### SECURITY FOR PAYMENT

- 18.01 Payment Security Requirements.
- A. Unless the Airline has maintained an agreement similar to this Agreement with the Authority during the eighteen (18) months prior to the Effective Date without the occurrence of any failure to pay within sixty (60) days or more of the due date under such prior agreement, the Airline will provide the Authority on or before the Effective Date with acceptable Payment Security. The Airline will be obligated to maintain such Payment Security in effect until the expiration of eighteen (18) consecutive months during which the Airline commits no default under this Agreement. Such Payment Security will be in a form and with a company acceptable to the Authority and licensed to do business in the State. In the event that any such Payment Security is for a period less than the full period required under this Agreement or if such Payment Security is canceled, the Airline will provide a renewal or replacement Payment Security for the remaining required period at least sixty (60) days prior to the date of such expiration or cancellation. Such Payment Security will require notice by the surety to Authority at least sixty (60) days prior to any cancellation. If such renewal or replacement Payment Security is not provided within thirty days prior to

cancellation, the Authority may draw upon such Payment Security and hold such funds as Payment Security hereunder.

- B. In the event the Authority is required to draw down or collect against the Airline's Payment Security for any reason, the Airline will, within fifteen (15) days after such draw down or collection, take such action as is necessary to replenish the existing Payment Security to an amount equal to three (3) months' estimated Rents or provide additional or supplemental Payment Security from another source so that the aggregate of all Payment Security is equal to three (3) months' estimated Rents payable by the Airline pursuant to this Agreement.
  - C. In addition to the foregoing, upon the occurrence of any act or omission by the Airline that would constitute an Event of Default under this Agreement, or upon the Airline's election to assume this Agreement under Federal Bankruptcy Rules and Regulations, as such may be amended, supplemented, or replaced, the Authority, by written notice to the Airline given at any time within ninety (90) days of the date such event becomes known to the Authority, may impose or re-impose the requirements of this Article upon the Airline. In such event, the Airline will provide the Authority with the required Payment Security within fifteen (15) days from its receipt of such written notice and will thereafter maintain such Payment Security in effect until the expiration of a period of eighteen (18) consecutive months during which the Airline commits no additional act or omission that would constitute a default under in this Agreement or the termination of bankruptcy proceedings, whichever is later.
  - D. If the Airline fails to obtain and keep in force the Payment Security required hereunder, such failure will be grounds for immediate termination of this Agreement. The Authority's rights under this Article will be in addition to all other rights and remedies provided to the Authority under this Agreement.
- 18.02 Satisfactory Performance. Subject to the provisions of the Payment Security Requirements Section above, the Payment Security will be returned within ninety (90) days following the expiration of the Term of this Agreement, subject to the satisfactory performance by the Airline of all terms, conditions, and covenants contained herein.

In the event the Authority elects not to repair, replace, and reconstruct the Airline Premises, the Authority will not be required to grant alternative premises and this Agreement and the obligations of the Parties hereunder will terminate.
- 19.04 Abatement of Rents. In the event of extensive damage or complete destruction as referenced in Sections 19.02 and 19.03, the portion of the Rents attributable to untenable Airline Premises will abate from the date of casualty until such time as the Authority issues notice to the Airline that the untenable portion of the Airline Premises can be re-occupied. Notwithstanding the foregoing, in the event the Airline Premises are damaged or destroyed as a result of the act or omission of the Airline, including negligence, the Airline's Rents will not abate, and the Airline will be responsible for all costs to repair or rebuild that portion of the Airline Premises damaged or destroyed as a result of the Airline's act or omission.

Redecoration, replacement, and refurbishment of furniture, fixtures, equipment, and supplies will be the responsibility of and paid for by the Airline, and any such redecoration, replacement, and refurbishing or re-equipping will be of equivalent quality to that originally installed hereunder. The Authority will not be responsible to the Airline for any claims related to loss of use, loss of profits, or loss of business resulting from any partial, extensive, or complete destruction of the Airline Premises regardless of cause of damage.

