**HILLSBOROUGH COUNTY AVIATION AUTHORITY
USE AND PERMIT AGREEMENT FOR OFF-AIRPORT RENTAL CAR CONCESSION**

This Use and Permit Agreement for Off-Airport Rental Car Concession ("Agreement") is made and entered into this 2nd day of April, 2026 between the HILLSBOROUGH COUNTY AVIATION AUTHORITY, an independent special district under the laws of the State of Florida ("Authority"), and OC CAR RENTAL, INC., a corporation organized and existing under the laws of the State of Florida and authorized to conduct business in the State of Florida ("Company") (individually and collectively "Party or "Parties").

WITNESSETH:

WHEREAS, Authority owns and operates Tampa International Airport located in the County of Hillsborough, State of Florida ("Airport"); and

WHEREAS, the Legislature of the State of Florida has granted to Authority broad power to adopt regulations; enter into contracts including limited and exclusive agreements; lease property; fix and collect rates, fees, and other charges for the use of services or facilities furnished by the Airport or for the privilege of providing services to the Airport passengers; and to exercise and perform all powers and prerogatives conferred to it by Chapter 2022-252, Laws of Florida; and

WHEREAS, Authority finds the provision and regulation of ground transportation services to Airport passengers to be in the public interest and to be a part of, as well as essential to, operation of the Airport and aviation facilities owned by and under the jurisdiction of Authority; and

WHEREAS, Authority finds that businesses providing ground transportation services to Airport passengers derive a special economic benefit from Authority's ongoing Airport operation, such that it is reasonable to raise funds to support the continued and ongoing operations of Authority through fees and charges, or a combination thereof, imposed for the privilege of doing business with customers who use Airport or aviation facilities under Authority's jurisdiction; and

WHEREAS, Company operates a rental vehicle business located off-Airport property; and

WHEREAS, Company has filed with Authority a completed application requesting authorization for a permit to do business at the Airport, arranging access to the Airport, and providing transportation of Airport Customers to Company's off-airport location.

NOW, THEREFORE, for and in consideration of the use of the Airport in accordance with the Rules and Regulations, Policies, Standard Procedures and Operating Directives of Authority and terms and conditions stated herein, and in further consideration of the business benefits received by Company, and other good and

valuable considerations, Authority agrees to issue a permit to Company, and Company agrees to abide by all of the following terms and conditions.

2.01 After Action Review (AAR)

A systematic process for identifying the root causes of problems or events and an approach for responding to them. 3.03 Commencement of Fees and Other Charges

All fees and charges due hereunder shall commence on the Commencement Date and will continue for the Term of this Agreement unless this Agreement is terminated as provided herein.

3.04 Termination

This Agreement may be terminated by Authority, with or without cause, upon 30 Days' written notice to Company. This Agreement may be terminated by Company, with or without cause, if Company is not in default of any terms of this Agreement or in the payment of any rents, fees or other charges to Authority, upon 30 Days' written notice to Authority. In the event any such notice of termination is given, the termination of this Agreement will be effective 30 calendar Days from the date of the notice or such date set forth in the notice of termination if greater than 30 Days.

ARTICLE 4: USES, PRIVILEGES, AND RESTRICTIONS

4.01 Authorization

Company is authorized to do business at the Airport as an Off-Airport Rental Car Operator under the trade names OC Car Rental, Amobre Car Rental, Zezgo Rent A Car, Saferide Rent A Car, and Astralis Car Rental and to arrange for or operate Company's own Courtesy Vehicles on public roadways on Airport property by the route authorized by Authority to pick up and drop off Airport Customers, all in accordance with this Agreement and the Rules and Regulations and Operating Directives of Authority. All references to Company's operation at the Airport, whether in Company's printed materials or Company's own or others' reservation channels, shall note that Company is located off-Airport with transportation by Courtesy Vehicle.

Approval to operate any other trade names by Company pursuant to this Section 4.01 and/or Section 4.04 below will be in writing by the Authority's Vice President of Concessions and Commercial Parking or designee without the need for formal amendment to this Agreement.

4.02 Courtesy Vehicle Use

Company agrees it will provide pickup service only to its Airport Customers. Company's own Courtesy Vehicles are expressly prohibited from transporting customers and their guests for any reason other than to transport them to Company's off-airport facilities for the sole purpose of entering into a vehicle Rental

Agreement with Company. Company will at all times require its Courtesy Vehicles and drivers to comply with this Agreement and Authority's Rules and Regulations and Operating Directives.

4.03 Courtesy Vehicle Inspection

Every Courtesy Vehicle operating under this Agreement may at any time be subject to inspection and approval by Authority as to size, engine exhaust, radio communication, passenger access, registration, the vehicle operator's driver's license, license tag and Courtesy Vehicle permit, and other matters pertaining to the efficient, safe operation of the Courtesy Vehicle at the Airport.

4.04 Courtesy Vehicle Identification

Courtesy Vehicles will not be painted or display signs intended to solicit business on the Airport. Courtesy Vehicles will display the Courtesy Vehicle permit and will be identified by the names OC Car Rental, Aombre Car Rental, Zezgo Rent A Car, Saferide Rent A Car, and Astralis Car Rental or the logo of OC Car Rental, Zezgo Rent A Car, Saferide Rent A Car, and Astralis Car Rental, or both, and may include Company's telephone numbers, website, and address.

