

Notice of Intent to Award a Sole Source Procurement

Notice is hereby given that the Hillsborough County Aviation Authority (Authority) intends to award a sole source Credit Purchase Agreement to National Stormwater Trust, Inc. (NST) for Tampa International Airport (TPA) to provide water quality treatment for stormwater, per Southwest Florida Water Management District (SWFWMD) requirements, via an offsite treatment alternative. The Authority intends to begin negotiations with NST on or about July 9, 2025.

NST offers public and private sector partners an efficient and cost-effective alternative to traditional onsite stormwater treatment. NST's off-site stormwater treatment services enable full land utilization for development, reduce capital and maintenance burdens, and ensure perpetual regulatory compliance with water quality treatment standards. These services are provided under contract and with site-specific, environmental regulatory approval by the water management district.

Companies who believe they can meet or exceed the above stated requirements must provide, in writing, convincing technical data sufficient to support their position. Responses to this notice will be used to determine whether bona fide competition exists. Send written responses to the Hillsborough County Aviation Authority, Tampa International Airport, P.O. Box 22287, Tampa, Florida 33622, Attention: April Kelly, Procurement Agent. For further information, email akelly@TampaAirport.com. Responses must be received by July 9, 2025, at 2:00 p.m. ET.
