6.4 In the event the Consultant has overcharged the Owner for direct and reimbursable

expenses, the Consultant will re-pay the Owner the amount of the overcharge and the Owner may assess interest of up to 12% per year on the overcharge from the date the overcharge occurred. In addition, if the Consultant has overcharged the Owner by more than 3% of the gross direct and reimbursable amount, the Owner may assess and the Consultant will pay for the entire cost of the Engagement.

This duty to defend exists immediately upon presentation of written notice of a suit, claim or action of any nature to the Consultant by a party entitled to a defense hereunder. This indemnity obligation expressly applies, and shall be construed to include, any and all claims caused in part by negligence, acts or omissions of the Owner, its members, officers, agents, employees, and volunteers.

8.3 If the above indemnity or defense provisions or any part of the above indemnity or defense provisions are limited by Fla. Stat. § 725.06(2)-(3) or Fla. Stat. § 725.08, then with respect to the part so limited, the Consultant agrees to the following: To the maximum extent permitted by Florida law, the Consultant will indemnify and hold harmless the Owner, its members, officers, agents, employees, and volunteers from any and all liabilities, damages, losses, and costs, including, but not limited to, reasonable attorneys' fee, to the extent caused by the negligence, recklessness, or intentional wrongful conduct of the Consultant and persons employed or utilized by the Consultant in the performance of this Contract.

This indemnification in this paragraph shall survive the termination of this Contract. Nothing contained in this paragraph is intended to nor shall it constitute a waiver of the State of Florida's and FDOT's sovereign immunity.

8.6 The Consultant's obligations to defend and indemnify as described in this Article will survive the expiration or earlier termination of this Contract until it is determined by final judgment that any suit, claim or other action against the Owner, its members, officers, agents, employees, and volunteers is fully and finally barred by the applicable statute of limitations or repose.

8.7 Nothing in this Article or Contract will be construed as a waiver of any immunity from or

limitation of liability the Owner, or its members, officers, agents, employees, and volunteers may have under the doctrine of sovereign immunity under common law or statute.

8.8 The Owner and its members, officers, agents, employees, and volunteers reserve the right, at their option, to participate in the defense of any suit, without relieving the Consultant of any of its obligations under this Article.

8.9 If the above Article 8.1-8.8 or any part of Article 8.1-8.8 is deemed to conflict in any way with any law, the Article or part of the Article will be considered modified by such law to remedy the conflict.

Claims by the Owner may be made at any time irrespective of the date of the occurrence of the event giving rise to the claim.

The Owner, however, will be under no obligation to make payments on or against such claims, disputes or other matters in question during the pendency of any proceedings to resolve such claims, disputes or other matters in question.

11.4 Documents in support of the claim referred to in this Article may be subject to an independent Engagement by the Owner. In the event the Engagement supports the Consultant's claim, the Owner will pay for the Engagement. In the event the Engagement does not support the Consultant's claim, the Consultant will pay for the Engagement.

11.5 Any action initiated by either party associated with a claim or dispute, will be brought in the appropriate State Court in and for Hillsborough County, Florida. The appropriate Florida State Court shall be the exclusive venue and jurisdiction for such action. ARTICLE 24 – SMALL BUSINESS ENTERPRISE (SBE) ASSURANCES

Consequently, the SBE requirements and the Owner’s SBE Policy and Program will apply to this Contract and are made a part hereof.

24.1.1 The Consultant and any subcontractor of the Consultant will not discriminate on the basis of race, color, national origin, or sex in the performance of the Contract. The Consultant will carry out applicable requirements of the Owner’s SBE Policy and Program in the award and administration of contracts. 24.1.1.2 Assessing sanctions;

24.1.1.3 Liquidated damages; and/or

24.1.1.4 Disqualifying the Consultant from future bidding as non-responsible.

24.1.3 The Consultant agrees to include the statements in paragraphs (1) and (2) above in any subsequent contract or contract that it enters and cause those businesses to similarly include the statements in further contracts.