4.05 Disputes and Solicitation

Company will operate on the Airport in a safe and orderly fashion. Company will not allow its agents or employees to solicit business on the Airport in any way or fashion whatsoever. Company will not allow its agents or employees to engage in open or public disputes or conflicts tending to be incompatible with the best interests of the public at the Airport. Authority will have the right to resolve all such disputes or conflicts, and its determination concerning the manner in which Company will operate shall be binding upon Company.

4.06 Non-Exclusive Agreement

It is understood that this Agreement, and any right or privilege granted thereby, is non-exclusive and in no way establishes or vests in Company any priority use of the Airport relative to other commercial users of the Airport, nor does it restrict Authority from assigning exclusive or priority uses of Airport to others.

4.07 Agreement Limitations

This Agreement authorizes Company to pick up and discharge its Airport Customers at the Airport and to enjoy the benefits derived from the use of the Airport in the operation of Company's off-airport rental vehicle business. Company will not operate an office or conduct any other kind of vehicle rental operations, or any other business, on the Airport without approval of the Authority.

ARTICLE 5: FEES AND PAYMENTS

5.01 Privilege Fee

During the Term of this Agreement, Company will pay to Authority a fee for the privilege of using the Airport and the business Company derives therefrom ("Privilege Fee"). The Privilege Fee will be in the amount of nine percent (9%) of

Company's Gross Receipts, as that term is defined in this Article, payable monthly, and must be **received** by the Authority no later than ten (10) Days after the close of each calendar month, without offset or demand. The payment of the Privilege Fee is not a payment of rent, but is a payment excluded from the tax imposed by Florida Statute Section 212.02(10)(j).

5.02 Transportation Facility Charge (TFC)

Company acknowledges that Authority has implemented a TFC as set forth in Article 2.26 above. The TFC may be adjusted by the Board from time to time and Company will receive written notice from Authority 30 Days prior to any such adjustment. The TFC is payable in conjunction with the Privilege Fee monthly and must be **received** by the Authority no later than ten (10) Days after the close of each calendar month, without offset or demand.

5.03 Per-Trip Fee

Company acknowledges Authority has installed an Automatic Vehicle Identification (AVI) system which provides Authority the ability to charge Courtesy Vehicle Per-Trip Fees. Company agrees to abide by Authority's AVI procedures, as amended from time to time. During the Term of this Agreement, Company will pay to Authority, in addition to the Privilege Fee described in Article 5.01 above, a Per-Trip Fee each time a Courtesy Vehicle picks up an Airport Customer on Airport property.

During the Term of this Agreement, Company will pay to Authority a Per-Trip Fee of \$4.50. Per-Trips Fees may be adjusted from time to time by the Authority Board.

Authority must **receive** payment from Company within fifteen (15) Days from the date of invoice, the product of the following: (i) the number of trips conducted by Courtesy Vehicles in one (1) calendar month, and (ii) the Per-Trip Fee then in effect (hereinafter referred to as "the Monthly Fee"), without offset or demand.

5.04 Fees and Other Payments a Separate Covenant

Company will not for any reason withhold or reduce its required payments of fees and other charges provided in this Agreement, it being expressly understood and agreed by the Parties that the payment of fees and other charges is a covenant by Company that is independent of the other covenants of the Parties hereunder.

5.05 Payment Method and Statement Filing

Company will submit all payments of Privilege Fee and all other fees and charges by Automated Clearing House electronic transfers. Reports and statements required to be filed by this Agreement shall be delivered to Receivables@TampaAirport.com.

5.06 Form of Payment

All payments due under this Agreement shall be paid in lawful money of the United States of America. Authority may accept payment without prejudice to its right to

recover the balance of said amount due and to pursue any other remedies in this Agreement or otherwise.

5.07 Failure to Make Timely Payments

Without waiving any other right or action available to Authority, in the event Company is delinquent in the payment of fees or charges hereunder or rightly due and owing by an audit of Company's books and records as provided in the Authority Right to Perform Audits, Inspections, or Attestation Engagements Article below, and in the event Company is delinquent in paying to Authority any such fees or charges for a period of seven (7) Days after the payment is due, Authority reserves the right to charge Company a penalty of \$250 per day, for each day Company is late submitting payment.

In the event of a dispute as to the amount to be paid, Authority shall accept the sum tendered without prejudice and, if a deficiency is determined to exist, interest shall apply only to the deficiency.

The right of Authority to require payment of interest and the obligation of Company to pay same shall be in addition to and not in lieu of the right of Authority to enforce other provisions herein, including termination of this Agreement, and to pursue other remedies provided by law.

The failure of Authority to take action in the event of a delinquent payment or series of payments shall in no way waive the right of Authority to take action at a subsequent time. Authority expects all fees and charges to be paid on time, and Company agrees to pay on time.

