This duty to defend exists immediately upon presentation of written notice of a suit, claim or action of any nature to Company by a party entitled to a defense hereunder. This defense obligation expressly applies, and shall be construed to include, any and all claim(s) caused in part by the negligence, acts or omissions of the Authority, its members, officers, agents, employees, and volunteers.

This indemnification in this paragraph shall survive the termination of this Contract. Nothing contained in this paragraph is intended to nor shall it constitute a waiver of the State of Florida's and FDOT's sovereign immunity.
- G. Nothing in this Article will be construed as a waiver of any immunity from or limitation of liability Authority, or its members, officers, agents, employees, and volunteers may have under the doctrine of sovereign immunity under common law or statute.
- H. Authority and its members, officers, agents, employees, and volunteers reserve the right, at their option, to participate in the defense of any suit, without relieving Company of any of its obligations under this Article.
- I. If the above Articles A - H or any part of Articles A – H are deemed to conflict in any way with any law, the Article or part of the Article will be considered modified by such law to remedy the conflict.

ARTICLE 11

ACCOUNTING RECORDS AND AUDIT REQUIREMENTS

11.01 Books and Records

In connection with payments to Company under this Contract, it is agreed Company will maintain full and accurate books of account and records customarily used in this type of business operation, in conformity with Generally Accepted Accounting Principles (GAAP). Company will maintain such books and records for five years after the end of the Term of this Contract. Records include, but are not limited to, books, documents, papers, and records of Company directly pertinent to this Contract. Company will not destroy any records related to this Contract without the express written permission of Authority.

11.02 Financial Reports

Company will submit all financial reports required by Authority, in the form and within the time period required by Authority.

11.03 Authority Right to Perform Audits, Inspections, or Attestation Engagements

At any time or times during the Term of this Contract or within three years after the end of this Contract, Authority, or its duly authorized representative, will be permitted to initiate and perform audits, inspections or attestation engagements over Company's records for the purpose of determining payment eligibility under this Contract or over selected operations performed by Company under this Contract for the purpose of determining compliance with this Contract.

Free and unrestricted access will be granted to all of Company's records directly pertinent to this Contract or any work order, as well as records of parent, affiliate and subsidiary companies and any subconsultants or subcontractors. If the records are kept at locations other than the Airport, Company will arrange for said records to be brought to a location convenient to Authority auditors to conduct the engagement as set forth in this Article. Or, Company may transport Authority team to Company headquarters for purposes of undertaking said engagement. In such event, Company will pay reasonable costs of transportation, food and lodging for Authority team. In the event Company maintains its accounting or Contract information in electronic format, upon request by Authority auditors, Company will provide a download or extract of data files in a computer readable format acceptable to Authority at no additional cost. Authority has the right during the engagement to interview Company's employees, subconsultants, and subcontractors, and to make photocopies of records as needed.

Company agrees to deliver or provide access to all records requested by Authority auditors within fourteen (14) calendar days of the request at the initiation of the engagement and to deliver or provide access to all other records requested during the engagement within seven (7) calendar days of each request. The Parties recognize that Authority will incur additional costs if records requested by Authority auditors are not

provided in a timely manner and that the amount of those costs is difficult to determine with certainty. Consequently, the Parties agree Authority may assess liquidated damages in the amount of one hundred dollars (\$100.00) per day, for each requested record not received. Such damages may be assessed beginning on the fifteenth (15th) or eighth (8th) day, as applicable, following the date the request was made. Accrual of such fee will continue until specific performance is accomplished. This liquidated damage rate is not an exclusive remedy and Authority retains all rights, including but not limited to, its rights to elect its remedies and pursue all legal and equitable remedies. The Parties expressly agree that these liquidated damages are not a penalty and represent reasonable estimates of fair compensation for the losses that reasonably may be anticipated from Company's failure to comply.

If as a result of any engagement, it is determined that Company has overcharged Authority, Company will re-pay Authority for overcharge and Authority may assess interest of up to twelve percent (12%) on the overcharge from the date the overcharge occurred. If it is determined that Company has overcharged Authority by more than three percent for the period under consideration, Company will also pay for the entire cost of the engagement.