- 24.2 The Consultant agrees to ensure that SBEs, as defined in the Owner's SBE Policy and Program, have the maximum opportunity to participate in the performance of this Contract, and the Consultant will take all necessary and reasonable steps in accordance therewith to ensure that SBEs have the maximum opportunity to compete for and perform subcontracts.
- 24.3 SBE Goals. In compliance with the Owner's SBE Policy and Program, the Consultant's minimum SBE commitment is established as the sum total of the verified Letter(s) of Intent for each portion of the Project. The SBE goal stated below is the sum total of the certified SBE's listed in the Consultant's fee and scope proposal which is attached hereto and which will be enforceable under the terms of this Contract. The Consultant will demonstrate that they will subcontract to certified SBEs at least 0% of the total dollar amount earned on the Project.
- 24.4 All SBEs interested in participating in contracting/subcontracting opportunities must be certified as eligible SBEs before said business enterprises begins their portion of the Contract work. Only certified SBEs will count toward the SBE goal. If the Consultant fails to achieve the SBE expectancy stated herein, it will be required to provide documentation demonstrating that it made good faith efforts in attempting to do so.
- 24.5 SBE Termination and Substitution: The Consultant will not terminate a SBE for convenience without the Owner's prior written consent. If a SBE is terminated by the Consultant with the Owner's consent or because of the SBE's default, then the Consultant must make a good faith effort, in accordance with the requirements of the Owner's SBE Policy and Program, to find another SBE to substitute for the original SBE to provide the same amount of SBE participation.

- 24.7 Monitoring: The Owner will monitor the compliance and good faith efforts of the Consultant in meeting these requirements. The Owner will have access to the necessary records to examine such information as may be appropriate for the purpose of investigating and determining compliance with this subsection, including, but not limited to, records, records of expenditures, contracts between the Consultant and the SBE participant, and other records pertaining to the SBE participation plan, which the Consultant will maintain for a minimum of three years following the end of the Contract. Opportunities for SBE participation will be reviewed prior to the exercise of any renewal, extension or material amendment of the Contract to consider whether an adjustment in the SBE requirement is

warranted. Without limiting the requirements of the Contract, the Owner reserves the right to review and approve all subleases or subcontracts utilized by the Consultant for the achievement of these goals.

- 24.8 Consultant agrees to indemnify the Owner from the loss of any funds or other damages that may result from Consultant's failure to achieve the SBE goals set forth herein or to establish a good faith effort to do so, including attorneys' fees and costs associated with said failure by Consultant or good faith investigation by Owner. Failure of Consultant to make a good faith effort to achieve SBE goals will be a material breach of this Contract. Re: *Continuing Structural Consultant Services – HCAA
Tampa, Florida
Walker Proposal No. 15-003000.00*

Dear Mr. Hanney:

As requested, we are pleased to provide the following fee proposal for Continuing Structural Consulting Services at Tampa International Airport and the three General Aviation Airports operated by the Authority.

Our design fees have been developed based on our email correspondence with the Authority and the list of proposed projects in the original TPA Continuing Structural Consultant RFQ dated April 11, 2025. The fees in the attached spreadsheet are considered not to exceed budgets for each project and can be utilized for budgeting and HCAA Board approval purposes. Individual projects can be executed on an hourly (time and material) basis or on a lump sum basis, based on discussions and agreement by the Authority. We will refine the project scope and execute each project by a separate work order. The projects and fees in the spreadsheet cover the anticipated full five years of the continuing services contract.

Under separate cover, we have provided information related to Walker employee hourly labor rates that were used in the development of these fees and that we propose to use for any projects that are executed on an hourly basis. We request the right to revise these hourly rates on a yearly basis, based on annual salary adjustments.

We look forward to our ongoing relationship with the Authority and successful implementation of these projects. If you have any questions or comments, please feel free to contact either Brian Preston or myself.

Sincerely,

WALKER CONSULTANTS

To the extent that there is any exclusion, deficiency, reduction, or gap in a policy, which makes the insurance more restrictive than the coverage required, the Consultant agrees to remain responsible and obligated to make the Owner whole as if the Consultant and all of its contractors, subcontractors, suppliers, consultants, and subconsultants at each tier fully met the insurance requirements of the contract. Every policy shall be maintained without interruption or amendment throughout the life of this Contract, including but not limited to any warranty or limitation periods, and for any period of extension described herein. In the event the Consultant becomes in default of any requirement, the Owner reserves the right to take whatever actions deemed necessary to protect its interests. The Consultant shall require every policy, other than Workers' Compensation, Employer's Liability and Professional Liability, to be endorsed to include the Owner, members of the Owner's governing body, and the Owner's officers, volunteers, agents, and its employees as additional insureds. The commercial general liability policies and any excess or umbrella policies used to provide the required amount of insurance shall include a per project designated aggregate limit endorsement providing that the limits of such insurance specified in the contract shall apply solely to the work under the contract without erosion of such limits by other claims or occurrences.