Notwithstanding other provisions of this Agreement, and without limiting the other provisions of this Agreement concerning, among other things, events deemed to constitute default of Company, Authority may, in Authority reasonably exercised discretion, terminate this Agreement upon written notice to Company if (i) there are recurring instances in which Company's payments required hereunder are not timely or are insufficient to cover sums actually due and payable; or (ii) Company fails to maintain adequate records and accounts reflecting its business operations related to the Monthly Gross Receipts Statement and calculation of Gross Receipts under this Agreement; or (iii) Company fails or refuses to submit the formal supporting paperwork as required herein.

5.08 Place of Payments

Company will submit all fees, charges and billings required by this Agreement as designated in the Notices and Communications Article below.

5.09 Definition of Airport Gross Receipts

A. Amounts to be Included

As used herein, the term "Gross Receipts" will mean the total amount actually charged by Company to its Airport Customers transported by a Courtesy Vehicle for or in connection with the rental of a vehicle and any additional services or accessories contracted, delivered, or rented, as shown on the Rental Agreement, regardless of where, how (cash, credit, or barter) or by whom the payment is made or where the vehicle is returned. Unless revenues from Company's off-airport vehicle rental business are expressly and particularly excluded from Gross Receipts under this Agreement, such revenues shall be included in Gross Receipts. Revenues derived from sources similar but not identical to those described herein will also be included in Gross Receipts unless expressly excluded by this Agreement. Notwithstanding the above, it is presumed that a customer utilizing a Tour Voucher is an Airport Customer transported by a Courtesy Vehicle.

1. Gross Receipts will include, but are not limited to, time and mileage charges, liability damage waiver, collision damage waiver, personal accident insurance, any other insurance product, child restraints, drop charges, additional driver fees, underage or overage driver fees, global positioning system navigation devices, guaranteed reservations, toll transponder fees, any amounts billed and paid for fueling and refueling services by the customer named on the Rental Agreement as the driver of the vehicle, and all other transactions and charges of any nature, including fees, surcharges, and all other charges arising from or incidental to Company's off-airport vehicle rental business under this Agreement unless expressly excluded by this Agreement.

B. Amounts to be Excluded and Restrictions on Exclusion

The term "Gross Receipts" will not include:

1. The amounts of any federal, state, or municipal sales taxes separately stated on the Rental Agreement, collected from Airport Customers of Company, and that are payable directly to the taxing authority by Company. The \$2.00 per day Florida surcharge is also excludable. *No exclusion will be allowed for taxes levied on Company's activities, facilities, equipment, or real or personal property, payroll taxes, income taxes, taxes on frequent flyer miles paid directly to an airline, license or tag fees, or other charges that recoup operating costs.*
2. Any sums received by Company from Airport Customers or insurance carriers for damage to automobiles or to Company property, or for loss, conversion, or abandonment of such automobiles. This exclusion does not include any payments by Airport Customers or insurance companies (actual payment

amount(s)-not claim amount(s)) received by Company in lieu of rent for those vehicles.

3. Any sums received by reason of Company's disposal of capital assets or trade fixtures.
4. Any discounts separately stated on the Rental Agreement that are granted at the time the rental transaction commences and are recorded and reported in separately documented accounts from non-excludable discounts. Company forfeits exclusion of all discounts in the event otherwise allowable discounts are commingled with any non-excludable amounts. No exclusion will be allowed for any amount retained by a third party as a financing discount which may apply by reason of Company's acceptance of credit cards or other credit arrangements. *No exclusion will be allowed for the portion of retroactive rebates, dividends, or refunds to any Airport Customer upon attainment of a specified volume of rentals attributable to revenue or as part of any other marketing plan that does not list the discount on the Rental Agreement at the commencement of the rental transaction.*
5. Airport Customer satisfaction program adjustments applicable to revenues included in Gross Receipts that are subsequently refunded by Company and recorded and reported in a separately documented account from non-excludable adjustments. Company forfeits exclusion of all Airport Customer satisfaction program adjustments in the event otherwise allowable adjustments are commingled with any non-excludable amounts. Non-excludable adjustments are those that affect amounts already excludable from Gross Receipts since this would result in a duplicate deduction from Gross Receipts.

C. Losses

It is understood and agreed that all losses or charge-backs (including bad debt expenses) are to be borne solely by Company, and Authority is to be paid on Gross Receipts without charge or reduction for costs of losses. Loss of Use payments, as provided above in Article 5.09, by Airport Customers or insurance companies (actual payment amount(s)) received by Company in lieu of rent for those vehicles is considered to be included as Gross Receipts.

D. Presentation of Fees and Charges

Except as provided in the definition of Gross Receipts, all other fees or charges collected from the Airport Customer will be considered Gross Receipts and shall not be withheld from the percentage calculation. Company understands Authority does not support the practice of transferring Company's obligation for payment of the Privilege Fee due herein to its Airport Customers. Except as already referenced herein, Company agrees that if such additional charges or fees are

collected from the Airport Customer for the purpose of collecting the Privilege Fee due herein, such additional charges or fees will be disclosed to the Airport Customer at the time of vehicle rental and will be included in the calculation of Gross Receipts.

