CONNECT WITH PREQUALIFIED PRIME SUBCONTRACTORS

Austin Commercial, the Design-Builder for the 8655 26 Ticket Level Expansion & Optimization Project, invites firms interested in teaming with prequalified Prime subcontractors to an outreach and networking session at Tampa International Airport.

Introduce your firm's capabilities, meet potential teaming partners, and learn about upcoming early procurement bid and trade packages. Eligible Small Business Enterprise (SBE) firms are encouraged to attend.

EARLY PROCUREMENT OPPORTUNITIES

- Demolition — Full project scope
- Concrete — Full project scope
- Steel & Miscellaneous Metals — Full project scope
- Utilities & Paving — Full project scope
- Mechanical & Plumbing — T1 drawing package scope
- Electrical & Communications — T1 drawing package scope

ABOUT THE PROJECT

The 8655 26 Ticket Level Expansion & Optimization Project will modernize the Main Terminal through expanded ticketing facilities, improved passenger circulation, technology integration, baggage system upgrades, and a more efficient travel experience.

SBE CERTIFICATION

Firms seeking SBE participation must be certified by an agency recognized by Tampa International Airport: City of Tampa (SLBE), Hillsborough County, Pinellas County, City of St. Petersburg, or Tampa International Airport.
