Company will pay the taxes, fees, or assessments reflected in a notice Company receives from the Authority within 30 Days after Company's receipt of that notice or within the time period prescribed in the tax bill. Authority will attempt to cause the taxing authority to send the applicable tax bills directly to Company and Company will remit payment directly to the taxing authority, in such instance. Company may reserve the right to contest such taxes, fees, or assessments and withhold payment upon written notice to Authority of its intent to do so, so long as the nonpayment does not result in a lien against the real property or any improvements thereon or a direct liability on the part of Authority.

7. OWNERSHIP OF DOCUMENTS

All documents, papers, letters, maps, books, tapes, photographs, films, sound recordings, software, or other material, regardless of the physical form or characteristics, made by Company or its Personnel or employees incident to, or in the course of, Services to Authority will be and remain the property of Authority.

8. QUALITY ASSURANCE

Company will be solely responsible for the quality of all Services furnished by Company, its Personnel, employees and/or its subcontractors under this Contract. All Services furnished by Company, its Personnel, employees and/or its subcontractors must be performed in accordance with industry standard, in a timely manner, and must be fit and suitable for the purposes intended by Authority. Company's Services and deliverables must conform with all applicable Federal and State laws, regulations and ordinances.

9. NON-EXCLUSIVE RIGHTS

Company acknowledges that Authority has hired, or may hire, others to perform Services similar to or the same as those within Company's Services under this Contract. Company further acknowledges that this Contract is not a guarantee of the assignment of any work and that the assignment of work to others is solely within Authority's discretion.

This Contract will not be construed to grant or authorize the granting of an exclusive right within the meaning of 49 USC 40103(e) or 49 USC 47107(a), as may be amended from time to time, and related regulations.

10. DEFAULT, REMEDIES, AND TERMINATION RIGHTS

10.1 Events of Default

The following events will be deemed events of default (each an Event of Default) by the Company:

- A. The failure or omission by Company to perform its obligations under this Contract or the breach of any terms, conditions and covenants required herein.
- B. The conduct of any business or performance of any acts at the Airport not specifically authorized in this Contract, failure to perform any of the provisions of this Contract or any other agreement between Authority and Company, and Company's failure to discontinue that business or those acts within ten (10) Days of receipt by Company of

Authority written notice to cease said business or acts.

- C. The divestiture of Company's estate herein by operation of law, by dissolution, or by liquidation, not including a merger or sale of assets.

- E. Company's violation of Florida Statute Section 287.133, concerning criminal activity on contracts with public entities.

10.2 Authority Remedies

In the event of any of the foregoing Events of Default enumerated in this Article, and following ten (10) Days notice by Authority and Company's failure to cure, Authority, at its election, may exercise any one or more of the following options or remedies, the exercise of any of which will not be deemed to preclude the exercise of any other remedy herein listed or otherwise provided by statute or general law:

- A. Terminate Company's rights under this Contract and, in accordance with law, Company will remain liable for all payments or other sums due under this Contract and for all damages suffered by Authority because of Company's breach of any of the covenants of this Contract; or
- B. Treat this Contract as remaining in existence, curing Company's default by performing or paying the obligation which Company has breached. - C. Declare this Contract to be terminated, ended, null and void.

No waiver by Authority at any time of any of the terms, conditions, covenants, or agreements of this Contract, or noncompliance therewith, will be deemed or taken as a waiver at any time thereafter of the same or any other term, condition, covenant, or agreement herein contained, nor of the strict and prompt performance thereof by Company. No notice by Authority will be required to restore or revive time is of the essence hereof after waiver by Authority or default in one or more instances. No option, right, power, remedy, or privilege of Authority will be construed as being exhausted or discharged by the exercise thereof in one or more instances. It is agreed that each and all of the rights, powers, options, or remedies given to Authority by this Contract are cumulative and that the exercise of one right, power, option, or remedy by Authority will not impair its rights to any other right, power, option, or remedy available under this Contract or

provided by law. No act or thing done by Authority or Authority agents or employees during the Term of this Contract will be deemed an acceptance of the surrender of this Contract, and no acceptance of surrender will be valid unless in writing.

