This Use and Permit Agreement for Fixed Based Operator Rental Car Concession ("Agreement") is made and entered into this 4th day of September, 2025 by and between the HILLSBOROUGH COUNTY AVIATION AUTHORITY, an independent special district under the laws of the State of Florida ("Authority"), and GITIBIN AND ASSOCIATES, INC. D/B/A GO RENTALS, a corporation organized and existing under the laws of the State of California and authorized to conduct business in the State of Florida ("Company") (individually and collectively "Party or "Parties").

WITNESSETH:

WHEREAS, Authority controls, operates, and maintains airports in the County of Hillsborough, State of Florida, known as Tampa International Airport, Peter O. Knight Airport, Tampa Executive Airport, and Plant City Airport (collectively referred to as "Airport"); and

WHEREAS, the Legislature of the State of Florida has granted to Authority broad power to adopt regulations; enter into contracts including limited and exclusive agreements; lease property; fix and collect rates, fees, and other charges for the use of services or facilities furnished by the Airport or for the privilege of providing services to the Airport passengers; and to exercise and perform all powers and prerogatives conferred to it by Chapter 2022-252, Laws of Florida; and

WHEREAS, Authority finds the provision and regulation of ground transportation services to Airport passengers to be in the public interest and to be a part of, as well as essential to, operation of the Airport and aviation facilities owned by and under the jurisdiction of Authority; and

WHEREAS, Authority finds that businesses providing ground transportation services to Airport passengers derive a special economic benefit from Authority's ongoing Airport operation, such that it is reasonable to raise funds to support the continued and ongoing operations of Authority through fees and charges, or a combination thereof, imposed for the privilege of doing business with customers who use Airport or aviation facilities under Authority's jurisdiction; and

WHEREAS, Company operates a rental vehicle business at an FBO located at the Airport; and

WHEREAS, Company has filed with Authority a completed application requesting authorization for a permit to operate its rental vehicle business at the FBO at the Airport.

NOW, THEREFORE, for and in consideration of the use of the Airport in accordance with the Rules and Regulations, Policies, Standard Procedures and

Operating Directives of Authority and terms and conditions stated herein, and in further consideration of the business benefits received by Company, and other good and valuable considerations, Authority agrees to issue a permit to Company, and Company agrees to abide by all of the following terms and conditions.

This Agreement may be terminated by Company, with or without cause, if Company is not in default of any terms of this Agreement or in the payment of any rents, fees or other charges to Authority, upon 30 days' written notice to Authority. In the event any such notice of termination is given, the termination of this Agreement will be effective 30 calendar days from the date of the notice or such date set forth in the notice of termination if greater than 30 days.

ARTICLE 4: USES, PRIVILEGES, AND RESTRICTIONS

4.01 Authorization
Company is authorized to do business at the Airport as an FBO Rental Car Company under the trade name Go Rentals and to provide rental vehicles for Airport Customers at an FBO on Airport property, all in accordance with the Rules and Regulations and Operating Directives of Authority.

4.02 Disputes and Solicitation
Company will operate on the Airport in a safe and orderly fashion. Company will not allow its agents or employees to solicit business on the Airport in any way or fashion whatsoever. Company will not allow its agents or employees to engage in

open or public disputes or conflicts tending to be incompatible with the best interests of the public at the Airport. Authority will have the right to resolve all such disputes or conflicts, and its determination concerning the manner in which Company will operate shall be binding upon Company.

4.03 Non-Exclusive Agreement

It is understood that this Agreement, and any right or privilege granted thereby, is non-exclusive and in no way establishes or vests in Company any priority use of the Airport relative to other commercial users of the Airport, nor does it restrict Authority from assigning exclusive or priority uses of Airport to others.

4.04 Agreement Limitations

This Agreement authorizes Company to provide vehicle rentals to Airport Customers at an FBO at the Airport and to enjoy the benefits derived from the use of the Airport in the operation of Company's FBO rental vehicle business. Company will not operate or conduct any other kind of vehicle rental operations, or any other business, on the Airport without approval of the Authority.

ARTICLE 5: FEES AND PAYMENTS

5.01 Privilege Fee

During the Term of this Agreement, Company will pay to Authority a privilege fee for the privilege of using the Airport and the business it derives therefrom. The privilege fee will be in the amount of ten percent (10%) of Company's Gross Receipts, as that term is defined in this Article, payable monthly within ten (10) calendar days after the close of each calendar month, without offset or demand ("Privilege Fee").

