parties hereunder.

7.05 Garbage, Debris, or Waste

Company will promptly remove from the Premises or otherwise dispose of in a manner approved by Authority, all garbage, debris, and other waste materials (whether solid or liquid) arising out of its occupancy or use of the Premises or the common use areas or from its operations. Any garbage, debris or waste that is temporarily stored on the Premises will be kept in suitable, sealed garbage and waste receptacles, designed to safely and properly contain whatever material may be placed therein. Company will use extreme care when affecting removal of all such waste.

7.06 Nuisance

Company will not commit any nuisance, waste, or injury on the Premises, common use areas, or elsewhere on the Airport and will not do or permit to be done anything that may result in the creation or commission or maintenance of such nuisance, waste, or injury.

Such remedies may include relocation to another site. The cost of all such efforts to remedy the interference will be solely at Company's expense.

7.10 Taxes

Company will bear, at its own expense, all costs of operating its business including all applicable sales, use, intangible, special assessments, and real estate taxes of any kind, including ad valorem and non-ad valorem, which are assessed against Company's use and occupancy of the Premises, and any improvements thereto or leasehold estate created herein, or assessed on any payments made by Company hereunder, whether levied against Company or Authority. A new or renewed Badge will not be issued to an individual until the results of the CHRC and the STA are completed and indicate that the applicant has not been convicted of a disqualifying criminal offense. If the CHRC or STA discloses a disqualifying criminal offense, the individual's new or renewed badge application will be rejected. The costs of the CHRC and the annual STA will be paid by Company. These costs are subject to change without notice, and Company will be responsible for paying any increase in the costs. All badged employees of Company and its contractors or agents will comply with Authority's regulations regarding the use and display of Badges.

Company will be assessed a fine for each Badge that is lost, stolen, unaccounted for or not returned to Authority at the time of Badge expiration, employee termination, termination of this Agreement, or upon written request by Authority. This fine will be paid by Company within 15 days from the date of invoice. The fine is subject to change without notice, and Company will be responsible for paying any increase in the fine.

If any Company employee is terminated or leaves Company's employment, Authority must be notified immediately, and the Badge must be returned to Authority promptly.

9.04 Approvals Extended to Architectural and Aesthetic Matters

Approval of Authority will extend to and include architectural and aesthetic matters. Authority reserves the right to reject any design layouts or design proposals submitted by Company and to require Company to resubmit any such layouts or proposals at Company's expense until such design layouts and/or design proposals are deemed acceptable by Authority and subsequently approved in writing.

9.08 Construction and Installation Schedule

Company will submit a schedule depicting the estimated time required to complete each phase of the construction and installation of the displays and improvements called for in the final plans. - B. Company agrees that all construction will conform to Authority's Land Use Standards, Design Criteria Manual, and Sustainable Design Criteria Manual and will comply with Authority's Tenant Work Permit process, as such documents may be amended from time to time, including any insurance and bond requirements.
- C. Company agrees to hire only licensed contractors and subcontractors.

Company will pay any costs associated with the restoration of the Premises and common use areas to their original condition upon such removal.

ARTICLE 11

DEFAULT AND TERMINATION

11.01 Events of Default

The following events will be deemed events of default by Company:

- A. The failure or omission by Company to perform its obligations under this Agreement or the breach of any term, condition or covenant required herein.
- B. The conduct of any business or performance of any acts at the Airport not specifically authorized in this Agreement or by any other agreement between Authority and Company, and Company's failure to discontinue that business or those acts within 30 days of receipt by Company of Authority's written notice to cease said business or acts.

- C. The appointment of a trustee, custodian, or receiver of all or a substantial portion of Company's assets.
- D. The divestiture of Company's estate herein by operation of law, by dissolution, or by liquidation (not including a merger or sale of assets).
- E. The insolvency of Company; or if Company will take the benefit of any present or future insolvency statute, will make a general assignment for the benefit of creditors, or will seek a reorganization or the readjustment of its indebtedness under any law or statute of the United States or of any state thereof including the filing by Company of a voluntary petition of bankruptcy or the institution of proceedings against Company for the adjudication of Company as bankrupt pursuant thereto.
- F. Company's violation of Florida Statute Section 287.133 concerning criminal activity on contracts with public entities.

