

ARTICLE 33
COMPANY TENANCY

The undersigned representative of Company hereby warrants and certifies to Authority that Company is an organization in good standing in its state of registration, that it is authorized to do business in the State, and that the undersigned officer is authorized and empowered to bind Company to the terms of this Agreement by his or her signature thereto.

ARTICLE 34
CONDEMNATION

If the whole or any part of the Company Premises is acquired by a condemning authority, either by sale in lieu of condemnation or by the exercise of the power of eminent domain, then in and as a result of that event, this Agreement will terminate from the date of sale or title vesting, and Company will have no claim whatsoever, including claims of apportionment, against Authority either for the value of any unexpired Term of this Agreement or for the value of leasehold improvements. However, nothing in this provision will limit or destroy any right of Company to separately claim moving costs or business loss solely against the condemning authority where statutes or other applicable law apply.

ARTICLE 35
SURRENDER OF COMPANY PREMISES

The Company will surrender up and deliver the Company Premises to Authority upon the conclusion of the Term or earlier termination of this Agreement in the condition as existed at the commencement of the Term, ordinary wear and tear excepted. Provided Company is not in default of this Agreement, Company will immediately remove all of its personal property from the Company Premises and common use areas at the conclusion of the Term. Failure of any part of Company to remove its personal property within ten (10) days after the date of termination will constitute a gratuitous transfer of title thereof to Authority for whatever disposition is deemed to be in the best interest of Authority. Any costs incurred by Authority in the disposition of such personal property will be borne by Company. If Company is in default of payment of any Rents, Authority will have a lien for such Rents upon any property found upon the Company Premises or common use areas in accordance with Florida Statutes and, in such event, Company will not remove any property from the Company Premises or common use areas without written approval of Authority.

ARTICLE 36
PERSONAL PROPERTY

Any personal property of Company or others placed in the Company Premises or common use areas will be at the sole risk of Company, and Authority will not be liable for any loss or damage thereto, irrespective of the cause of such loss or damage, and Company hereby waives all rights of subrogation against or

recovery from Authority for such loss or damage unless such damage or loss is the result of negligence or activity on the Company Premises or common use areas by Authority.

ARTICLE 37
APPLICABLE LAW AND VENUE

This Agreement will be construed in accordance with the laws of the State. Venue for any action brought pursuant to this Agreement will be in Hillsborough County, Florida, or in the Tampa Division of the U.S. District Court for the Middle District of Florida.

The Company hereby waives any claim against Authority and the Indemnified Parties for loss of anticipated profits caused by any suit or proceedings directly or indirectly attacking the validity of this Agreement or any part hereof, or by any judgment or award in any suit or proceeding declaring this Agreement null, void, or voidable, or delaying the same, or any part hereof, from being carried out.

ARTICLE 38
AUTHORITY APPROVALS

Except as otherwise indicated elsewhere in this Agreement, wherever in this Agreement approvals are required to be given or received by Authority, it is understood that the CEO, or a designee of the CEO, is hereby empowered to act on behalf of Authority.

ARTICLE 39
INVALIDITY OF CLAUSES

The invalidity of any part, portion, article, paragraph, provision, or clause of this Agreement will not have the effect of invalidating any other part, portion, article, paragraph, provision, or clause thereof, and the remainder of this Agreement will be valid and enforced to the fullest extent permitted by law.

ARTICLE 40
HEADINGS

The headings contained herein, including the Table of Contents, are for convenience in reference and are not intended to define or limit the scope of any provisions of this Agreement. If for any reason there is a conflict between content and headings, the content will control.

ARTICLE 42

SUBORDINATION TO TRUST AGREEMENT

- A. This Agreement and all rights of Company hereunder are expressly subordinate and subject to the lien and provisions of any pledge, transfer, hypothecation, or assignment made at any time by Authority to secure financing. This Agreement is subject and subordinate to the terms, covenants, and conditions of the Trust Agreement and other financing documents made by Authority authorizing the issuance of Bonds, subordinated indebtedness or other indebtedness by Authority. Conflicts between this Agreement and the documents mentioned above will be resolved in favor of such documents.
- B. The Authority shall notify Company in advance of any proposed amendments or supplements to the Trust Agreement and other financing documents that would alter the terms and provisions of this Agreement.

