

TPA Community Notice

Impact Area: Runway 1L-19R (West Runway)
Date(s) of Impact: Tuesday – July 21st, 2026
Time of Impact: 8:00 am to 2:00 pm

Details: TPA's west runway (1L-19R) will be closed to allow for general preventive maintenance to be conducted.

Expected Impacts: During this closure, most aircraft will use the east runway (1R-19L), with the potential for increased use of the crosswind runway (10-28). Residents north and south of the east runway and west of the crosswind runway may notice increased aircraft activity. These temporary changes apply only during daytime hours and will return to normal once work is complete.

- The diagrams below highlight the **closed** runways in **red** and the ones remaining **open** during these closures in **green**
- Please note that timing may shift slightly depending on the weather and the pace of work

ANTICIPATED COMMUNITY IMPACTS

- South Tampa
- Rocky Point
- Carver City
- Town 'N' Country