11.02 Authority's Remedies

In the event of any of the foregoing events of default enumerated in this Article, and following 30 days' notice by Authority and Company's failure to cure, Authority, at its election, may exercise any one or more of the following options or remedies, the exercise of any of which will not be deemed to preclude the exercise of any other remedy herein listed or otherwise provided by statute or general law:

- A. Terminate Company's rights under this Agreement and, in accordance with law, take possession of the Premises. Authority will not be deemed to have thereby accepted a surrender of the Premises, and Company will remain liable for all payments due, or other sums due under this Agreement and for all damages suffered by Authority because of Company's breach of any of the covenants of Agreement; or
- B. Treat Agreement as remaining in existence, curing Company's default by performing or paying the obligation that Company has breached. - C. Declare this Agreement to be terminated, ended, null and void, and reclaim possession of the Premises, whereupon all rights and interest of Company in the Premises and common use areas will end.

No waiver by Authority at any time of any of the terms, conditions, covenants, or agreements of this Agreement, or non-compliance therewith, will be deemed or taken as a waiver at any time thereafter of the same or any other term, condition, covenant, or agreement herein contained, nor of the strict and prompt performance thereof by Company. No delay, failure, or omission of Authority to re-enter the Premises or to exercise any right, power, privilege, or option arising from any default nor subsequent acceptance of fees or charges then or thereafter accrued will impair any such right, power, privilege, or option, or be construed to be a waiver of any such default or relinquishment, or acquiescence of the Premises. No notice by Authority will be required to restore or revive time is of the essence hereof after waiver by Authority or default in one or more instances. No option, right, power, remedy, or privilege of Authority will be construed as being exhausted or discharged by the exercise thereof in one or more instances. It is agreed that each and all of the rights, powers, options, privileges, or remedies given to Authority by this Agreement are cumulative and that the exercise of one right, power, option, privilege or remedy by Authority will not impair its rights to any other right, power, option, privilege or remedy available under this Agreement or provided by law.

11.03 Continuing Responsibilities of Company

Notwithstanding the occurrence of any event of default, Company will remain liable to Authority for the prompt payment of all Rents, fees and charges due hereunder and for all preceding breaches of any covenant of this Agreement. Furthermore, unless Authority elects to terminate this Agreement, Company will remain liable for and promptly pay any and all payments accruing hereunder until termination of this Agreement.

Company agrees not to encumber the Premises indirectly or directly without prior written consent by Authority and to keep the Premises free from all encumbrances, including but not limited to, mortgages, pledges, liens (equitable or otherwise), charges, security interests or other claims of any nature.

The interest of Authority in the Premises and common use areas will not be subject to liens for any work, labor, materials or improvements made by or for Company to the Premises, whether or not the same is made or done in accordance with an agreement between Authority and Company, and it is specifically understood and agreed that in no event will Authority or the interest of Authority in the Premises or common

use areas be liable for or subjected to any construction, mechanics', materialmen's, suppliers', professional, laborers' or equitable liens for materials furnished or improvements, labor or work made by or for Company to the Premises. Company is specifically prohibited from subjecting Authority's interest in the Premises or common use areas to any construction, mechanics', materialmen's, suppliers', professional, laborers' or equitable liens for improvements made by or for Company or for any materials, improvements or work for which Company is responsible for payment. Company will provide notice of this disclaimer of liens to any and all contractors or subcontractors providing any materials or making any improvements to the Premises.

In the event any construction, mechanics', materialmen's, suppliers', professional, laborers', equitable or other lien or notice of lien is filed against any portion of the Premises or common use areas for any work, labor or materials furnished to the Premises, whether or not the same is made or done in accordance with an agreement between Authority and Company, Company will cause any such lien to be discharged of record within 30 days after notice of filing thereof by payment, bond or otherwise or by posting with a reputable title company or other escrow agent acceptable to Authority, security reasonably satisfactory to Authority to secure payment of such lien, if requested by Authority, while Company contests to conclusion the claim giving rise to such lien.