- C. With respect to Bonds, subordinated indebtedness and other indebtedness that may be issued in the future, the interest on which is intended to be excludable from gross income of the holders of such Bonds, subordinated indebtedness and other indebtedness for Federal income tax purposes under the Internal Revenue Code of 1986, as amended (the “**Code**”) (collectively, “**Tax-Exempt Indebtedness**”), Company may not act, or fail to act (and will immediately cease and desist from any action, or failure to act), with respect to the use of the Company Premises, if the act or failure to act may cause, in the sole judgment of Authority, Authority to be in noncompliance with the provisions of the Code, nor may Company take, or persist in, any action or omission which may cause the interest on the Tax-Exempt Indebtedness either (i) not to be excludable from the gross income of the holders thereof for Federal income tax purposes; or (ii) to the extent such obligations were issued as exempt from the alternative minimum tax (the “**AMT**”), to become subject to the AMT for Federal income tax purposes, and Company may not elect to take depreciation on any portion of the Company Premises financed with the proceeds of such Tax-Exempt Indebtedness.

ARTICLE 43

FEDERAL RIGHT TO RECLAIM

In the event a United States governmental agency demands and takes over the entire facilities of the Airport or the portion thereof wherein the Company Premises are located, for war or national emergency, for a period in excess of ninety (90) consecutive days, then this Agreement will terminate and Authority will be released and fully discharged from any and all liability hereunder. In the event of this termination, Company's obligation to pay Rents will cease; however, nothing herein will be construed as relieving either party from any of its liabilities relating to events or claims of any kind whatsoever prior to this termination.

ARTICLE 44

RADON GAS AND OTHER PROPERTY CONDITION NOTIFICATIONS

44.01 RADON GAS: In accordance with requirements of the State, the following notification statement will be included in all agreements relating to rental of real property. This is provided for information purposes only.

Radon is a naturally occurring radioactive gas that, when it has accumulated in a building in sufficient quantities, may present health risks to persons who are exposed to it over time. Levels of radon that exceed federal and state guidelines have been found in buildings in Florida. Additional information regarding radon and radon testing may be obtained from your county health department.

44.02 OTHER PROPERTY CONDITIONS: Areas of Authority property are impacted by the past release of pollutants that are regulated by FDEP. This is the result of historical airport operations, commercial and industrial activities that occurred prior to property acquisition, or naturally-occurring conditions. FDEP manages the State's site restoration program. FDEP requires site restoration to be commensurate with land use, public health and the environment. These provisions allow low levels of contaminants to remain in place and run with the land subject to the implementation of required controls including but not limited to property use restrictions, activity and use limitations, institutional controls, or engineering controls. At the Airport, Authority worked with FDEP to develop Soil and Groundwater Use Regulations that memorialize these controls. The Soil Use Regulation provides a process for Authority to review and approve in advance all plans for soil excavation or disturbance. The Groundwater Use Regulation restricts drilling for water and requires that buildings used for human occupancy be piped to the public water system. Although the Soil and Groundwater Use Regulations apply to the Airport, the same protections and standards are generally applied at all Authority property including the general aviation airports.

As restoration projects are completed on Authority property, documents and maps are submitted to FDEP. FDEP maintains this information in an information repository that provides a self-service portal called Map Direct that allows map viewing and document download. Areas of Authority property that are undergoing a site restoration project, or have achieved a closed status, can be viewed in Map Direct. The Soil and Groundwater Use Regulations, and links to State radon protection maps and other property condition maps are posted on Authority website at www.TampaAirport.com > Learn about TPA > Airport Business > Other Business Links – Radon Gas and Other Property Conditions.

ARTICLE 45

RELATIONSHIP OF THE PARTIES

The Company is and will be deemed to be an independent contractor and operator responsible for its acts or omissions, and Authority will in no way be responsible therefor.

Exhibit B

Federal Aviation Administration Required Provisions

- A. Civil Rights – General. Authority and Company shall comply with pertinent statutes, Executive Orders and such rules as are promulgated to ensure that no person shall, on the grounds of race, creed, color, national origin, sex, age, or disability be excluded from participating in any activity conducted with or benefiting from Federal assistance. If Company transfers its obligation to another, the transferee is obligated in the same manner as the Company.