1. Cancellation Notice

Each insurance policy will be specifically endorsed to require the insurer to provide written notice to the Owner at least 30 days (or 10 days prior notice for non-payment of premium) prior to any cancellation, non-renewal or adverse change, initiated by the insurer, and applicable to any policy or coverage described in the contract or in this Standard Procedure. The endorsement will specify that such notice will be sent to:

Hillsborough County Aviation Authority
Attn.: Chief Executive Officer
Tampa International Airport
Post Office Box 22287
Tampa, Florida 33622

Additionally, to the extent required by Florida Department of Transportation Public Transportation Grant Agreement, the workers' compensation, commercial general liability and railroad protective insurance of every contractor, subcontractor, consultant, and sub-consultant at each tier shall be specifically endorsed to require the insurer to provide the Florida Department of Transportation notice within 10 days of any cancellation, notice of cancellation, lapse, renewal, or proposed change to any policy or coverage described in the contract or this Standard Procedure.

D. No waiver by approval/disapproval:

The Owner accepts no responsibility for determining whether the company or any contractor, subcontractor, consultant, or sub-consultant at each tier is in full compliance with the insurance coverage required by the contract. The Owner's approval or failure to disapprove any policy, endorsement coverage, or Certificate of Insurance does not relieve or excuse the company of any obligation to procure and maintain the insurance required in the contract or in this Standard Procedure, nor does it serve as a waiver of any rights or defenses the Owner may have.

E. Future Modifications – Changes in Circumstances:

1. Changes in Coverage and Required Limits of Insurance

INSURANCE REQUIREMENTS

The coverages and minimum limits of insurance required by the contract are based on circumstances in effect at the inception of the contract. If, in the opinion of the Owner, circumstances merit a change in such coverage or minimum limits of insurance required by the contract, the Owner may change the coverage and the minimum limits of insurance required, and the Consultant will, within 60 days of receipt of written notice of a change in the coverage and/or the minimum limits required, comply with such change and provide evidence of such compliance in the manner required by the contract. Provided, however, that no change in the coverages or minimum limits of insurance required will be made by the Owner until at least two years after inception of the contract. Subsequent changes in the coverage or minimum limits of insurance required will not be made by the Owner until at least two years after any prior change by the Owner unless extreme conditions warrant such change and are agreeable to both parties. To the extent required by Florida Department of Transportation Public Transportation Grant Agreement, any such change or modification in coverage or limits shall also apply to the contractors, subcontractors, suppliers, consultants, and sub-consultants at each tier.

If, in the opinion of the Owner, compliance with the insurance requirements is not commercially practicable for the Consultant, contractors, subcontractors, suppliers, consultants or subconsultants at any tier, at the written request of the Consultant, the Owner may, at its sole discretion and subject to any conditions it deems appropriate, relax or temporarily suspend, in whole or in part, the insurance requirements which would otherwise apply to the Consultant, contractors, subcontractors, suppliers, consultants, and sub-consultants at any tier. Any such modification will be subject to the prior written approval of the Owner's General Counsel and Executive Vice President of Legal Affairs or designee, and subject to the conditions of such approval.

F. Proof of Insurance – Insurance Certificate:

1. Prior to Work, Use or Occupancy of Owner's Premises

The Consultant and, to the extent required by Florida Department of Transportation Public Transportation Grant Agreement, the Consultant's contractors, subcontractors, suppliers, consultants, and sub-consultants at each tier will not commence work, or use or occupy Owner's premises in connection with the contract until the required insurance is in force, preliminary evidence of insurance acceptable to the Owner has been provided to the Owner, and the Owner has granted permission to the company to commence work or use or occupy the premises in connection with the contract.

2. Proof of Insurance Coverage

As preliminary evidence of compliance with the insurance required by the contract, the Consultant will furnish the Owner with an ACORD Certificate of Liability Insurance (Certificate) reflecting the required coverage described in the contract and this Standard Procedure.