- A. Airline is knowledgeable of and agrees to comply with all applicable Environmental Laws that apply to Airline's facilities or operations at its Airline Premises or the Airport. The Airline acknowledges that such Environmental Laws change from time to time, and the Airline agrees to keep informed of any such future changes.
- B. In addition to any and all other requirements of the Airline to indemnify and hold Authority harmless contained in this Agreement, to the maximum extent permitted by State law, the Airline agrees to indemnify and defend and hold harmless the Authority and all other Indemnified Parties from all costs, claims, demands, actions, liabilities, complaints, fines, citations, violations, or notices of violation arising from or attributable to: (i) any violation by the Airline or any of its Airline Parties of such applicable Environmental Laws and for any non-compliance by the Airline or any of its Airline Parties with any permits issued to the Airline pursuant to such Environmental Laws, (ii) a presence or release of Hazardous Substances into the environment caused in whole or in part by the Airline or any of its Airline Parties at its Airline Premises or the Airport, or the subsurface, waters, air, or ground thereof, in excess of levels allowable by Environmental Laws, or the violation of any Environmental Laws due to the Airline's or its Airline Parties' management, control,

authorization, handling, possession, or use of Hazardous Substances at its Airline Premises or elsewhere at the Airport; (iii) any breach by the Airline of any of the requirements of this Article 22; (iv) the Airline's remediation or failure to remediate Hazardous Substances as required by this Agreement; which indemnity will include, but not be limited to, enforcement actions to assess, abate, remediate, undertake corrective measures, and monitor environmental conditions and for any monetary penalties, costs, expenses, or damages, including natural resource damages, imposed against the Airline or its Airline Parties or against the Authority by reason of the Airline's or its Airline Parties' violation or non-compliance with Environmental Laws. The Airline's obligations hereunder will survive the termination of the Term of this Agreement, and will not be affected in any way by the amount of or the absence in any case of covering insurance or by the failure or refusal of any insurance carrier to perform any obligation on its part under insurance policies affecting the Airport or any part thereof, except that, in the event that the Authority recovers funds from insurance carriers in connection with claims associated with (i), (ii), (iii) or (iv) above, the Authority may not recover the same funds from the Airline; and provided, further, that the foregoing indemnity obligations are subject to the provisions of paragraphs (C) and (D) of Article 16 to the extent applicable.

- C. The Airline agrees to cooperate with any investigation, audit, or inquiry by the Authority or any Governmental Authority regarding possible violation of any Environmental Law upon the Airline Premises or elsewhere at the Airport.

Any violation or notice of violation or non-compliance with an Environmental Law that the Airline fails to rectify within the cure period established in the "Default and Termination" Article of this Agreement will be deemed an Event of Default under this Agreement.
- F. In entering this Agreement, the Authority expressly relies on the covenants, representations, and warranties of the Airline as stated herein.

22.02 Environmental Considerations.

- A. The Airline and its Airline Parties will not discharge or spill any Hazardous Substance into any component of the storm drainage system or onto any paved or unpaved area within the boundaries of the Airline Premises. In addition, neither the Airline nor any Airline Party will discharge or spill any Hazardous Substance into any component of the sanitary sewer system without first neutralizing or treating same as required by applicable anti-pollution laws or ordinances, in a manner satisfactory to the Authority and other Governmental Authorities having jurisdiction over or responsibility for the prevention of pollution of canals, streams, rivers, bays, and other bodies of water. The Airline's discharge, spill or introduction of any Hazardous Substance onto the Airline Premises or into any component of the Authority's sanitary or storm drainage systems will, if not remedied by the Airline with all due dispatch, at the sole discretion of the Authority, be deemed an Event of Default and cause for termination of this Agreement by Authority, subject to notice and cure. Such termination will not relieve the Airline of or from liability for such discharge or spill.
- B. If the Airline is deemed to be a generator of hazardous waste, as defined by Applicable Laws, the Airline will obtain a generator identification number from the U.S. EPA and the appropriate generator permit and will comply with all Applicable Laws, including but not limited to, ensuring that the transportation, storage, handling, and disposal of such hazardous wastes are conducted in full compliance with Applicable Laws.
- C. The Airline agrees to provide the Authority, within ten (10) days after the Authority's request, copies of all hazardous waste permit application documentation, permits, monitoring reports, transportation, responses, storage and disposal plans, safety data sheets and waste disposal manifests prepared or issued in connection with the Airline's use of the Airline Premises or operations at the Airport.