E. Exempt Airport Business

Authority recognizes that a portion of Company's business may be from non-Airport Customers. For ease of accounting to the Authority, Company may account for and report this non-airport business in **one** of two ways as follows:

1. It may be assumed that ninety-five percent (95%) of the business of Company is generated by Airport Customers. Using that assumption, Company may reduce its Gross Receipts, as defined above, by five percent (5%) in the calculation of the Privilege Fee payable to the Authority. In the event of unexpected circumstances, and with Authority approval, Company may declare a larger portion of its business as having been generated by other than Airport Customers by providing Authority with auditable proof in a format previously approved in writing by Authority.

OR

2. An approved format of auditable proof, such as that represented in Exhibit C, will be the completion of a questionnaire provided by Company wherein Company's Airport Customers will be asked on which airline the Airport Customer arrived and which type of transportation service was utilized to reach Company's location. Customer will not be considered an Airport Customer if: a) did not arrive at the Airport within 24 hours; and/or (b) did not use Company's Courtesy Vehicle for transportation to or from the Company's off-airport facilities. Such non-Airport Customer must sign a statement on the Rental Agreement that states, "Under penalty of perjury, I hereby certify that I did not use Tampa International Airport nor did I utilize a Courtesy Vehicle during the time I rented my vehicle". Notwithstanding the above, there is a presumption that a customer utilizing a Tour Voucher is an Airport Customer who utilized a Courtesy Vehicle. Any customer of Company not meeting the requirements stated above shall be considered an Airport Customer under the terms of this Agreement.

Company will select only one method of claiming and reporting exemptions as provided for above and such chosen method shall remain in place, without change, during the Term of this Agreement. Company will advise Authority in writing as to the selected method contemporaneously with the submission of Company's first monthly report under this Agreement.

5.10 Diversion of Gross Receipts

Company will not intentionally divert, through direct or indirect means, any of Company's vehicle rental or related business with Airport Customers to locations of Company or affiliates of Company without including the Gross Receipts of such transactions, as described in the definition of Gross Receipts, in Company's reported Gross Receipts. Any such intentional diversion of Gross Receipts will constitute a breach of this Agreement and Authority will have the right to immediately terminate this Agreement upon determination by Authority or its auditors that an intentional diversion exists or has occurred.

5.11 Misrepresentation

Company will not modify its accounting treatment or rename or redefine services or products that, under the terms of this Agreement, would be subject to the Privilege Fee.

5.12 Monthly Reports

Authority must **receive** from Company within ten (10) Days after the close of each calendar month during the Term of this Agreement, in a form with detail satisfactory to Authority, as shown on attached Exhibit A, a statement of Company's Gross Receipts that shows the following:

- A. Details of Gross Receipts for the prior calendar month;
- B. Separately identifies any exclusions from Gross Receipts as provided herein to calculate Gross Receipts upon which the Privilege Fee payments to Authority are computed;
- C. Lists the number of rental transactions, rental transaction days and average rental price occurring during the calendar month;
- D. Lists the number of rental transaction days and calculation of the TFC occurring during the calendar month; and
- E. Is signed by an authorized official of Company.

Exhibit A is required to be submitted in electronic format utilizing the Authority's portal system. In addition, each month Company will provide Authority with an electronic file that details monthly sales information by transaction number, as outlined in Exhibit B, "Monthly Detail Sales Information", attached hereto and by this reference made a part hereof. The monthly sales detail presented in Exhibit B must agree with the total amounts reported in Exhibit A. Exhibit B is required to be uploaded to the Authority's portal.

The Parties recognize that Authority will incur additional administrative costs if Company is late in providing all of the monthly information in the monthly statements and electronic file required by this Article, and the amount of those

costs is difficult to determine with certainty. Consequently, the Parties agree Company shall pay Authority, in addition to all other financial requirements of this Agreement, fifty dollars (\$50.00) per report for each Day Company is late in submitting all of the monthly information in the formats required by this Article. Said charge will continue until specific performance is accomplished and will not be offset against any other amount due Authority as detailed in this Agreement.

ARTICLE 6: RECORD KEEPING, REPORTS, ANNUAL AUDIT, AND END OF YEAR ADJUSTMENT

- 6.01 Generally Accepted Accounting Principles. Company shall prepare and maintain, in accordance with Generally Accepted Accounting Principles, complete and accurate books and records that include all financial transactions in the performance of this Agreement. Company shall maintain source documents sufficient to support its books, records, and reports. All monies related to this Agreement shall be deposited to and paid from a business bank account(s), the records for which shall be subject to review and audit in accordance with the provisions hereof.

Company will maintain records and controls pertaining to each Rental Agreement written at the Tampa off-Airport location. The Rental Agreement will be identified to indicate the Tampa off-Airport location as the originating location. All Rental Agreement forms used by Company in its Tampa off-Airport operation shall be sequentially numbered, in a numbering series exclusively for Company's Tampa off-Airport location. In the event the Company does not maintain exclusive sequential numbering for Rental Agreements commencing at the Tampa off-Airport location, the Company agrees to provide copies of Rental Agreements from other rental locations included in the nonexclusive sequence to Authority or its auditors for the purpose of testing reporting completeness. Accounting records of Company shall be stored sequentially, or in such other manner as approved by Authority, to provide reasonable and expeditious access for audit purposes hereunder. Company will allow the Authority or its auditors to view electronic queries of systematic reports to validate that all location activity is being properly reported.