10.3 Company's Remedies

Upon thirty (30) Days written notice to Authority, Company may terminate this Contract and all its obligations hereunder, if Company is not in default of any term, provision, or covenant of this Contract or in the payment of any fees or charges to Authority, and only upon or after the inability of Company to use the Airport for a period of longer than ninety (90) Days due to war, terrorism, or the issuance of any order, rule or regulation by a competent governmental authority or court having jurisdiction over Authority, provided, however, that such inability or such order, rule or regulation is not due to any fault or negligence of Company.

In the event it is determined by a court of competent jurisdiction that Authority has wrongfully terminated this Contract, such termination shall automatically be deemed a termination for convenience.

10.4 Continuing Responsibilities of Company

Notwithstanding the occurrence of any Event of Default, Company will remain liable to Authority for all payments payable hereunder and for all preceding breaches of this Contract. Furthermore, unless Authority elects to cancel this Contract, Company will remain liable for and promptly pay any and all payments accruing hereunder until termination of this Contract.

11. INDEMNIFICATION

A. To the maximum extent permitted by Florida law, in addition to the Company's obligation to provide pay for and maintain insurance as set forth elsewhere in this Contract, the Company will indemnify and hold harmless Authority, its members, officers, agents, employees, and volunteers from any and all liabilities, suits, claims, procedures, liens, expenses, losses, costs, royalties, fines and damages (including but not limited to claims for attorney's fees and dispute resolution costs) caused in whole or in part by the:

This indemnity obligation expressly applies, and shall be construed to include, any and all claim(s) caused in part by the negligence, acts or omissions of the Authority, its members, officers, agents, employees, or volunteers.

B. In addition to the duty to indemnify and hold harmless, Company will have the separate and independent duty to defend Authority, its members, officers, agents, employees, and volunteers from all suits, claims or actions of any nature seeking damages, equitable or injunctive relief expenses, liens, expenses, losses, costs, royalties, fines, attorney's fees or any other relief in the event the suit, claim, or action of any nature arises in whole or in part from the:

This duty to defend exists immediately upon presentation of written notice of a suit, claim or action of any nature to Company by a party entitled to a defense hereunder. This duty to defend obligation expressly applies, and shall be construed to include, any and all claim(s) caused in part by the negligence, acts or omissions of the Authority, its members, officers, agents, employees, or volunteers.

C. If the above indemnity or defense provisions or any part of the above indemnity or defense provisions are limited by Fla. Stat. § 725.06(2)-(3) or Fla. Stat. § 725.08, then with respect to the part so limited, Company agrees to the following: To the maximum extent permitted by Florida law, Company will indemnify and hold harmless Authority, its members, officers, agents, employees, and volunteers from any and all liabilities, damages, losses, and costs, including, but not limited to, reasonable attorneys' fee, to the extent caused by the negligence, recklessness, or

Otherwise, the obligations of this Article will not be limited by the amount of any insurance required to be obtained or maintained under this Contract.

This indemnification in this paragraph shall survive the termination of this Contract. Nothing contained in this paragraph is intended to nor shall it constitute a waiver of the State of Florida's and FDOT's sovereign immunity.

G. Nothing in this Article will be construed as a waiver of any immunity from or limitation of liability Authority, or its members, officers, agents, employees, and volunteers may have under the doctrine of sovereign immunity under common law or statute.

H. Authority and its members, officers, agents, employees, and volunteers reserve the right, at their option, to participate in the defense of any suit, without relieving Company of any of its obligations under this Article.

I. If the above Paragraphs A - H or any part of Paragraphs A – H are deemed to conflict in any way with any law, the Paragraph or part of the Paragraph will be considered modified by such law to remedy the conflict.

