3. Selection of Firm to Provide Direct Placement Financing, Tampa International Airport, Resolution No. 2016-123

I. Background:

As part of the Authority financial planning program, outstanding bonds are reviewed on an on-going basis as they become eligible for refunding. This review includes an analysis of potential savings by refinancing the debt at lower interest rates and also evaluates which methods of refunding would be most beneficial to the Authority. The Authority outstanding 2008B Bonds are currently eligible for refunding. Under current market conditions, there are financial advantages to selling the new bonds required for this refunding through a direct placement with a financial institution, meaning the entire series of bonds will be placed directly with the selected institution. This approach has become more popular in recent years with many banks having been aggressive purchasers of such bonds typically with principal amounts of approximately $50 million or less with maturities of ten years or less. The Authority 2008B Bonds, currently outstanding in the amount of $16,725,000, fit into these categories.

II. Proposal:

On October 7, 2016, a request for proposals was issued for Direct Placement Financing at Tampa International Airport. The request for proposals invited banks to submit proposals to provide a direct placement to refund the 2008B Bonds.

Ten responses were received and evaluated by staff. The firms are listed below in order of technical ranking:

1. TD Bank, N.A.
2. Regions Bank
3. BankUnited, N.A.
4. Wells Fargo Bank, N.A.
5. Bank of America, N.A.
6. JPMorgan Chase Bank, N.A.
7. BMO Harris Bank, N.A.
8. Florida Community Bank, N.A.
9. STI Institutional & Government, Inc.
10. Citibank, N.A.
K3 (Continued)

No specific expectancy for W/MBE participation was established.

III. Funding:

N/A

IV. Recommendation:

The Chief Executive Officer recommends ranking the firms in the order listed above and award to the top ranked firm, with staff authorized to negotiate the terms and conditions of the direct placement financing with the highest ranked firm. If staff is unable to negotiate acceptable terms and conditions with the top ranked firm, they are authorized to negotiate with the next highest ranked firm and so on through the rankings until the direct placement financing terms and conditions are agreed to by staff.

V. Resolution:

Resolution No. 2016-123 authorizes the issuance of Hillsborough County Aviation Authority Tampa International Airport Revenue Refunding Bond, 2016 Series A (Non-AMT), in the principal amount of not to exceed $16,425,000, for the purpose of refunding all of the Authority’s Tampa International Airport Revenue Bonds, 2008 Series B (Non-AMT); approves the form of a 2016A Supplemental Trust Agreement with respect to such 2016 Bond and approves certain amendments to the Trust Agreement as provided therein; delegates to staff the authority to award the sale of such 2016 Bond to TD Bank, N.A. subject to successful negotiation, or to negotiate and award the sale of the Bond to the next highest ranked bidder if agreement cannot be reached, and approves the conditions of such sale; designates the registrar, paying agent and authenticating agent for such 2016 Bond; approves the form and authorizes the execution and delivery of an Escrow Deposit Agreement and designates the Bank of New York Mellon, New York, New York, as escrow agent thereunder; provides certain findings with respect to the foregoing; provides certain other details with respect thereto; and provides an effective date.