Company will include a provision providing Authority the same access to business records at the subconsultant and subcontractor level in all of its subconsultant and subcontractor agreements executed related to this Contract.

Company agrees to comply with Section 20.055(5), Florida Statutes, and to incorporate in all subcontracts the obligation to comply with Section 20.055(5), Florida Statutes.

Company, if required by such requirements, will provide assurances to Authority that Company will undertake an affirmative action program and will require the same of its subconsultants.

ARTICLE 14

WOMAN AND MINORITY-OWNED BUSINESS ENTERPRISE

14.01 Authority Policy

Authority is committed to the participation of Woman and Minority-Owned Business Enterprises (W/MBEs) in non-concession, non-federally funded contracting opportunities in accordance with Authority W/MBE Policy and Program. Company will take all necessary and reasonable steps in accordance therewith to ensure that W/MBEs are encouraged to compete for and perform subcontracts under this Contract.

14.02 Non-Discrimination

- A. Company and any subcontractor of Company will not discriminate on the basis of race, color, national origin, or sex in the performance of this Contract. Company will carry out applicable requirements of Authority W/MBE Policy and Program in the award

and administration of this Contract. Failure by Company to carry out these requirements is a material breach of this Contract, which may result in the termination of this Contract or such other remedy as Authority deems appropriate.

- B. Company agrees that it will not discriminate against any business owner because of the owner's race, color, national origin, or sex in connection with the award or performance of any agreement, management contract, or subcontract, purchase or lease agreement.
- C. Company agrees to include the statements in paragraphs (A) and (B) above in any subsequent agreement or contract that it enters and cause those businesses to similarly include the statements in further agreements or contracts.

14.03 W/MBE Participation

- A. W/MBE Expectancy: No specific expectancy for W/MBE participation has been established for this Contract; however, Company agrees to make a good faith effort, in accordance with Authority W/MBE Policy and Program, throughout the Term of this Contract, to contract with W/MBE firms certified as a woman-owned or minority-owned business by the City of Tampa, Hillsborough County, the State of Florida Department of Management Services, Office of Supplier Diversity, or as a Disadvantaged Business Enterprise (DBE) under the Florida Unified Certification Program pursuant to 49 CFR Part 26 in the performance of this Contract.
- B. W/MBE Termination and Substitution: Company is prohibited from terminating or altering or changing the scope of work of a W/MBE subcontractor except upon written approval of Authority in accordance with Authority procedures relating to W/MBE terminations contained in the W/MBE Policy and Program. Failure to comply with the procedure relating to W/MBE terminations or changes during this Contract will be a material violation of this Contract and will invoke the sanctions for non-compliance specified in this Contract and the W/MBE Policy and Program.
- C. Monitoring: Authority will monitor the ongoing good faith efforts of Company in meeting the requirements of this Article. Authority will have access to the necessary records to examine such information as may be appropriate for the purpose of investigating and determining compliance with this Article, including, but not limited to, records, records of expenditures, contracts between Company and the W/MBE participant, and other records pertaining to W/MBE participation, which Company will maintain for a minimum of three years following the end of this Contract. Opportunities for W/MBE participation will be reviewed prior to the exercise of any renewal, extension or material amendment of this Contract to consider whether an adjustment in the W/MBE requirement is warranted. Without limiting the requirements of this Contract, Authority reserves the right to review and approve all subleases or subcontracts utilized by Company for the achievement of these goals.

- D. Prompt Payment: Company agrees to pay each subcontractor under this Contract for satisfactory performance of its contract no later than ten (10) calendar days from the receipt of each payment Company receives from Authority. Company agrees further to release retainage payments to each subcontractor within ten (10) calendar days after the subcontractor's work is satisfactorily completed. Any delay or postponement of payment from the above referenced time frame may occur only for good cause following written approval of Authority. This clause applies to both W/MBE and non-W/MBE subcontractors.

ARTICLE 15

AUTHORITY APPROVALS

Except as otherwise specifically indicated elsewhere in this Contract, wherever in this Contract approvals are required to be given or received by Authority, it is understood that the CEO, or designee, is hereby empowered to act on behalf of Authority.