5.02 Fees and Other Payments a Separate Covenant

Company will not for any reason withhold or reduce its required payments of fees and other charges provided in this Agreement, it being expressly understood and agreed by the Parties that the payment of fees and other charges is a covenant by Company that is independent of the other covenants of the Parties hereunder.

5.03 Payment Method and Statement Filing

Company will submit all payments of Privilege Fee and all other fees and charges by Automated Clearing House electronic transfers. Reports and statements required to be filed by this Agreement shall be delivered to Receivables@TampaAirport.com.

5.04 Form of Payment

All payments due under this Agreement shall be paid in lawful money of the United States of America. Authority may accept payment without prejudice to its right to recover the balance of said amount due and to pursue any other remedies in this Agreement or otherwise.

5.05 Delinquent Charges or Fees

Without waiving any other right or action available to Authority, in the event of default of Company's payment of charges or fees hereunder, and in the event Company is delinquent in paying to Authority any such charges or fees for a period of seven (7) calendar days after Authority's after the "Monthly Gross Receipts Statement" is due, which is attached hereto as Exhibit A and by this reference made a part hereof, Authority reserves the right to charge Company a late fee of \$250 per day until such payments are received.

5.06 Place of Payments

Company will submit all fees, charges and billings required by this Agreement as designated in the Notices and Communications Article.

5.07 Definition of Airport Gross Receipts

A. Amounts to be Included

As used herein, the term "Gross Receipts" will mean the total amount actually charged to Airport Customers at an FBO for or in connection with the rental of a vehicle and any additional services or accessories contracted, delivered, or rented, as shown on the Rental Agreement or elsewhere in Company's customer service information, regardless of where, how (cash, credit, or barter) or by whom the payment is made or where the vehicle is returned. Unless revenues from Company's FBO vehicle rental business are expressly and particularly excluded from Gross Receipts under this Agreement, such revenues shall be included in Gross Receipts. Revenues derived from sources similar but not identical to those described herein will also be included in Gross Receipts unless expressly excluded by this Agreement. Notwithstanding the above, it is presumed that a customer utilizing a Tour Voucher is an Airport Customer.

Gross Receipts will mean all revenues paid or due to Company arising out of or in connection with its operations at the Airport, including but not limited to:

1. All time and mileage revenues.
2. All revenues from the sale of liability damage waiver, collision damage waiver, personal accident insurance, or any waiver or other insurance products.
3. All revenue relating to furnishing and/or replacing fuel provided by Company at the commencement or conclusion of the rental transaction.
4. All tolls collected by Company.
5. Daily and weekly service fees for toll transponders or similar license plate recognition services.
6. Any administrative fees or tolls charged by a third party vendor.

7. Cellular phones and global positioning navigation systems (GPS).
8. Child restraints.
9. Drop charges.
10. Additional driver fees.
11. Underage or overage driver fees.
12. Guaranteed reservation fees.
13. Third party vehicle comps for promotional services rendered as a travel promoter, agent, or otherwise.
14. Loss of Use payments by Airport Customers or insurance companies (actual payment amount(s)-not claim amounts(s)) received by Company in lieu of rent for damage to vehicles, Company's property, or for loss, conversion, or abandonment of vehicles.
15. Vehicle sharing and/or valet services.
16. All other revenues paid or due to Company arising out of or in connection with its operations at the Airport unless expressly excluded by this Agreement.
17. All time and revenues related to car-sharing or other similar type services, including any and all membership fees.

B. Amounts to be Excluded and Restrictions on Exclusion

The term "Gross Receipts" will not include:

1. Amounts of any Federal, State, or municipal taxes and surcharges separately stated on the Rental Agreement and collected from Airport Customers, and which are payable directly to the taxing authority by Company. No exclusion shall be allowed for taxes levied on Company's activities, facilities, equipment, or real or personal property, payroll taxes, income taxes, taxes on frequent flyer miles paid directly to an airline, license or tag fees, or other charges which recoup operating costs.
2. Any concession recovery fee (as defined in Section 5.07(D) below).
3. Amounts for credits, refunds, or adjustments to Airport Customers for transactions made at the Airport at the time of, or prior to, the close-out of the rental transaction and shown on the Rental Agreement (without mark-up or additional fees). Includes customer satisfaction program adjustments applicable to revenues included in Gross Receipts which are subsequently

refunded by Company and recorded and reported in a separately documented account from non-excludable adjustments. Company forfeits exclusion of all customer satisfaction program adjustments in the event otherwise allowable adjustments are commingled with any non-excludable amounts. Non-excludable adjustments are those which affect amounts already excludable from Gross Receipts (example: taxes) since this would result in a duplicate deduction from Gross Receipts.