22.03 Prior Environmental Impacts. Nothing in this Article will be construed to make the Airline liable in any way for any environmental impacts or release of Hazardous Substances affecting the Airline Premises that occurred prior to the Airline's entry upon the Airline Premises or that occurred as a result of the actions of the Authority or any of its employees, agents, or contractors.

22.04 Off-Site Environmental Impacts. Nothing in this Article will be construed to make the Airline liable in any way for any environmental impacts or release of Hazardous Substances affecting the Airline Premises that occurs by reason of the migration or flow to the Airline Premises from verifiable or documented off-site environmental impacts that is not attributable to the Airline's activities at the Airline Premises.

22.05 Petroleum Storage Systems.

- A. At the Airline's expense, the Airline will at all times comply with all Environmental Laws, including but not limited to, the regulations of the FDEP as stated in Chapters 62-761 and 62-762, FAC, the requirements of the Federal Oil Pollution Prevention regulation found in Title 40 of the Code of Federal Regulations Part 112 (40 CFR Part 112), as well as the requirements of the EPC, as may be amended or replaced, pertaining to petroleum storage tank and piping system construction, operation, inspection, and compliance monitoring programs; release detection methods and procedures; maintenance; and preventative maintenance programs. The Airline will be responsible for all spillage, overflow, or escape of gases, petroleum or petroleum products, and for all fines and penalties in connection therewith. All petroleum storage systems will be registered by the Airline, and the Airline will display the registration placard as required by law.
- B. The Airline will train its employees and employees of fuel suppliers on proper fuel delivery and dispensing procedures with an emphasis on safety as well as on spill prevention and response. All fuel delivered to or dispensed from fuel farm facilities will be attended by a person who has completed an FAA-approved aircraft fueling training program. As a result, the Airline will prepare and implement a Spill Prevention Control and Countermeasure plan as applicable. Notification and response related to the spill or release of petroleum products will be in compliance with FDEP regulations as well as EPC's requirements.
- C. The Airline will strictly comply with safety and fire prevention ordinances of the City of Tampa and Hillsborough County and all applicable safety regulations at the Airline Premises that may be adopted by the Authority. The Airline will provide adequate fire extinguishers and will establish a fuel dispensing operations manual for its employees and submit a copy to the Authority.
- D. The Airline is responsible for all costs and expenses that may be incurred as a result of compliance with this Article.

22.06 Stormwater. Notwithstanding any other provisions or terms of this Agreement, the Airline acknowledges that certain properties within the Airline Premises or on Authority-owned land are subject to stormwater rules and regulations. The Airline agrees to observe and abide by such stormwater rules and regulations as may be applicable to the Airline Premises or the Airport, and, if applicable, the Airline hereby expressly covenants, warrants, and represents to the Authority, in connection with the Airline's operations on the Airline Premises, the following:

- A. The Airline is required to submit a Notice of Intent to use the State of Florida Multi-Sector Generic Permit for Stormwater Discharge Associated with Industrial Activity. The Authority and the Airline both acknowledge that close cooperation is necessary to ensure compliance with any applicable stormwater discharge permit terms and conditions, as well as to ensure safety and to minimize the cost of compliance. The Airline acknowledges further that it may be necessary to undertake actions to minimize the exposure of stormwater to "significant materials" (as such term may be defined by applicable stormwater rules and regulations) generated, stored, handled, or otherwise used by the Airline by implementing and maintaining BMPs. The Airline will establish a BMP plan for the Airline Premises and submit a copy to the Authority.
- B. The Airline will be knowledgeable of any stormwater discharge permit requirements applicable to the Airline and with which the Airline will be obligated to comply. The submittal of a Notice of Intent will be made by the Airline to the FDEP, and a copy will be submitted to the Authority. The Airline is required to comply with the following requirements including, but not limited to, certification of non-stormwater discharges; preparation of a Stormwater Pollution Prevention Plan or similar plans; implementation of BMPs; and maintenance and submittal of necessary records. In complying with such requirements, the Airline will observe applicable deadlines set by the regulatory agency that has jurisdiction over the permit. The Airline agrees to undertake, at its sole expense, those stormwater permit requirements for which it has received written notice from the regulatory agency and that apply to the Airline Premises, and the Airline agrees that it will hold harmless and indemnify the Authority for any violations or non-compliance with any such permit requirements.