Approvals granted outside of the internal audit function for any Services included or not included in this Contract do not act as a waiver or limitation of the Auditor's right to perform engagements.

The Company will notify the Authority no later than seven (7) Days after receiving knowledge that it is subject to any other audit, inspection or attestation engagement related to this Contract and provide Authority a copy of any audit documents or reports so received.

Company agrees to comply with Section 20.055(5), Florida Statutes, and to incorporate in all

subcontracts the obligation to comply with Section 20.055(5), Florida Statutes. Authority Policy P412
Travel, Business Development and Working Meals Expenses

PURPOSE: To establish a policy governing the authorization, approval and allowability of travel, business development, and working meals expenses incurred by Board members, the Chief Executive Officer (CEO), and Authority employees when conducting business on behalf of the Authority.

LEGAL CONSIDERATION: Subject to the provisions of applicable Florida Statutes, the Hillsborough County Aviation Authority Act authorizes the Authority to reimburse Board members, the Chief Executive Officer, and all Authority employees for all travel expenses incurred while on business for the Authority. The Hillsborough County Aviation Authority Act also authorizes the Authority to “advertise, promote and encourage the use and expansion of facilities under its jurisdiction” and do all acts and things necessary and convenient for promotion of the business of the Authority. Pursuant to Policy, the Authority is allowed to incur business development expenses for meals, beverages and entertainment in order to highlight the numerous advantages and world class facilities of the Authority’s airport system and build relationships with airline executives, potential real estate partners, potential tenants and others.

POLICY:

General:

- A. All Authority travel, business development, and working meals expenses must provide benefit to the Authority. This Policy provides guidance covering key areas related to travel, business development, and working meals expenses. Additional guidance is provided in Authority Standard Procedure S412.01, Reconciliation and Reimbursement of Travel, Business Development, and Working Meals Expenses. All circumstances may not be specifically covered. In these instances, sound judgement should be used and reasonable documentation should be provided to support the circumstance and expense. Any exception to the practices outlined in this Policy will require written approval by the CEO or Executive Vice President (EVP) of Finance and Procurement and must be in compliance with applicable Florida Statutes.
- B. Employees may book their own flight and hotel reservations, or may utilize the Authority’s corporate travel agency. In an effort to find the most economical lodging rates and airfare, the use of third party companies such as Expedia.com, Hotels.com and Travelocity.com may be considered. Other resources such as AirBNB.com, VRBO.com and HomeAway.com may also be used if determined to be the most economical option.
- C. All reservations (hotel, flight, conference, etc.) shall be booked as far in advance as possible to take advantage of discounted rates.
- D. If the traveler elects to arrive earlier or stay later than reasonably necessary to conduct the required Authority business, the traveler will be responsible for payment of all additional

Exhibit F
Authority Policy P412

Travel, Business Development and Working Meals Expenses

expenses beyond those incurred for Authority business. Reasonably necessary is defined as arriving at the destination no more than 24 hours prior to engaging in Authority business or commencing the return trip within the next day of engaging in Authority business.

- E. Purchases for travel, business development, and working meals should be made using Authority Purchasing Cards (PCard) in accordance with Authority Standard Procedure S410.25, Purchasing Cards. As an alternative, personal credit cards may be used, however, the expense will not be reimbursed until after the trip or event has occurred. The reimbursement request must be submitted within 30 days of the completion of the trip or event.

- F. All individuals traveling on behalf of the Authority may personally retain any points or other benefits generated from Authority travel (i.e frequent flyer mileage or awards from hotel frequent guest programs). However, participation in these programs should not influence airline and hotel selection resulting in higher cost to the Authority.