4. Any discounts separately stated in the Rental Agreement which are granted at the time the rental transaction commences and are recorded and reported in separately documented accounts from non-excludable discounts. Company forfeits exclusion of all discounts in the event otherwise allowable discounts are commingled with any non-excludable amounts. No exclusion shall be allowed for any amount retained by a third party as a financing discount which may apply by reason of Company's acceptance of credit cards or other credit arrangements. No exclusion shall be allowed for the portion of retroactive rebates, dividends or refunds to any Airport Customer upon attainment of a specified volume of rentals attributable to revenue or as part of any other marketing plan which does not list the discount in the Rental Agreement at the commencement of the rental transaction.
5. Sums received by reason of Company's disposal of capital assets and/or trade fixtures.
6. Sums received by Company from its Airport Customers, including all associated administrative charges, for traffic tickets, parking tickets, towing charges, impound fees, and other similar governmental fines and charges actually paid by Company on behalf of such Airport Customers (without mark-up or additional fees).
7. Sums received by Company for pass-through charges collected by Company from its Airport Customers with respect to damage repair, parts replacement, extraordinary cleaning of vehicles, towing and transporting of damaged vehicles rented by such Airport Customers, and replacement of keys for such vehicles (without mark-up or additional fees). This exclusion does not include any payments by Airport Customers or insurance companies (actual payment amount(s) – not claim amount(s)) received by Company in lieu of rent for those vehicles ("Loss of Use" payments).
8. Sums received by Company for damage to vehicles or Company's property or premises from loss, conversion, or abandonment of vehicles (without mark up or additional fees).
9. All tolls passed through by Company or third-party vendor or paid by Company or third-party vendor directly to the Florida Department of Transportation or similar governmental entity.

C. Losses

It is understood and agreed that all losses or charge-backs (including bad debt expenses) are to be borne solely by Company, and Authority is to be paid on Gross Receipts without charge or reduction for costs of losses. Loss of Use payments, as provided above in Section 5.07(B), by Airport Customers or insurance companies (actual payment amount(s)) received by Company in lieu of rent for those vehicles is considered to be included as Gross Receipts.

D. Presentation of Fees and Charges

Except as provided in the definition of Gross Receipts, all other fees or charges collected from the Airport Customer will be considered Gross Receipts and shall not be withheld from the percentage calculation. Company understands Authority does not support the practice of transferring Company's obligation for payment of the Privilege Fee due herein to its Airport Customers as a concession recovery fee or similar fee. Except as already referenced herein, Company agrees that if such additional charges or fees are collected from the Airport Customer for the purpose of collecting the Privilege Fee due herein, such fees will be disclosed to the Airport Customer at the time of vehicle rental and will be included in the calculation of Gross Receipts.

5.08 Diversion of Gross Receipts

Company will not intentionally divert, through direct or indirect means, any of Company's vehicle rental or related business with Airport Customers to locations of Company or affiliates of Company without including the Gross Receipts of such transactions, as described in the definition of Gross Receipts, in Company's reported Gross Receipts. Any such intentional diversion of Gross Receipts will constitute a breach of this Agreement and Authority will have the right to immediately terminate this Agreement upon determination by Authority or its auditors that an intentional diversion exists or has occurred.

5.09 Misrepresentation

Company will not modify its accounting treatment or rename or redefine services or products that, under the terms of this Agreement, would be subject to the Privilege Fee.

5.10 Monthly Reports

Within ten (10) calendar days after the close of each calendar month of the term of this Agreement, Company will submit to Authority, in a form with detail satisfactory to Authority, as shown on attached Exhibit A, a statement of its Gross Receipts that shows the following:

- A. Details of Gross Receipts for the prior calendar month;

- B. Separately identifies any exclusions from Gross Receipts as provided herein to calculate Gross Receipts upon which the Privilege Fee payments to Authority are computed;
- C. Lists the number of rental transactions, rental transaction days and average rental price occurring during the calendar month;
- D. Lists the number of rental transaction days occurring during the calendar month; and
- E. Is signed by an authorized official of Company.

At the Authority's discretion, Exhibit A may be required in electronic format or utilizing a portal system. In addition, each month Company will provide Authority with an electronic file that details monthly sales information by transaction number, as outlined in Exhibit B, "Monthly Detail Sales Information", attached hereto and by this reference made a part hereof. The monthly sales detail presented in Exhibit B must agree with the total amounts reported in Exhibit A.