Company will not attempt to access, and will not allow its personnel access to, Authority data or third party data that is not required for the performance of the Services of this Contract by such personnel.

Company and its employees, vendors, subcontractors, and sub-consultants will adhere to and abide by the security measures and procedures established by Authority and any terms of service agreed to by Authority with regards to data security. In the event Company or Company's subcontractor (if any) discovers or is notified of a breach or potential breach of security relating to Authority data or third party data, Company will promptly:

- A. Notify Authority of such breach or potential breach; and
- B. If the applicable Authority data or third party data was in the possession of Company at the time of such breach or potential breach, Company will investigate and cure the breach or potential breach.

ARTICLE 17
DISPUTE RESOLUTION

17.01 Claims and Disputes

- A. A claim is a written demand or assertion by one of the parties seeking, as a matter of right, an adjustment or interpretation of this Contract, payment of money, extension of time or other relief with respect to the terms of this Contract. The term claim also includes other matters in question between Authority and Company arising out of or relating to this Contract. The responsibility to substantiate claims will rest with the party making the claim.
- B. If for any reason Company deems that additional cost or Contract time is due to Company for work not clearly provided for in this Contract, or previously authorized changes in the work, Company will notify Authority in writing of its intention to claim such additional cost or Contract time. Company will give Authority the opportunity to keep strict account of actual cost and/or time associated with the claim. The failure to give proper notice as required herein will constitute a waiver of said claim.
- C. Written notice of intention to claim must be made within ten (10) days after Company first recognizes the condition giving rise to the claim or before the work begins on which Company bases the claim, whichever is earlier.
- D. When the work on which the claim for additional cost or Contract time is based has been completed, Company will, within ten (10) days, submit Company's written claim to Authority. Such claim by Company, and the fact that Authority has kept strict account of the actual cost and/or time associated with the claim, will not in any way be construed as proving or substantiating the validity of the claim.
- E. Pending final resolution of a claim, unless otherwise agreed in writing, Company will proceed diligently with performance of this Contract and maintain effective progress to complete the work within the time(s) set forth in this Contract.
- F. The making of final payment for this Contract may constitute a waiver of all claims by Authority except those arising from:
 - 1. Claims, security interests or encumbrances arising out of this Contract and unsettled;
 - 2. Failure of the work to comply with the requirements of this Contract;
 - 3. Terms of special warranties required by this Contract;

4. Latent defects.

First Meeting: Within five (5) days after a claim is submitted in writing, Company's representatives who have authority to resolve the dispute shall meet with Authority representatives who have authority to resolve the dispute in a good faith attempt to resolve the dispute. If a party intends to be accompanied at a meeting by legal counsel, the other party shall be given at least three (3) working days' notice of such and also may be accompanied by legal counsel. All negotiations pursuant to this clause are confidential and shall be treated as compromise and settlement negotiations for purposes of rules of evidence.

Second Meeting: If the First Meeting fails to resolve the dispute or if the Parties fail to meet, a senior executive for Company and for Authority, neither of which have day to day Contract responsibilities, shall meet, within ten (10) days after a dispute occurs, in an attempt to resolve the dispute and any other identified disputes or any unresolved issues that may lead to dispute. Authority may invite other parties as necessary to this meeting. If a party intends to be accompanied at a meeting by legal counsel, the other party shall be given at least three (3) working days' notice of such and also may be accompanied by legal counsel. All negotiations pursuant to this clause are confidential and shall be treated as compromise and settlement negotiations for purposes of rules of evidence.

Following the First Meeting and the Second Meeting, Authority will review Company's claims and may (1) request additional information from Company which will be immediately provided to Authority, or (2) render a decision on all or part of the claim in writing within twenty-one (21) days following the receipt of such claim or receipt of additional information requested.

If Authority decides that the work related to such claim should proceed regardless of Authority disposition of such claim, Authority will issue to Company a written directive to proceed. Company will proceed as instructed.