Company will furnish releases or waivers as may be required to satisfy Authority that there are no outstanding claims or liens. To the maximum extent permitted by Florida law, Authority may require Company, at Company's expense, to indemnify Authority, its Board Members, officers, employees, agents, servants and volunteers against any such construction, mechanics', materialmen's, suppliers', professional, laborers', equitable or other liens or claims and the attorney's fees and legal costs that could be incurred defending against such liens or claims. ARTICLE 26
RIGHT OF ENTRY

Authority will have the right to enter the Premises for the purpose of periodic inspection of the Premises from the standpoint of safety and health, and monitoring of Company's compliance with the terms of this Agreement.

ARTICLE 27
RIGHT OF FLIGHT

Authority reserves, for the use and benefit of the public, a right of flight for the passage of aircraft in the airspace above the surface of the real property owned by Authority, including the Premises, together with the right to cause in said airspace such noise as may be inherent in the operation of aircraft, now known or hereafter used, for navigation of or flight in said airspace, and for the use of said airspace for landing on, taking off from or operating on Airport.

Company expressly agrees for itself, its successors and assigns, to restrict the height of structures, objects of natural growth and other obstructions on the Premises to such a height so as to comply with Federal Aviation Regulations, Part 77 and Authority zoning. Company further expressly agrees for itself, its successors and assigns, to prevent any use of the Premises or common use areas that would interfere with or adversely affect the operation or maintenance of Airport, or otherwise constitute an Airport hazard.

ARTICLE 28
PROPERTY RIGHTS RESERVED

This Agreement will be subject and subordinate to all the terms and conditions of any instruments and documents under which Authority acquired the land or improvements thereon, of which said Premises are a part. Company understands and agrees that this Agreement will be subordinate to the provisions of any existing or future agreement between Authority and the United States of America, or any of its agencies, relative to the operation or maintenance of the Airport, the execution of which has been or may be required as a condition precedent to the expenditure of federal funds for the development of the Airport, and to any terms or conditions imposed upon the Airport by any other governmental entity.

ARTICLE 29
SIGNS

29.01 Written Approval

Except with the prior written approval of Authority, Company will not erect, maintain, or display any signs or any advertising at or on the Premises or common use areas.

29.02 Removal

Upon the expiration or termination of Agreement, Company will remove, obliterate or paint out, as Authority may direct, any and all signs and advertising on the Premises and common use areas and, in connection therewith, will restore the portion of the Premises and common use areas affected by such signs or advertising to the same conditions as existed at the commencement of the term. In the event of failure on the part of Company to remove, obliterate, or paint out each and every sign or advertising and restore the Premises and common use areas, Authority may perform the necessary work, at the expense of Company.

ARTICLE 30

ASSIGNMENT AND SUBLEASING

Company will not assign or sublease this Agreement without the prior written consent of Authority. Such consent may be withheld at the sole discretion of Authority. If a sublease is approved, Company will be solely responsible for ensuring that its sublessee performs pursuant to and in compliance with the terms of this Agreement.

In no event will any approved assignment or sublease diminish Authority's rights to enforce any and all provisions of this Agreement.

Before any assignment or sublease becomes effective, the assignee or sublessee will assume and agree by written instruments to be bound by the terms and conditions of this Agreement during the remainder of the term.

ARTICLE 31

COMPANY TENANCY

The undersigned representative of Company hereby warrants and certifies to Authority that Company is an organization in good standing in its state of registration, that it is authorized to do business in the State of Florida, and that the undersigned officer is authorized and empowered to bind the organization to the terms of this Agreement by his or her signature thereto.

ARTICLE 32

CONDEMNATION

If the whole or any part of the Premises is acquired by a condemning authority, either by sale in lieu of condemnation or by the exercise of the power of eminent domain, then in and as a direct result of that event, this Agreement will terminate from the date of sale or title vesting, and Company will have no claim whatsoever, including claims of apportionment, against Authority either for the value of any unexpired term

of said Agreement or for the value of leasehold improvements. However, nothing in this provision will limit or destroy any right of Company to separately claim moving costs or business loss solely against the condemning authority where statutes or other applicable law apply.