22.07 Environmental Inspection at End of Agreement Term.

- A. At the Authority's discretion, at least one hundred and twenty (120) days before the expiration or early termination of the Term as provided herein, the Airline will conduct an environmental inspection and examination of the Airline Premises. At its discretion, the Authority may complete environmental reviews to determine if recognized environmental conditions exist that could warrant soil and groundwater sampling. If warranted by the findings of the Airline or the Authority's inspection or if requested by the Authority, a

compliance audit or site assessment will be performed within the aforementioned time period by a qualified professional acceptable to Authority who will report the findings to the Authority. The cost for professional consulting or engineering services required for such audit will be at the expense of the Airline. If a site assessment is conducted, the Airline agrees to pay all associated laboratory and testing fees incurred to test and analyze samples collected during the site assessment process. The Authority may also choose to conduct the compliance audit or site assessment. If the results of the assessment indicate that the Airline Premises have been impacted by the release of Hazardous Substances, the Airline will immediately take such action as is necessary and will provide a substantial guaranty in a form and content acceptable to the Authority that the Airline will clean up the contamination at its own expense, at no expense to the Authority, and in accordance with Applicable Laws to the extent that it is obligated to do so by virtue of the foregoing provisions of this Article.

- B. During the period of a cleanup due to the environmental condition of the Airline Premises or common use areas, the Airline's obligations, including the payment of Rents, under the existing terms of this Agreement will continue in full force and effect, in addition to any other damages for which the Airline may be liable.
- C. The firm conducting cleanup work must be approved by the Authority, and the methodology used by such firm must be consistent with engineering practices and methods required by Governmental Authority and must be reasonably acceptable to Authority.

ARTICLE 23  
REPORTS AND AUDITS

23.01 Authority Right to Perform Audits, Inspections, or Attestation Engagements.

At any time or times during the Term of this Agreement or within three (3) years after the end of this Agreement, Authority, or its duly authorized representative, will be permitted to initiate and perform audits, inspections or attestation engagements over Airline's records for the purpose of substantiating the accuracy of payments to Authority or Airline's compliance with other provisions of this Agreement. Free and unrestricted access will be granted to all of Airline's records directly pertinent to this Agreement for purposes of substantiating payments or compliance. If the records are maintained at locations other than the Airport, Airline will arrange for said records to be brought to a location convenient to Authority auditors to conduct the engagement as set forth in this Article. In the event Airline maintains the needed documentation in electronic format, upon request by Authority auditors, Airline will provide a download or extract of data files in a computer readable format acceptable to Authority at no additional cost. Authority has the right during the engagement

to interview Airline's employees, subconsultants, and subcontractors, and to make photocopies of records as needed. If, as a result of any engagement, it is established that Airline owes additional fees or charges to Authority, Airline will pay such additional fees and charges and Authority may assess interest in accordance with Section 7.04.

Airline agrees to deliver or provide access to all records requested by Authority auditors within seven (7) calendar days of each request. The Parties recognize that Authority will incur additional costs if records requested by Authority auditors are not provided in a timely manner and that the amount of those costs is difficult to determine with certainty. Consequently, the Parties agree that Authority may assess liquidated damages in the amount of one hundred dollars (\$100.00), in addition to all other contractual financial requirements, for each item in a records request, per calendar day, for each time Airline is late in submitting requested records to perform the engagement. Accrual of fee will continue until specific performance is accomplished. The Parties expressly agree that these liquidated damages are not a penalty and represent reasonable estimates of fair compensation for the losses that reasonably may be anticipated from Airline's failure to comply.