Accounting for Tour Vouchers must specifically detail charges related to a reduced rental vehicle charge and related sales tax for the period of the tour from other services or additional days during the vehicle rental period.

- 6.02 Annual Audit. No later than ninety (90) Days after the end of each Agreement Year during the Term, Company shall, at its sole cost and expense, provide an annual certified statement or an annual audit report by an independent Certified Public Accountant, licensed in the State of Florida and acceptable to Authority, of Company's monthly Gross Receipts, Monthly Fees, and TFCs as defined herein for the subject Agreement Year, or part thereof (said annual audit report hereinafter referred to as Annual Report). The annual certified statement may be prepared by

the chief financial officer of the Company when payments to the Authority are less than thirty thousand dollars (\$30,000) annually. The Annual Report will be prepared by an independent certified public accountant, licensed in the State of Florida and acceptable to Authority, when payments to the Authority are more than thirty thousand dollars (\$30,000) annually. A \$100.00 per Day penalty may be assessed by Authority for every Day the Annual Report or annual certified statement is late.

If an annual certified statement is required, it should include a Schedule of Gross Receipts, exclusions, Privilege Fees due and paid, Per-Trip Fees and TFCs for each month of Company's operations under this Agreement, prepared in accordance with the comprehensive basis of accounting defined herein and reported in a format acceptable to Authority.

If an Annual Report is required, there may be no limitation on the scope of the examination that would preclude the auditor from expressing an unqualified opinion as to the correctness and completeness of the reported Gross Receipts. The audit will include a Schedule of Gross Receipts, exclusions, Privilege Fees due and paid, Per-Trip Fees and TFCs for each month of Company's operations in the subject Agreement Year, prepared in accordance with the comprehensive basis of accounting defined herein and reported in a format acceptable to Authority. The auditor will consider, in determining scope, the appropriateness of classification of car rental receipts for Rental Agreements being written at remote Airport or Company locations that fall within the definition of Gross Receipts. The engagement will be conducted in accordance with Generally Accepted Auditing Standards. In addition, the examination will also review compliance procedures to determine whether accounting records are being maintained in accordance with this Article. The auditor will report such procedures and findings in a separate letter to Authority. Any change in scope from that described above will be included in the Annual Report.

Authority reserves the right to challenge any findings or conclusions of the annual certified statement or the Annual Report if it believes an error may have occurred. In such event, Authority may conduct its own audit under the provisions in the Authority Right to Perform Audits, Inspections, or Attestation Engagement Article below, or may require production of the supporting documentation used to reach the finding or conclusion in question. The resolution by Authority of any dispute will be final. Delivery of an Annual Report containing a qualified opinion, or an adverse opinion, or a disclaimer of opinion as defined in the Statements on Auditing Standards, as may from time to time be amended or superseded, issued by the Auditing Standards Board of the American Institute of Certified Public Accountants, or any successor board or agency thereto, will be deemed a material breach of this Agreement.

If Company has paid to Authority an amount greater than Company is required to pay as Privilege Fee for an Agreement Year under the terms of this Agreement,

Company shall be entitled to a credit against Company's monthly payment of the Privilege Fee for the amount of the overpayment. If Company has paid less than the amount required to be paid as Privilege Fee for such Agreement Year, then Company shall pay the difference to Authority fifteen (15) Days from the date of invoice.

- 6.03 Form, Frequency, and Method of Reporting. Acceptance of monthly reports and payments by Authority does not constitute agreement by Authority with the amounts reported and paid. Authority reserves the right to change the form and frequency of reports and statements, including, but not limited to, Exhibit A, and to require the submission by Company of other statistics and information pertaining to the Gross Receipts hereunder. Company agrees to change the form of the required reports and statements as requested by Authority and to provide any additional statistics and information Authority may request.
- 6.04 Authority shall have the right at any time to require that reports be delivered electronically using technology and procedures designated by Authority. If Authority instructs Company to deliver any reports and statements required hereunder by computer, e-mail, website, or transmission, Authority shall not be obligated to furnish Company with the equipment or systems necessary to do so.