ARTICLE 33

SURRENDER OF PREMISES

Company will surrender up and deliver the Premises to Authority upon the conclusion of the term in the same condition as existed at the commencement of the term, ordinary wear and tear excepted. Provided Company is not in default of this Agreement, Company will immediately remove all of its personal property from the Premises and common use areas at the conclusion of the term. Failure on the part of Company to remove its personal property within 10 days after the date of termination will constitute a gratuitous transfer of title thereof to Authority for whatever disposition is deemed to be in the best interest of Authority. Any costs incurred by Authority in the disposition of such personal property will be borne by Company. If Company is in default of any rent terms of this Agreement, Authority will have a lien for such rent upon any property found upon the Premises or common use areas in accordance with Florida statutes and, in such event, Company will not remove any property from the Premises or common use areas without written approval of Authority.

ARTICLE 34

PERSONAL PROPERTY

Any personal property of Company or others placed in the Premises or common use areas will be at the sole risk of Company, and Authority will not be liable for any loss or damage thereto, irrespective of the cause of such loss or damage, and Company hereby waives all rights of subrogation against or recovery from Authority for such loss or damage unless such damage or loss is the result of negligence or activity on the Premises or common use areas by Authority.

ARTICLE 35

APPLICABLE LAW AND VENUE

This Agreement will be construed in accordance with the laws of the State of Florida. Venue for any action brought pursuant to this Agreement will be in Hillsborough County, Florida, or in the Tampa Division of the U.S. District Court for the Middle District of Florida.

Company hereby waives any claim against Authority, and its officers, board members, agents, or employees for loss of anticipated profits caused by any suit or proceedings directly or indirectly attacking the validity of this Agreement or any part hereof, or by any judgment or award in any suit or proceeding declaring this Agreement null, void, or voidable, or delaying the same, or any part hereof, from being carried out.

ARTICLE 36
AUTHORITY APPROVALS

Except as otherwise indicated elsewhere in this Agreement, wherever in this Agreement approvals are required to be given or received by Authority, it is understood that the Chief Executive Officer, or a designee of the Chief Executive Officer, is hereby empowered to act on behalf of Authority.

ARTICLE 37
INVALIDITY OF CLAUSES

The invalidity of any part, portion, article, paragraph, provision, or clause of this Agreement will not have the effect of invalidating any other part, portion, article, paragraph, provision, or clause thereof, and the remainder of this Agreement will be valid and enforced to the fullest extent permitted by law.

ARTICLE 38

The headings contained herein, including the Table of Contents, are for convenience in reference and are not intended to define or limit the scope of any provisions of this Agreement. If for any reason there is a conflict between content and headings, the content will control.

SUBORDINATION TO TRUST AGREEMENT

This Agreement and all rights of Company hereunder are expressly subordinated and subject to the lien and provisions of any pledge, transfer, hypothecation, or assignment made at any time by Authority to secure financing. This Agreement is subject and subordinate to the terms, covenants, and conditions of the Trust Agreement, made by Authority, authorizing the issuance of bonds by Authority. Conflicts between this Agreement and the documents mentioned above will be resolved in favor of such documents.

ARTICLE 41
FEDERAL RIGHT TO RECLAIM

In the event a United States governmental agency demands and takes over the entire facilities of the Airport or the portion thereof wherein the Premises are located, for war or national emergency, for a period in excess of 90 consecutive days, then this Agreement will terminate and Authority will be released and fully discharged from any and all liability hereunder. In the event of this termination, Company's obligation to pay rent will cease; however, nothing herein will be construed as relieving either party from any of its liabilities relating to events or claims of any kind whatsoever prior to this termination.

ARTICLE 42
RADON GAS NOTIFICATION

In accordance with requirements of the State of Florida, the following notification statement will be included in all agreements relating to rental of real property. This is provided for information purposes only.

to it over time. Levels of radon that exceed federal and state guidelines have been found in buildings in Florida. Additional information regarding radon and radon testing may be obtained from your county public health unit.

ARTICLE 43

Federal Aviation Administration Required Provisions

- A. Civil Rights – General. Authority and Company shall comply with pertinent statutes, Executive Orders and such rules as are promulgated to ensure that no person shall, on the grounds of race, creed, color, national origin, sex, age, or disability be excluded from participating in any activity conducted with or benefiting from Federal assistance. If Company transfers its obligation to another, the transferee is obligated in the same manner as the Company.