Travel Expenses:

A. Travel Authorization and Approval:

- 1. Board members and Authority employees are authorized to attend training and/or conventions, conferences, board, and committee meetings of professional and/or trade organizations specific to their job requirements as well as other meetings, site visits, or events directly related to their position at the Authority. The CEO will approve the travel for those individuals reporting directly to the CEO. All other employee's travel will be approved by their EVP and/or appropriate level supervisor. Such approval must be made in advance of travel for all Authority employees under the Director level.

- 2. Approval of eligible travel expenses is obtained during the expense submittal process as outlined in Authority Standard Procedure S412.01, Reconciliation and Reimbursement of Travel, Business Development, and Working Meals Expenses.

- 3. The Authority expects employees to exercise sound prudent business practices when booking travel.

B. Travel by Air Carrier:

- 1. Travelers are required to use Coach/Economy cabin fares unless otherwise indicated within this Policy. Factors such as time and productivity of the traveler, cost of transportation, per diem/subsistence costs, cancellation fees, and any additional costs (such as baggage fees) should be considered when making reservations.

Authority Policy P412

2. If a Board member, the CEO, an EVP, or Vice President (VP) is scheduled to engage in Authority business within 24 hours of arriving at the destination, or commences the return trip within 24 hours of completing Authority business, he/she is permitted to book fares in business class or its equivalent. Business class or equivalent travel by other Authority employees must be approved in writing with justification in advance by the department EVP.
3. If the primary purpose of the trip is to visit a specific airline, it is acceptable to book a flight on that airline even if the airline does not offer the lowest fare available.
4. Miscellaneous airline fees including, but not limited to, seat reservation fees, early or preferred boarding, checked baggage fees, airline change fees, and in-flight internet expenses, are allowable if utilized for Authority purposes. Checked baggage fees will be limited to one checked bag, unless supported by adequate business justification.
5. In the event a flight must be changed for acceptable business reasons, applicable airline fees are allowable expenses under this Policy with adequate written justification.
6. In the event a flight is cancelled or delayed, the traveler may choose an alternate mode of transportation in accordance with this Policy.

C. Registration Fees:

The traveler is eligible to incur registration fees for meetings and conferences, as well as fees for attending events which are not included in the basic registration fee and that directly enhance the public purpose of the Authority's participation at the meeting or conference. Employee must provide business justification for attending the event.

D. Lodging:

Hotel or accommodation charges must be substantiated by an itemized receipt reflecting all charges for the entire stay. The traveler is expected to exercise his or her best judgment and reasonableness in the selection of lodging. The location of the hotel should be as convenient as possible to the place where the business of the Authority will be transacted and should be at the lowest appropriate rate.

Paid usage of hotel sponsored Wi-Fi or wired internet access is an authorized lodging expense.

Lodging expenses incurred within the Authority's Metropolitan Statistical Area (MSA) (as

Authority Policy P412

Travel, Business Development and Working Meals Expenses

defined by the United States Office of Management and Budget, to include Hernando, Hillsborough, Pasco and Pinellas Counties) are only authorized with adequate business justification and if approved in writing in advance by the CEO or the employee's EVP.

E. Meals (During Travel):

Meals within the continental United States will be reimbursed in accordance with the General Service Administration (GSA) meals rate in effect for the destination city on the date travel was initiated. If the destination is not included in the GSA destination guide, the GSA rate for the listed city that is closest to the destination city or county for the destination city will be used.

Meals for travel outside of the continental United States (including Hawaii, Alaska and Puerto Rico) will be reimbursed in accordance with the current rates as specified in the federal publication "Standardized Regulations (Government Civilians, Foreign Areas)".

For both domestic and international travel, the first and last day of travel are calculated at 75% of the rate in effect for the destination city. This excludes intermediate destinations on multi-city trips.

A traveler will not be reimbursed or receive per diem for meals included in a convention or conference registration unless reasonable written explanation is provided. A meal is considered to be any of the regular occasions in a day when a reasonably large amount of food is eaten, such as breakfast, lunch, or dinner. (Definition from Dictionary.com and Oxford University Press.) Continental breakfasts will not be considered a meal. Therefore, per diem will not be reduced for continental breakfasts. Additionally, per diem will not be reduced for meals provided by airlines.