The Parties recognize that Authority will incur additional administrative costs if Company is late in providing all of the monthly information in the monthly statements and electronic file required by this Article, and the amount of those costs is difficult to determine with certainty. Consequently, the Parties agree Company shall pay Authority, in addition to all other financial requirements of this Agreement, fifty dollars (\$50.00) per report for each calendar day Company is late in submitting all of the monthly information in the formats required by this Article. Said charge will continue until specific performance is accomplished and will not be offset against any other amount due Authority as detailed in this Agreement.

ARTICLE 6: ACCOUNTING, RECORDS AND AUDIT

6.01 Books and Records

The acceptance of monthly reports and payments by Authority does not constitute agreement by Authority with the amounts reported and paid. Company will maintain, during the term of this Agreement, all books of account and records customarily used in this type of business operation, in conformity with Generally Accepted Accounting Principles, and for such period of time thereafter as provided herein, unless otherwise approved by Authority. Company will maintain records and controls pertaining to each Rental Agreement written at the Airport FBO location. The Rental Agreement will be identified to indicate the Airport FBO location as the originating location. All Rental Agreement forms used by Company in its Airport FBO operation shall be sequentially numbered, in a numbering series exclusively for its Airport FBO location. In the event the Company does not maintain exclusive sequential numbering for Rental Agreements commencing at the Airport FBO location, the Company agrees to provide copies of Rental

Agreements from other rental locations included in the nonexclusive sequence to Authority or its auditors for the purposes of testing reporting completeness. Accounting records of Company shall be stored sequentially, or in such other manner as approved by Authority, to provide reasonable and expeditious access for audit purposes hereunder.

Accounting for Tour Vouchers must specifically detail charges related to a reduced rental vehicle charge and related sales tax for the period of the tour from other services or additional days rented.

6.02 Audit

No later than ninety (90) days after the end of each Agreement Year during the Term, Company shall, at its sole cost and expense, provide an annual certified statement or an annual audit report by an independent Certified Public Accountant, licensed in the State of Florida and acceptable to Authority, of Company's monthly Gross Receipts and the amounts paid to Authority as a Privilege Fee for the subject Agreement Year, or part thereof. The annual certified statement or annual audit report will cover the period of October 1st through September 30th. If the Company ceases operating prior to September 30 of any Agreement Year during the Term of this Agreement, the annual certified statement or annual audit report will include the last day of operations. The annual certified statement may be prepared by the chief financial officer of the Company when payments to the Authority are less than thirty thousand dollars (\$30,000) annually. The annual audit report will be prepared by an independent certified public accountant, licensed in the State of Florida and acceptable to Authority, when payments to the Authority are more than thirty thousand dollars (\$30,000) annually. A \$100.00 per calendar day penalty may be assessed by Authority for every day the audit report is late.

If an annual certified statement is required, it should include a Schedule of Gross Receipts, Exclusions, and Privilege Fees Due and Paid for each month of Company's operations under this Agreement, prepared in accordance with the comprehensive basis of accounting defined herein and reported in a format acceptable to Authority.

If an annual audit report is required, there may be no limitation on the scope of the engagement that would preclude the auditor from expressing an unqualified opinion as to the correctness and completeness of the reported Gross Receipts. The audit will include a Schedule of Gross Receipts, Exclusions, and Privilege Fees Due and Paid for each month of Company's operations under this Agreement, prepared in accordance with the comprehensive basis of accounting defined herein and reported in a format acceptable to Authority. The engagement will be conducted in accordance with Generally Accepted Auditing Standards and will include an opinion on whether the Schedule of Gross Receipts, Exclusions, and Privilege Fees has been completely and accurately presented, calculated and reported according to the terms of this Agreement.

Authority reserves the right to challenge any findings or conclusions of the annual audit report if it believes an error may have occurred. In such event, Authority may conduct its own audit under the provisions in Section 6.03 below or may require production of the supporting documentation used to reach the finding or conclusion in question. The resolution of Authority of any dispute will be final. Delivery of an annual audit report containing a qualified opinion, or an adverse opinion, or a disclaimer of opinion as defined in the Statements on Auditing Standards issued by the Auditing Standards Board of the American Institute of Certified Public Accountants, or any successor board or agency thereto, will be deemed a material breach of this Agreement.