- B. Prior to the initiation of any litigation to resolve disputes between the Parties, the Parties will make a good faith effort to resolve any such disputes by negotiation between representatives with decision-making power. Following negotiations, as a condition precedent to litigation, the Parties will mediate any dispute with a mediator selected by Authority. Such mediation shall occur in Hillsborough County, Florida.

- C. Any action initiated by either Party associated with a claim or dispute will be brought in the Circuit Court in and for Hillsborough County, Florida.

ARTICLE 18

This amount must be paid by Company within 15 days from the date of written notice.

EXHIBIT E
AUTHORITY POLICY P412
TRAVEL, BUSINESS DEVELOPMENT AND WORKING MEALS EXPENSES

PURPOSE: To establish a policy governing the authorization, approval and allowability of travel, business development, and working meals expenses incurred by Board members, the Chief Executive Officer (CEO), and Authority employees when conducting business on behalf of the Authority.

LEGAL CONSIDERATION: Subject to the provisions of applicable Florida Statutes, the Hillsborough County Aviation Authority Act authorizes the Authority to reimburse Board members, the Chief Executive Officer, and all Authority employees for all travel expenses incurred while on business for the Authority. The Hillsborough County Aviation Authority Act also authorizes the Authority to “[a]dvertise, promote and encourage the use and expansion of facilities under its jurisdiction” and do all acts and things necessary and convenient for promotion of the business of the Authority. Pursuant to Policy, the Authority is allowed to incur business development expenses for meals, beverages and entertainment in order to highlight the numerous advantages and world class facilities of the Authority’s airport system and build relationships with airline executives, potential real estate partners, potential tenants and others.

POLICY:

General:

- A. All Authority travel, business development, and working meals expenses must provide benefit to the Authority. This Policy provides guidance covering key areas related to travel, business development, and working meals expenses. Additional guidance is provided in Authority Standard Procedure S412.01, Reconciliation and Reimbursement of Travel, Business Development, and Working Meals Expenses. All circumstances may not be specifically covered. In these instances, sound judgement should be used and reasonable documentation should be provided to support the circumstance and expense. Any exception to the practices outlined in this Policy will require written approval by the CEO or Executive Vice President (EVP) of Finance and Procurement and must be in compliance with applicable Florida Statutes.
- B. Employees may book their own flight and hotel reservations, or may utilize the Authority’s corporate travel agency. In an effort to find the most economical lodging rates and airfare, the use of third party companies such as Expedia.com, Hotels.com and Travelocity.com may be considered. Other resources such as AirBNB.com, VRBO.com and HomeAway.com may also be used if determined to be the most economical option.
- C. All reservations (hotel, flight, conference, etc.) shall be booked as far in advance as possible to take advantage of discounted rates.

EXHIBIT E
AUTHORITY POLICY P412
TRAVEL, BUSINESS DEVELOPMENT AND WORKING MEALS EXPENSES

- D. If the traveler elects to arrive earlier or stay later than reasonably necessary to conduct the required Authority business, the traveler will be responsible for payment of all additional expenses beyond those incurred for Authority business. Reasonably necessary is defined as arriving at the destination no more than 24 hours prior to engaging in Authority business or commencing the return trip within the next day of engaging in Authority business.
- E. Purchases for travel, business development, and working meals should be made using Authority Purchasing Cards (PCard) in accordance with Authority Standard Procedure S410.25, Purchasing Cards. As an alternative, personal credit cards may be used, however, the expense will not be reimbursed until after the trip or event has occurred. The reimbursement request must be submitted within 30 days of the completion of the trip or event.
- F. All individuals traveling on behalf of the Authority may personally retain any points or other benefits generated from Authority travel (i.e frequent flyer mileage or awards from hotel frequent guest programs). However, participation in these programs should not influence airline and hotel selection resulting in higher cost to the Authority.