ARTICLE 7: AUTHORITY RIGHT TO PERFORM AUDITS, INSPECTIONS, OR ATTESTATION ENGAGEMENTS

- 7.01 Notwithstanding Company's requirement to submit the annual certified statement or Annual Report as set forth herein, at any time or times during the Term of this Agreement or within five (5) years after the end of this Agreement, the Authority, or any duly authorized representative of the Authority, have the right to initiate and perform audits, inspections, or attestation engagements. The Authority has the right to review all books, records, and contracts of Company and, where applicable, all individuals or other business entities who are Party to this Agreement, to substantiate the accuracy of reported Gross Receipts and Company's compliance with other provisions of this Agreement. This includes, but is not limited to, financial statements, general ledgers, sales journals, daily or periodic summary reports, inventory and purchasing records, cash register or computer terminal tapes or reports, bank deposit slips, bank statements, cancelled checks, tax reports/returns filed with State or Federal entities, discount or rebate/allowance contracts, records of refunds or voids, and joint venture or partnership contracts. Such right of examination shall include cooperation by Company personnel (including, but not limited to, cooperation in sending confirmations to Company's suppliers or others, assisting Auditors in obtaining from governmental entities official copies of tax reports/returns, and disclosing all bank or other accounts into which Gross Receipts are deposited) as reasonably considered necessary by Authority to complete the engagement. There may be no limitation in the scope of the engagement that would hinder Authority in testing the accuracy and completeness of the reported Gross Receipts. All such books,

records, and contracts shall be kept for a minimum period of five (5) years upon termination or expiration of this Agreement.

- 7.02 Engagements will be conducted at Tampa International Airport. If the records are kept at locations other than Tampa International Airport, Company will arrange for said records to be brought to a location convenient to Authority or will provide records electronically in a computer-readable format acceptable to the Authority at no additional cost to conduct the engagement as set forth in this Article. Company shall allow Authority to copy any records Authority determines to be necessary to conduct and support the engagement. Company shall not charge Authority for reasonable use of Company's photocopy machine while conducting the engagement, nor for any cost of retrieving, downloading to storage media and/or printing any records or transactions stored in electronic format. Company shall provide all records and retrievals requested within seven (7) Days of the request. The Parties recognize that Company will be in material breach of this Agreement if Company fails to provide requested records in accordance with this Section and Company will be responsible for the cost of the audit as determined by the Authority. Authority has the right during the engagement to interview the Company's employees, subconsultants, and subcontractors, and to retain copies of any and all records as needed to support auditor workpapers.
- 7.03 If as a result of any engagement it is determined that Company owes additional fees or charges to Authority, Company will pay such additional fees and charges and Authority may assess interest at the Federal Reserve Bank of New York (FRBNY) prime rate on the amount due from the date the amount was initially due. If it is established that Company underreported Gross Receipts or underpaid fees related to Gross Receipts by three percent (3%) or more for the period under review, the entire expense of the engagement may be billed to Company.
- 7.04 Any additional payments due shall be paid no later than Company's next payment of the monthly installment of the Privilege Fee to Authority. If as a result of any engagement it is established that Company has correctly reported or over reported Gross Receipts or has paid fees related to Gross Receipts equivalent to or greater than the sum due, Company shall be entitled to a credit against Company's next monthly installment of the Privilege Fee for the amount of the overpayment.
- 7.05 Approvals granted outside of the internal audit function of monthly reporting, Gross Receipts, or other compliance requirements included in this Agreement do not act as a waiver or limitation of the Authority's right to perform engagements.
- 7.06 The Company will notify the Authority no later than seven (7) Days after receiving knowledge of any findings or observations pertaining to this Agreement from any other audit, inspection or attestation engagement and will provide Authority a copy of any audit documents or reports so received.

- 7.07 Company agrees to comply with Section 20.055(5), Florida Statutes, and to incorporate in all subcontracts the obligation to comply with Section 20.055(5), Florida Statutes. Company will include a provision providing Authority the same access to business records at the subconsultant and subcontractor level in all of its subconsultant and subcontractor agreements executed related to this Agreement.

ARTICLE 8: DEFAULT AND TERMINATION RIGHTS

8.01 Events of Default

The following events will be deemed events of default (each an "Event of Default") by Company:

- A. The failure or omission by Company to perform its obligations under this Agreement or the breach of any terms, conditions or covenants required herein.
- B. Being in arrears in the payment of the whole or any part of the fees and charges agreed upon in this Agreement for a period of ten (10) Days after notice of such to Company.
- C. The conduct of any business or performance of any acts at the Airport not specifically authorized in this Agreement, the failure to perform any of the provisions of this Agreement, or any other agreement between Authority and Company, and Company's failure to discontinue that business or those acts within thirty (30) Days of receipt by Company of Authority's written notice to cease said business or acts (which 30-Day notice and cure period shall also satisfy the 30-Day notice requirement of the Authority Remedies Section below).
- D. The divestiture of Company's estate herein by operation of law, by dissolution, or by liquidation (not including a merger or sale of assets).
- E. The appointment of a trustee, custodian, or receiver of all or a substantial portion of Company's assets; or the insolvency of Company; or if Company will take the benefit of any present or future insolvency statute, will make a general assignment for the benefit of creditors, or will seek a reorganization or the readjustment of its indebtedness under any law or statute of the United States or of any state thereof, including the filing by Company of a voluntary petition of bankruptcy or the institution of proceedings against Company for the adjudication of Company as bankrupt pursuant thereto.
- F. Company's violation of Florida Statute Section 287.133 concerning criminal activity on agreements with public entities.