If Company has paid to Authority an amount greater than Company is required to pay as Privilege Fee for an Agreement Year under the terms of this Agreement Company will be entitled to a credit which must be used against the next invoice. If Company has paid less than the amount required to be paid as Privilege Fee for such Agreement Year, then Company will pay the difference to Authority within fifteen (15) days from the date of invoice. If Company is owed any amounts by the Authority at the end of the Term, the Authority will issue a payment to Company within thirty (30) days after the end of the Term.

6.03 Authority's Right to Perform Audits, Inspections, or Attestation Engagements

Notwithstanding Company's requirement to submit the annual certified statement or annual audit report as set forth herein, at any time or times during the Term of this Agreement or within five years after the end of this Agreement, the Authority, FAA, Federal Highway Administration, Florida Department of Transportation (FDOT), Federal Emergency Management Agency, Florida Auditor General, Florida Inspector General, Florida Chief Financial Officer, and the Comptroller General of the United States, or any duly authorized representative of each (Auditors), have the right to initiate and perform audits, inspections, or attestation engagements. Auditors have the right to review all books, records, and contracts of Company and, where applicable, all individuals or other business entities who are Party to this Agreement, to substantiate the accuracy of reported Gross Receipts and Company's compliance with other provisions of this Agreement. This includes, but is not limited to, financial statements, general ledgers, sales journals, daily or periodic summary reports, inventory and purchasing records, cash register or computer terminal tapes or reports, bank deposit slips, bank statements, cancelled checks, tax reports/returns filed with State or Federal entities, discount or rebate/allowance contracts, records of refunds or voids, and joint venture or partnership contracts. Such right of examination shall include cooperation by Company personnel (including, but not limited to, cooperation in sending confirmations to Company's suppliers or others, assisting Auditors in obtaining from governmental entities official copies of tax reports/returns, and disclosing all bank or other accounts into which Gross Receipts are deposited) as reasonably considered necessary by Auditors to complete the engagement. There may be no limitation in the scope of the engagement that would hinder Auditors in testing the accuracy and completeness

of the reported Gross Receipts. All such books, records, and contracts shall be kept for a minimum period of five (5) years upon termination or expiration of this Agreement.

Engagements will be conducted at Tampa International Airport. If the records are kept at locations other than Tampa International Airport, Company will arrange for said records to be brought to a location convenient to Auditors or will provide records electronically in a computer-readable format acceptable to the Auditors at no additional cost to conduct the engagement as set forth in this Article. Company shall allow Auditors to photocopy any records the Auditors determine to be necessary to conduct and support the engagement. Company shall not charge Authority for reasonable use of Company's photocopy machine while conducting the engagement, nor for any cost of retrieving, downloading to storage media and/or printing any records or transactions stored in electronic format. Company shall provide all records and retrievals requested within seven (7) calendar days of the request. The Parties recognize that Company will be in material breach of this Agreement if Company fails to provide requested records in accordance with this Section and Company will be responsible for the cost of the audit as determined by the Authority. Auditors have the right during the engagement to interview the Company's employees, subconsultants, and subcontractors, and to retain copies of any and all records as needed to support auditor workpapers.

If as a result of any engagement it is determined that Company owes additional fees or charges to Authority, Company will pay such additional fees and charges and Authority may assess interest up to the default rate of eighteen percent (18%) per annum or the maximum rate permitted by law, whichever is less, on the amount due from the date the amount was initially due. If it is established that Company underreported Gross Receipts or underpaid fees related to Gross Receipts by three percent (3%) or more for the period under review, the entire expense of the engagement may be billed to Company. All payments will be due on the date stated in a written notice and/or invoice from Authority to Company, but no less than fifteen (15) calendar days following issuance of such written notice and/or invoice. If it is established that Company underreported Gross Receipts or underpaid fees related to Gross Receipts by seven percent (7%) or more for the period under consideration, Authority will be entitled to terminate this Agreement for cause upon thirty (30) days' written notice, regardless of whether the deficiency is paid.

Any additional payments due shall be paid no later than Company's next payment of the monthly installment of the Privilege Fee to Authority. If as a result of any engagement it is established that Company has correctly reported or over reported Gross Receipts or has paid fees related to Gross Receipts equivalent to or greater than the sum due, Company shall be entitled to a credit against Company's next monthly installment of the Privilege Fee for the amount of the overpayment.

Approvals granted outside of the internal audit function of monthly reporting, Gross Receipts, or other compliance requirements included in this Agreement do not act

as a waiver or limitation of the Auditor's right to perform engagements. The Company will notify the Authority no later than seven (7) days after receiving knowledge that it is subject to any other audit, inspection or attestation engagement related to this Agreement and will provide Authority a copy of any audit documents or reports so received.