Allowance for meals when travel is confined to the Authority's MSA is only authorized with adequate business justification and if approved in writing in advance by the CEO or the employee's EVP.

F. Ground Transportation:

Authorized ground transportation expenses include, but are not limited to, hired cars, trains, other fixed rail, shared ride services (such as Uber or Lyft), buses, and other modes of ground transportation required to enable the traveler to conduct Authority business. Travelers will use good judgement with regard to which mode of ground transportation is utilized, and tickets should be purchased in the most economical class of service available unless there is an adequate business justification and is approved in writing in advance by the CEO or employee's EVP.

Allowance for ground transportation within the Authority's MSA is only authorized with

I. Travel by Rental Vehicle:

Board members, the CEO, EVPs and VPs are authorized to rent a vehicle if necessary to conduct Authority business, without advance approval. Utilization of a rental vehicle by all other Authority employees must be approved in advance of travel in writing by the CEO or the employee's EVP or VP.

Rental vehicles will be mid-size or smaller, unless three or more travelers are sharing the vehicle. Travelers will select the rental vehicle refueling option anticipated to be the most economical for the Authority.

The State of Florida contract for rental cars should be consulted for discounted rates. The State of Florida contract provides rental vehicle services to Florida's government agencies. A website link to the Rental Rates and Rental Procedures to utilize the State contract are located on the Authority Intranet.

J. Travel by Personal Vehicle:

Prior to utilizing a personal vehicle to conduct Authority business, all employees must comply with Authority Standard Procedure S250.05, Motor Vehicle Use – Personal or Authority-Owned.

Except for travel within the State of Florida, utilization of a personal vehicle by all other Authority employees must be approved in advance of travel in writing by the employee's EVP or VP.

Mileage for authorized use of employee's personal vehicle will be at the Internal Revenue Service cents per mile rate in effect at the time of travel. Mileage reimbursement is calculated in accordance with Authority Standard Procedure S412.01, Reconciliation and Reimbursement of Travel, Business Development, and Working Meals Expenses.

Personal vehicles should not be used if the estimated mileage reimbursement is expected to exceed the cost of renting a car for the trip.

K. Travel by Third Parties Conducting Business on Behalf of the Authority:

Unless terms of travel are specified in their contracts, all consultants, design professionals, design-builders contractors, sub-consultants, and sub-contractors performing work for the Authority will be reimbursed for travel expenses in accordance with eligible cost elements as described above.

Business Development Expenses:

- A. Business development meal, beverage (including alcoholic), and other expenses may be incurred locally or while traveling. Business development activities require meeting with non-Authority personnel. Employees may be reimbursed for actual, reasonable, and appropriately documented expenses related to the business development activity.
- B. To qualify as business development, such an employee must (a) reasonably expect, and have as the primary motivation for the expenditure, that the Authority will derive revenue or another business benefit as a result of the business development activity; (b) incur the

- C. Alcoholic beverage expenses may only be incurred at business development events related to meetings including non-Authority personnel from organizations from which the Authority is reasonably expected to derive revenue or another business benefit.
- D. The employee must provide detailed itemized receipts for all business development expenses larger than \$25 and must include rationale and business benefit for the Authority.

Working Meals:

- A. Expenditures for meals during business meetings between Authority employees or between Authority employees and individuals from outside organizations are allowable only (a) when there is a valid business need to have the meeting during a meal time (i.e., schedules will not accommodate the meeting at other times); (b) during periods of extended overtime (i.e. irregular operations, working on the budget or another major project); or (c) periodic department meetings (not more than quarterly), full-day or half-day Authority-wide meetings, or Authority strategic planning sessions.
- B. Business meals between Authority subordinates and supervisors will be infrequent and will occur only when there is no other time during which the meeting can be scheduled.