8.02 Authority's Remedies

In the event of any of the foregoing Events of Default of Company, and following thirty (30) Days' notice by Authority and Company's failure to cure, Authority, at its election, may exercise any one or more of the following option or remedies, the exercise of which will not be deemed to preclude the exercise of any other remedy herein listed or otherwise provided by statute or general law:

- A. Terminate Company's rights under this Agreement and, in accordance with applicable laws. Company will remain liable for all payments or other sums due under this Agreement and for all damages suffered by Authority because of Company's breach of any of the covenants of this Agreement; or
- B. Declare this Agreement to be terminated, ended, null and void.

No waiver by Authority at any time of any of the terms, conditions, covenants, or agreements of this Agreement, or noncompliance therewith, will be deemed or taken as a waiver at any time thereafter of the same or any other term, condition, covenant, or agreement herein contained, nor of the strict and prompt performance thereof by Company. No delay, failure, or omission of Authority to exercise any right, power, privilege, or option arising from any default nor subsequent acceptance of fees or charges then or thereafter accrued will impair any such right, power, privilege, or option, or be construed to be a waiver of any such default or relinquishment or acquiescence. No notice by Authority will be required to restore or revive time is of the essence hereof after waiver by Authority or default in one or more instances. No option, right, power, remedy, or privilege of Authority will be construed as being exhausted or discharged by the exercise thereof in one or more instances. It is agreed that each and all of the rights, powers, options, or remedies given to Authority by this Agreement are cumulative and that the exercise of one right, power, option, or remedy by Authority will not impair its rights to any other right, power, option, or remedy available under this Agreement or provided by law. No act or thing done by Authority or Authority agents or employees during the Term will be deemed an acceptance of the surrender of this Agreement, and no acceptance of surrender will be valid unless in writing.

8.03 Continuing Responsibilities of Company

Notwithstanding the occurrence of any Event of Default, Company will remain liable to Authority for all payments payable hereunder and for all preceding breaches of any covenant of this Agreement. Furthermore, unless Authority elects to cancel this Agreement, Company will remain liable for and promptly pay any and all payments accruing hereunder until termination of this Agreement as set forth in this Agreement.

- 8.04 Upon thirty (30) Days written notice to Authority, Company may terminate this Agreement and all of its obligations hereunder, if Company is not in default of any term, provision, or covenant of this Agreement or in the payment of any fees or charges to Authority, and only upon or after the inability of Company to use Airport

for a period of longer than ninety (90) consecutive Days due to war, terrorism, or the issuance of any order, rule or regulation by a competent governmental authority or court having jurisdiction over Authority, preventing Company from operating its business for a period of ninety (90) consecutive Days; provided, however, that such inability or such order, rule or regulation is not due to any fault or negligence of Company.

In the event it is determined by a court of competent jurisdiction that Authority has wrongfully terminated this Agreement, such termination shall automatically be deemed a termination for convenience.

8.05 Habitual Default

Notwithstanding the foregoing, in the event that the Company has defaulted three (3) times within one (1) Agreement Year in the performance of or breached any of the terms, covenants and conditions required of this Agreement, as determined solely by the Authority, and regardless of whether the Company has cured each individual condition of breach or default, the Company may be determined by the Authority to be a "habitual violator." At the time that such determination is made, the Authority will issue to the Company a written notice advising of such determination and citing the circumstances therefore. Such notice will also advise Company that there will be no further notice or grace periods to correct any subsequent breaches or defaults and that any subsequent breaches or defaults of whatever nature, taken together with all previous breaches and defaults, will be considered cumulative and collectively will constitute a condition of non-curable default and grounds for immediate termination of this Agreement. In the event of any such subsequent breach or default, the Authority may terminate this Agreement upon the giving of written notice of termination to the Company, such termination to be effective upon delivery of the notice to the Company.

ARTICLE 9: INDEMNIFICATION

by Company or Company's officers, employees, agents, volunteers, subcontractors, invitees, or any other person directly or indirectly employed or utilized by Company regardless of whether it is caused in part by Company, its members, officers, agents, employees, or volunteers. This duty to defend exists immediately upon presentation of written notice of a suit, claim or action of any nature to Company by a party entitled to a defense hereunder. This duty to defend obligation expressly applies, and shall be construed to include, any and all claims caused by the negligence, acts or omissions, of the Authority, its members, officers, agents, employees and volunteers.

- C. If the above indemnity or defense provisions or any part of the above indemnity or defense provisions are limited by Florida Statute §725.06(2)-(3) or Florida Statute §725.08, then with respect to the part so limited, Company agrees to the following: To the maximum extent permitted by Florida law, Company will indemnify and hold harmless Authority, its members, officers, agents, employees, and volunteers from any and all liabilities, damages losses, and costs, including, but not limited to, reasonable attorneys' fees, to the extent caused by the negligence, recklessness, or intentional wrongful conduct of Company and persons employed or utilized by Company in the performance of this Agreement.

This indemnification in this paragraph shall survive the termination of

this Agreement. Nothing contained in this paragraph is intended to nor shall it constitute a waiver of the State of Florida's and FDOT's sovereign immunity.

- G. Nothing in this Article will be construed as a waiver of any immunity from or limitation of liability Authority, or its members, officers, agents, employees, and volunteers may have under the doctrine of sovereign immunity under common law or statute.
- H. Authority and its members, officers, agents, employees, and volunteers reserve the right, at their option, to participate in the defense of any suit, without relieving Company of any of its obligations under this Article.