Travel Expenses:

- A. Travel Authorization and Approval:
 - 1. Board members and Authority employees are authorized to attend training and/or conventions, conferences, board, and committee meetings of professional and/or trade organizations specific to their job requirements as well as other meetings, site visits, or events directly related to their position at the Authority. The CEO will approve the travel for those individuals reporting directly to the CEO. All other employee's travel will be approved by their EVP and/or appropriate level supervisor. Such approval must be made in advance of travel for all Authority employees under the Director level.
 - 2. Approval of eligible travel expenses is obtained during the expense submittal process as outlined in Authority Standard Procedure S412.01, Reconciliation and Reimbursement of Travel, Business Development, and Working Meals Expenses.
 - 3. The Authority expects employees to exercise sound prudent business practices when booking travel.
- B. Travel by Air Carrier:

EXHIBIT E
AUTHORITY POLICY P412
TRAVEL, BUSINESS DEVELOPMENT AND WORKING MEALS EXPENSES

1. Travelers are required to use Coach/Economy cabin fares unless otherwise indicated within this Policy. Factors such as time and productivity of the traveler, cost of transportation, per diem/subsistence costs, cancellation fees, and any additional costs (such as baggage fees) should be considered when making reservations.
2. If a Board member, the CEO, an EVP, or Vice President (VP) is scheduled to engage in Authority business within 24 hours of arriving at the destination, or commences the return trip within 24 hours of completing Authority business, he/she is permitted to book fares in business class or its equivalent. Business class or equivalent travel by other Authority employees must be approved in writing with justification in advance by the department EVP.
3. If the primary purpose of the trip is to visit a specific airline, it is acceptable to book a flight on that airline even if the airline does not offer the lowest fare available.
4. Miscellaneous airline fees including, but not limited to, seat reservation fees, early or preferred boarding, checked baggage fees, airline change fees, and in-flight internet expenses, are allowable if utilized for Authority purposes. Checked baggage fees will be limited to one checked bag, unless supported by adequate business justification.
5. In the event a flight must be changed for acceptable business reasons, applicable airline fees are allowable expenses under this Policy with adequate written justification.
6. In the event a flight is cancelled or delayed, the traveler may choose an alternate mode of transportation in accordance with this Policy.

C. Registration Fees:

The traveler is eligible to incur registration fees for meetings and conferences, as well as fees for attending events which are not included in the basic registration fee and that directly enhance the public purpose of the Authority's participation at the meeting or conference. Employee must provide business justification for attending the event.

D. Lodging:

Hotel or accommodation charges must be substantiated by an itemized receipt reflecting all charges for the entire stay. The traveler is expected to exercise his or her best judgment and reasonableness in the selection of lodging. The location of the hotel should be as convenient

as possible to the place where the business of the Authority will be transacted and should be at the lowest appropriate rate.

Paid usage of hotel sponsored Wi-Fi or wired internet access is an authorized lodging expense.

Lodging expenses incurred within the Authority's Metropolitan Statistical Area (MSA) (as defined by the United States Office of Management and Budget, to include Hernando, Hillsborough, Pasco and Pinellas Counties) are only authorized with adequate business justification and if approved in writing in advance by the CEO or the employee's EVP.

E. Meals (During Travel):

Meals within the continental United States will be reimbursed in accordance with the General Service Administration (GSA) meals rate in effect for the destination city on the date travel was initiated. If the destination is not included in the GSA destination guide, the GSA rate for the listed city that is closest to the destination city or county for the destination city will be used.

Meals for travel outside of the continental United States (including Hawaii, Alaska and Puerto Rico) will be reimbursed in accordance with the current rates as specified in the federal publication "Standardized Regulations (Government Civilians, Foreign Areas)".

For both domestic and international travel, the first and last day of travel are calculated at 75% of the rate in effect for the destination city. This excludes intermediate destinations on multi-city trips.

A traveler will not be reimbursed or receive per diem for meals included in a convention or conference registration unless reasonable written explanation is provided. A meal is considered to be any of the regular occasions in a day when a reasonably large amount of food is eaten, such as breakfast, lunch, or dinner. (Definition from Dictionary.com and Oxford University Press.) Continental breakfasts will not be considered a meal. Therefore, per diem will not be reduced for continental breakfasts. Additionally, per diem will not be reduced for meals provided by airlines.

Allowance for meals when travel is confined to the Authority's MSA is only authorized with adequate business justification and if approved in writing in advance by the CEO or the employee's EVP.