The Certificate must:

- a. Be signed by an authorized representative of the insurer. Upon request of the Authority, Consultant will furnish the Owner with any specific endorsements effecting coverage required by the contract. The endorsements are to be signed by a person authorized by insurer to bind the coverage on the insurer's behalf;

INSURANCE REQUIREMENTS

- b. State that: "Hillsborough County Aviation Authority, members of the Authority's governing body and the Authority's officers, volunteers, agents, and its employees are additional insureds for all policies described above other than workers' compensation employer's liability and professional liability (if required by Contract)";
- c. To the extent required by Florida Department of Transportation Public Transportation Grant Agreement, state that the Florida Department of Transportation is an additional insured for commercial general liability;
- d. Indicate that the insurers for all required policies shown on the Certificate have waived their subrogation rights against the Hillsborough County Aviation Authority, members of the Authority's governing body and the Authority's officers, volunteers, agents, and its employees;
- e. Indicate that the Certificate has been issued in connection with the contract;
- f. Indicate the amount of any deductible or self-insured retention applicable to all coverages;
- g. State that the deductible or self-insured retention is the responsibility of the Consultant; and
- h. Identify the name and address of the Certificate holder as:

Hillsborough County Aviation Authority
Attn.: Chief Executive Officer
Tampa International Airport
Post Office Box 22287
Tampa, Florida 33622;

If requested by the Owner, the Consultant will, within 15 days after receipt of written request from the Owner, provide the Owner, or make available for review, a certified complete copy of the policies of insurance. The Consultant may redact those portions of the insurance policies that are not relevant to the coverage required by the contract. The Consultant will provide the Owner with renewal or replacement evidence of insurance, acceptable to the Owner, prior to expiration or termination of such insurance.

G. Deductibles, Self-Insurance, Alternative Risk or Insurance Programs:

1. All deductibles, as well as all self-insured retentions and any alternative risk or insurance programs (including, but not limited to, the use of captives, trusts, pooled programs, risk retention groups, or investment-linked insurance products), must be approved by the Owner's General Counsel and Executive Vice President of Legal Affairs or designee. The Consultant agrees to provide all documentation necessary for the Owner to review the deductible, self-insurance or alternative risk or insurance program.
2. The Consultant will pay on behalf of the Owner, members of the Owner's governing body, the Owner's officers, volunteers, agents and its employees and to the extent required by the Florida Department of Transportation Grant Agreement, any deductible, self-insured retention (SIR), or difference from a fully insured program which, with respect to the required insurance, is applicable to any claim by or against the Owner, or any member of the Owner's governing body, or any officer, volunteer, agent, or employee of the Owner.

INSURANCE REQUIREMENTS

3. The contract by the Owner to allow the use of a deductible, self-insurance or alternative risk or insurance program will be subject to periodic review by the Director of Risk Management. If, at any time, the Owner deems that the continued use of a deductible, self-insurance, or alternative risk or insurance program by the Consultant should not be permitted, the Owner may, upon 60 days' written notice to the company, require the Consultant to replace or modify the deductible, self-insurance, or alternative risk or insurance program in a manner satisfactory to the Owner.
4. Any deductible amount, self-insurance, or alternative risk or insurance program's retention will be included and clearly described on the Certificate prior to any approval by the Owner. This is to include fully insured programs as to a zero deductible per the policy. Owner reserves the right to deny any Certificate not in compliance with this requirement.
5. To the extent required by Florida Department of Transportation Public Transportation Grant Agreement, the commercial general liability may not be subject to a self-insured retention. Subject to approval by the Owner under sub-paragraphs 1-4 above, the commercial general liability may contain a deductible, provided that such deductible shall be paid by the named insured.

H. Consultant's Insurance Primary:

The insurance required by the contract will apply on a primary and non-contributory basis. Any insurance or self-insurance maintained by the Owner will be excess and will not contribute to the insurance provided by or on behalf of the Consultant.

To the extent required by Florida Department of Transportation Public Transportation Grant Agreement, the coverage afforded to the Florida Department of Transportation as an additional insured under the Commercial General Liability policy shall be primary coverage.

I. Incident Notification:

In accordance with the requirements of Standard Procedure S250.02, the Consultant will promptly notify the Airport Operations Center (AOC) of all incidents involving bodily injury, property damage, data breach, security breach, ransomware (data theft), or an extortion threat occurring on Authority-owned property, tenant owned property or third party property.

J. Customer Claims, Issues, or Complaints:

In addition to complying with all terms outlined in Standard Procedure S250.02, all customer claims, issues, or complaints involving property damage, bodily injury, data theft, or an extortion threat related to the Consultant will be promptly handled, addressed and resolved by the Consultant.