This provision obligates Company for the period during which any property at the Airport is owned, used or possessed by Company and the Airport remains obligated to the Federal Aviation Administration. This provision is in addition to that required by Title VI of the Civil Rights Act of 1964.

- B. Civil Rights – Title VI Assurances – Compliance With Nondiscrimination Requirements.
1. Compliance with Regulations: Company while operating at the Airport (hereinafter includes consultants) will comply with the Title VI List of Pertinent Nondiscrimination Acts and Authorities, as they may be amended from time to time, which are herein incorporated by reference and made a part of this Agreement.
 2. Non-discrimination: Company, with regard to the work performed by it during the period it operates at the Airport, will not discriminate on the grounds of race, color, or national origin in the selection and retention of subcontractors, including procurements of materials and leases of equipment. Company will not participate directly or indirectly in the discrimination prohibited by the Nondiscrimination Acts and Authorities, including employment practices when this Agreement covers any activity, project, or program set forth in Appendix B of 49 CFR Part 21.
 3. Solicitations for Subcontracts, including Procurements of Materials and Equipment: In all solicitations, either by competitive bidding or negotiation made by Company for work to be performed under a subcontract, including procurements of materials, or leases of equipment, each potential subcontractor or supplier will be notified by Company of Company's obligations under this provision and the Nondiscrimination Acts and Authorities on the grounds of race, color, or national origin.
 4. Information and Reports: Company will provide all information and reports required by the Acts, the Regulations, and directives issued pursuant thereto and will permit access to its books, records, accounts, other sources of information, and its facilities as may be determined by Authority or the Federal Aviation Administration to be pertinent to ascertain

compliance with such Nondiscrimination Acts and Authorities and instructions. Where any information required of Company is in the exclusive possession of another who fails or refuses to furnish the information, Company will so certify to Authority or the Federal Aviation Administration, as appropriate, and will set forth what efforts it has made to obtain the information.

5. Sanctions for Noncompliance: In the event of Company's noncompliance with the non-discrimination provisions of this Agreement, Authority will impose such sanctions as it or the Federal Aviation Administration may determine to be appropriate, including, but not limited to:
 - a. Withholding payments to Company under this Agreement until Company complies; and/or
 - b. Cancelling, terminating, or suspending the Company's rights under this Agreement, in whole or in part.
6. Incorporation of Provisions: Company must include the provisions of paragraphs one through six in every subcontract, including procurements of materials and leases of equipment, unless exempt by the Acts, the Regulations, and directives issued pursuant thereto. Company will take action with respect to any subcontract or procurement as Authority or the Federal Aviation Administration may direct as a means of enforcing such provisions including sanctions for noncompliance. Provided, that if Company becomes involved in, or is threatened with, litigation by a subcontractor or supplier because of such direction, Company may request Authority to enter into any litigation to protect the interests of the Authority. In addition, Company may request the United States to enter into the litigation to protect the interests of the United States.

C. Civil Rights – Title VI Clauses for Use/Access to Real Property.

1. Company for itself, its heirs, personal representatives, successors in interest, and assigns, as a part of the consideration hereof, does hereby covenant and agree that (1) no person on the ground of race, color, or national origin, will be excluded from participation in, denied the benefits of, or be otherwise subjected to discrimination in the use of the Airport, (2) that in the construction of any improvements on, over, or under such land, and the furnishing of services thereon, no person on the ground of race, color, or national origin, will be excluded from participation in, denied the benefits of, or otherwise be subjected to discrimination, (3) that Company will use the Premises in compliance with all other

requirements imposed by or pursuant to the Title VI List of Pertinent Nondiscrimination Acts and Authorities in Paragraph D below.

2. In the event of breach of any of the above nondiscrimination covenants, Authority will have the right to terminate Company's rights under this Agreement and to enter or re-enter and repossess said land and the facilities thereon, and hold the same as if said Agreement had never been made or issued.

D. Title VI List of Pertinent Nondiscrimination Acts and Authorities. During the performance of this Agreement, Company, for itself, its assignees, and successors in interest, agrees to comply with the following non-discrimination statutes and authorities; including but not limited to:

8. Titles II and III of the Americans with Disabilities Act of 1990, which prohibit discrimination on the basis of disability in the operation of public entities, public and private transportation