Once that occurs, the paper original version of this document will be destroyed.

ARTICLE 22: DATA SECURITY

Company represents and warrants that Company has not and will not prevent, or reasonably fail to allow, for any reason including without limitation late payment or otherwise, the Authority's access to and retrieval of Authority Data.

Company is obligated to maintain the confidentiality and security of all Authority Data in connection with the performance of its business. Company must implement strict access controls to ensure that only authorized personnel have access to Authority Data, including requirements for user authentication, role-based access control, and regular access reviews.

Without limiting Company's other obligations under this Agreement, Company must implement or use network management and maintenance applications and tools, appropriate fraud prevention and detection and encryption technologies to protect all Authority Data; provided that Company must, at a minimum, encrypt all PII in-transit, in use, and at-rest.

Company must encrypt all Authority Confidential Information. Company must encrypt the aforementioned in motion, at rest, and in use in a manner that, at a minimum, adheres to Authority's security policies, procedures, and other requirements. Company must not deviate from this encryption requirement without advance written Authority approval.

If Authority is required to provide or rectify information regarding an individual's PII, Company will reasonably cooperate with Authority to the full extent necessary to comply with data protection laws. If a request by a data subject is made directly to Company, Company will notify Authority of such request as soon as reasonably practicable. Company must implement procedures to minimize the collection of PII.

B. No Malware/Surreptitious Code

Company represents and warrants that it has not and will not introduce or cause to be introduced Malware or any code surreptitiously that isn't required for the primary purpose of its business in any Authority Information Technology environment at any time. Company will comply with all applicable data protection laws, including those that would apply if Company, rather than the Authority, were the owner or data controller of any Authority Data in its possession or under its control in connection with Company's operation at the Airport. Company will notify the Authority in writing within 24 (twenty-four) hours of any actual or suspected non-compliance with applicable data protection laws or any security incidents involving Authority Data.

D. Security Vulnerability Management

Company shall maintain a vulnerability management program to identify and remediate security vulnerabilities within computing systems. This includes regular testing and a record of System remediation. Toolsets used to identify vulnerabilities are maintained with up-to-date vulnerability signatures. Results of vulnerability testing are utilized to craft an annual penetration test of Systems and networks perceived as high risk, high value, or demonstrating a need for further scrutiny. All newly deployed Systems or Systems that have experienced a high level of change will be scanned for vulnerabilities prior to production. Highly orchestrated environments with appropriate change control may be exempt from pre-deployment scanning. Company shall conduct annual penetration testing of all Systems and networks identified as high risk, high value, or requiring additional scrutiny. Such tests will be performed by qualified third-party experts, and the findings shall be reported to the Authority upon request.

E. Notice to Authority

Company will adhere to and abide by the security measures and procedures established by Authority and any applicable regulatory entities including, but not limited to, the TSA, and any terms of service agreed to by Authority regarding data security. In the event Company or Company's subcontractor (if any) discovers or is notified of a Data Breach or potential Data Breach of security relating to Authority Data or third-party data, Company will promptly, (a) Notify Authority of such breach or potential Data Breach no later than twenty-four (24) hours following discovery; and (b) If the applicable Authority Data or third-party data was in the possession of Company at the time of such Data Breach or potential breach, Company will investigate and cure the Data Breach or potential breach.

Such notice must summarize in reasonable detail the nature of Authority Data that may have been exposed, and, if applicable, any persons whose PII may have been affected or exposed by such Data Breach. Company must not make any public announcements relating to such Data Breach without Authority's Vice President of Communications, Marketing, and Strategy prior written approval.

F. Data Breach Responsibilities

Upon discovery of an actual or reasonably suspected loss, or unauthorized use, access, or disclosure of Authority Data, Company agrees to fully cooperate with the Authority in investigation or response efforts related to the Data Breach, including providing access to relevant documentation, records, and resources as needed, to include:

1. investigating and resolving any data privacy or security issues;
2. upon request, providing Authority with an After Action Review (AAR) including root cause analysis of the Data Breach;
3. notifying any affected persons (solely at Authority's direction) and governmental regulators, as applicable;
4. recovering affected data or information, to the extent possible;
5. upon request, providing Authority with a corrective action plan acceptable to Authority; and
6. providing notice to impacted parties.

Authority has the sole right to determine (a) whether notice of the Data Breach is to be provided to any individuals, regulators, law enforcement agencies, consumer reporting agencies or others as required by law or regulation, or otherwise in Authority's discretion; and (b) the contents of such notice, whether any type of remediation may be offered to affected persons, and the nature and extent of any such remediation.

G. Incident Response Costs

In the event of a Data Breach attributable to an act or omission of Company, as part of such remediation, Company must pay all costs and expenses of Authority's compliance with any Authority notification obligations, as well as the costs of credit monitoring services for affected individuals.

H. Global Positioning System (GPS)

Company will list any dependency on GPS technology or GPS technology incorporated in Company's product or services.