#### ARTICLE 24

#### AMERICANS WITH DISABILITIES ACT

The Airline will comply with the requirements of the Americans with Disabilities Act; the Florida Americans with Disabilities Accessibility Implementation Act; Florida Building Code, Florida Accessibility Code for Building Construction; and any similar or successor laws, ordinances, rules, standards, codes, guidelines, and regulations and will cooperate with the Authority concerning the same subject matter.

#### ARTICLE 25

25.01 These provisions apply to all work performed under this Agreement. Failure to comply with the terms of these provisions may be sufficient grounds to:

- A. Terminate this Agreement;
- B. Seek suspension/debarment of the Airline; or
- C. Take any other action determined to be appropriate by Authority or the FAA.

25.02 Civil Rights – General – 49 USC § 47123. The Airline agrees to observe and comply with those requirements of the FAA set forth in **Exhibit C**, as such requirements may be amended or interpreted by the FAA or the United States Department of Transportation from time to time.

The Airline shall comply with pertinent statutes, Executive Orders and such rules as are promulgated to ensure that no person shall, on the grounds of race, creed, color, national origin, sex, age, or disability be excluded from participating in any activity conducted with or benefiting from Federal assistance. If the Airline transfers its obligation to another, the transferee is obligated in the same manner as the Airline.

This provision is in addition to that required of Title VI of the Civil Rights Act of 1964

ARTICLE 26

It is covenanted and agreed that the Authority reserves the right to further develop or improve the Airport and all landing areas and taxiways as it may see fit, regardless of the desires or views of the Airline or its subcontractors and without interference or hindrance.

ARTICLE 28  
RIGHT OF ENTRY

The Authority will have the right to enter the Airline Premises for the purpose of periodic inspection of the Airline Premises from the standpoint of safety and health, and monitoring of the Airline's compliance with the terms of this Agreement; provided, however, that, except in the case of an emergency as determined by the Authority, Authority shall provide Airline with prior notice to the Station Manager (as defined in the Resolution), reasonable under the circumstances (which may be oral), of any entry onto Airline's Airline Premises.

ARTICLE 29  
RIGHT OF FLIGHT

The Authority reserves, for the use and benefit of the public, a right of flight for the passage of aircraft in the airspace above the surface of the real property owned by the Authority, including the Airline Premises, together with the right to cause in said airspace such noise as may be inherent in the operation of aircraft,

now known or hereafter used, for navigation of or flight in said airspace, and for the use of said airspace for landing on, taking off from or operating on the Airport.

The Airline expressly agrees for itself, its successors and assigns, to restrict the height of structures, objects of natural growth and other obstructions on the Airline Premises to such a height so as to comply with Federal Aviation Regulations, Part 77 and Authority zoning. The Airline further expressly agrees for itself, its successors and assigns, to prevent any use of the Airline Premises or common use areas that would interfere with or adversely affect the operation or maintenance of the Airport, or otherwise constitute an Airport hazard.

ARTICLE 30  
GOVERNMENT INCLUSION

- 30.01 Subordination to Federal Agreements. This Agreement is subject and subordinate to all the terms and conditions of any instruments and documents under which the Authority acquired the land or improvements thereon constituting the Airport. This Agreement shall be subject and subordinate to the provisions of any existing or future agreements between the Authority and the United States of America, or any of its agencies, relative to the operation and maintenance of the Airport, the terms and execution of which have been, or may be, required as a condition precedent to the expenditure or reimbursement to the Authority of federal funds for the development of the Airport, and to any terms or conditions imposed upon the Airport by any other governmental entity ("**Grant Assurances**"). In the event that this Agreement, either on its own terms or by any other reason, conflicts with or violates any such Grant Assurances, the Authority has the right to amend, alter, or otherwise modify the terms of this Agreement in order to resolve such conflict or violation.
- 30.02 Federal Government's Emergency Clause. All provisions of this Agreement shall be subordinate to the rights of the United States of America to operate the Airport or any part thereof during time of war or national emergency. Such rights shall supersede any provisions of this Agreement inconsistent with the operations of the Airport by the United States of America.
- 30.03 Security. The Airline and its Airline Parties must comply with (i) the provisions of the Authority's TSA-approved airport security plan for the Airport as from time to time existing, and (ii) applicable regulations of the TSA, as from time to time existing and (iii) security measures required of the Airline or the Authority by the FAA or TSA. If the Airline or any of its Airline Parties shall fail or refuse to comply with said measures and such non-compliance results in a monetary penalty or other damages being assessed against the Authority, then, in addition to any other terms of this Agreement, the Airline shall be responsible and shall reimburse the Authority in the full amount of any such monetary penalty or other damages, plus an Administrative Charge. This amount must be paid by the Airline within ten (10) days of written notice.