The Consultant will track all customer claims, issues, or complaints involving property damage or bodily injury and their status on a Claims Log available for review, as needed, by Risk Management. The Claims Log should include a detailed report of the incident along with the response and/or

INSURANCE REQUIREMENTS

resolution. Risk Management has the option to monitor all incidents, claims, issues or complaints where the Owner could be held liable for injury or damages.

K. Applicable Law:

With respect to any contract entered into by the Owner with a value exceeding \$10,000,000, if any required policy or program is: (i) issued to a policyholder outside of Florida or (ii) contains a "choice of law" or similar provision stating that the law of any state other than Florida shall govern disputes concerning the policy, then such policy or program must be endorsed so that Florida law (including but not limited to Part II of Chapter 627 of the Florida Statutes) will govern any and all disputes concerning the policy or program in connection with claims arising out of work performed pursuant to the Contract. The Consultant will ensure that all contractors, subcontractors, suppliers, consultants, and subconsultants at each tier are contractually bound and remain in compliance with this provision.

L. Waiver of Subrogation:

The Consultant, for itself and on behalf of its insurers, to the fullest extent permitted by law without voiding the insurance required by the Contract, waives all rights against the Owner, members of the Owner's governing body and the Owner's officers, volunteers, agents and its employees, as well as the State of Florida, Department of Transportation, including the Department's officers and its employees for damages or loss to the extent covered and paid for by any insurance maintained by the Consultant. The Consultant shall require all contractors, subcontractors, suppliers, consultants and subconsultants at each tier for themselves and their insurers, to the fullest extent permitted by law without voiding the insurance required by the Contract, to waive all rights against the Owner, members of the Owner's governing body and the Owner's officers, volunteers, agents and its employees, as well as the State of Florida, Department of Transportation, including the Department's officers and its employees for damages or loss to the extent covered and paid for by any insurance maintained by the Consultant to the extent covered and paid for by any insurance maintained by the Consultant's contractors, subcontractors, suppliers, consultants and subconsultants at each tier. The Consultant shall further require that all contractors, subcontractors, suppliers, consultants, and subconsultants at each tier include the following in every contract and on each policy the following:

"Hillsborough County Aviation Authority, members of the Authority's governing body and the Authority's officers, volunteers, agents, and its employees, as well as the State of Florida, Department of Transportation, including the Department's officers and its employees are additional insureds for the coverages required by all policies as described above other than workers compensation and professional liability."

M. Consultant's Failure to Comply with Insurance Requirements:

1. Owner's Right to Procure Replacement Insurance

If, after the inception of this Contract, the Consultant or any of its contractors, subcontractors, suppliers, consultants, or subconsultants fails to fully comply with the insurance requirements of the Contract, in addition to and not in lieu of any other remedy available to the Owner provided by the

INSURANCE REQUIREMENTS

Contract, the Owner may, at its sole discretion, procure and maintain on behalf of the Consultant, insurance which provides, in whole or in part, the required insurance coverage.

2. Replacement Coverage at Sole Expense of Consultant

The entire cost of any insurance procured by the Owner pursuant to this Attachment will be paid by the Consultant. At the option of the Owner, the Consultant will either directly pay the entire cost of the insurance or immediately reimburse the Owner for any costs incurred by the Owner, including all premiums, fees, taxes, and 15% for the cost of administration.

a. Consultant to Remain Fully Liable

The Consultant agrees to remain fully liable for full compliance with the insurance requirements in the Contract and shall require the same of all of its contractors, subcontractors, suppliers, consultants, and subconsultants at each tier. To the extent that there is any exclusion, deficiency, reduction, or gap in a policy which makes the insurance more restrictive than the coverage required, the Consultant agrees to remain responsible and obligated to make the Owner whole as if the Consultant and all of its contractors, subcontractors, suppliers, consultants, and subconsultants at each tier fully met the insurance requirements of the contract.

b. Owner's Right to Terminate, Modify, or Not Procure

Any insurance procured by the Owner is solely for the Owner's benefit and is not intended to replace or supplement any insurance coverage which otherwise would have been maintained by the Consultant or by any of its contractors, subcontractors, suppliers, consultants, or sub-consultants at each tier. Owner is not obligated to procure any insurance pursuant to these requirements and retains the right, at its sole discretion, to terminate or modify any such insurance which might be procured by the Owner pursuant to this Attachment.