This provision obligates Company for the period during which any property at the Airport is owned, used or possessed by Company and the Airport remains obligated to the Federal Aviation Administration. This provision is in addition to that required by Title VI of the Civil Rights Act of 1964.

- B. Civil Rights – Title VI Assurances – Compliance With Nondiscrimination Requirements.
1. Compliance with Regulations: Company while operating at the Airport (hereinafter includes consultants) will comply with the Title VI List of Pertinent Nondiscrimination Acts and Authorities, as they may be amended from time to time, which are herein incorporated by reference and made a part of this Agreement.
 2. Non-discrimination: Company, with regard to the work performed by it during the period it operates at the Airport, will not discriminate on the grounds of race, color, or national origin in the selection and retention of subcontractors, including procurements of materials and leases of equipment. Company will not participate directly or indirectly in the discrimination prohibited by the Nondiscrimination Acts and Authorities, including employment practices when this Agreement covers any activity, project, or program set forth in Appendix B of 49 CFR Part 21.
 3. Solicitations for Subcontracts, including Procurements of Materials and Equipment: In all solicitations, either by competitive bidding or negotiation made by Company for work to be performed under a subcontract, including procurements of materials, or leases of equipment, each potential subcontractor or supplier will be notified by Company of Company's obligations under this provision and the Nondiscrimination Acts and Authorities on the grounds of race, color, or national origin.
 4. Information and Reports: Company will provide all information and reports required by the Acts, the Regulations, and directives issued pursuant thereto and will permit access to its books, records, accounts, other sources of information, and its facilities as may be determined by Authority or the Federal Aviation Administration to be pertinent to ascertain

compliance with such Nondiscrimination Acts and Authorities and instructions. Where any information required of Company is in the exclusive possession of another who fails or refuses to furnish the information, Company will so certify to Authority or the Federal Aviation Administration, as appropriate, and will set forth what efforts it has made to obtain the information.

5. Sanctions for Noncompliance: In the event of Company's noncompliance with the non-discrimination provisions of this Agreement, Authority will impose such sanctions as it or the Federal Aviation Administration may determine to be appropriate, including, but not limited to:
 - a. Withholding payments to Company under this Agreement until Company complies; and/or
 - b. Cancelling, terminating, or suspending the Company's rights under this Agreement, in whole or in part.
6. Incorporation of Provisions: Company must include the provisions of paragraphs one through six in every subcontract, including procurements of materials and leases of equipment, unless exempt by the Acts, the Regulations, and directives issued pursuant thereto. Company will take action with respect to any subcontract or procurement as Authority or the Federal Aviation Administration may direct as a means of enforcing such provisions including sanctions for noncompliance. Provided, that if Company becomes involved in, or is threatened with, litigation by a subcontractor or supplier because of such direction, Company may request Authority to enter into any litigation to protect the interests of the Authority. In addition, Company may request the United States to enter into the litigation to protect the interests of the United States.

C. Civil Rights – Title VI Clauses for Use/Access to Real Property.

1. Company for itself, its heirs, personal representatives, successors in interest, and assigns, as a part of the consideration hereof, does hereby covenant and agree that (1) no person on the ground of race, color, or national origin, will be excluded from participation in, denied the benefits of, or be otherwise subjected to discrimination in the use of the Airport, (2) that in the construction of any improvements on, over, or under such land, and the furnishing of services thereon, no person on the ground of race, color, or national origin, will be excluded from participation in, denied the benefits of, or otherwise be subjected to discrimination, (3) that Company will use the Premises in compliance with all other

requirements imposed by or pursuant to the Title VI List of Pertinent Nondiscrimination Acts and Authorities in Paragraph D below.

2. In the event of breach of any of the above nondiscrimination covenants, Authority will have the right to terminate Company's rights under this Agreement and to enter or re-enter and repossess said land and the facilities thereon, and hold the same as if said Agreement had never been made or issued.

8. Titles II and III of the Americans with Disabilities Act of 1990, which prohibit discrimination on the basis of disability in the operation of public entities, public and private transportation