## ARTICLE 31

The Airline will not assign or sublease this Agreement without the prior written consent of the Authority. Such consent may be withheld at the sole discretion of the Authority. Any purported assignment or sublease of this Agreement without the prior written consent of the Authority shall be void *ab initio* and of no effect. If a sublease is approved, the Airline will be solely responsible for ensuring that its sublessee performs pursuant to and in compliance with the terms of this Agreement.

In no event will any approved assignment or sublease diminish the Authority's rights to enforce any and all provisions of this Agreement.

Before any assignment or sublease becomes effective, the assignee or sublessee will assume and agree by written instruments in form and substance satisfactory to the Authority to be bound by the terms and conditions of this Agreement during the remainder of the Term.

## ARTICLE 33

### AIRLINE TENANCY

The undersigned representative of the Airline hereby warrants and certifies to the Authority that the Airline is an organization in good standing in its state of registration, that it is authorized to do business in the State, and that the undersigned officer is authorized and empowered to bind the Airline to the terms of this Agreement by his or her signature thereto.

ARTICLE 34  
CONDEMNATION

If the whole or any part of the Airline Premises is acquired by a condemning authority, either by sale in lieu of condemnation or by the exercise of the power of eminent domain, then in and as a direct result of that event, this Agreement will terminate from the date of sale or title vesting, and the Airline will have no claim whatsoever, including claims of apportionment, against the Authority either for the value of any unexpired Term of this Agreement or for the value of leasehold improvements. However, nothing in this provision will limit or destroy any right of the Airline to separately claim moving costs or business loss solely against the condemning authority where statutes or other applicable law apply.

ARTICLE 35  
SURRENDER OF AIRLINE PREMISES

The Airline will surrender up and deliver the Airline Premises to the Authority upon the conclusion of the Term or earlier termination of this Agreement in the same condition as existed at the commencement of the Term, ordinary wear and tear excepted. Provided the Airline is not in default of this Agreement, the Airline will immediately remove all of its personal property from the Airline Premises and common use areas at the conclusion of the Term. Failure on the part of the Airline to remove its personal property within ten (10) days after the date of termination will constitute a gratuitous transfer of title thereof to the Authority for whatever disposition is deemed to be in the best interest of the Authority. Any costs incurred by the Authority in the disposition of such personal property will be borne by the Airline. If the Airline is in default of payment of any Rents, the Authority will have a lien for such Rents upon any property found upon the Airline Premises or common use areas in accordance with Florida Statutes and, in such event, the Airline will not remove any property from the Airline Premises or common use areas without written approval of the Authority.

ARTICLE 36  
PERSONAL PROPERTY

Any personal property of the Airline or others placed in the Airline Premises or common use areas will be at the sole risk of the Airline, and the Authority will not be liable for any loss or damage thereto, irrespective of the cause of such loss or damage, and the Airline hereby waives all rights of subrogation against or recovery from Authority for such loss or damage unless such damage or loss is the result of negligence or activity on the Airline Premises or common use areas by the Authority.

ARTICLE 37  
APPLICABLE LAW AND VENUE

This Agreement will be construed in accordance with the laws of the State. Venue for any action brought pursuant to this Agreement will be in Hillsborough County, Florida, or in the Tampa Division of the U.S. District Court for the Middle District of Florida.

The Airline hereby waives any claim against the Authority and the Indemnified Parties for loss of anticipated profits caused by any suit or proceedings directly or indirectly attacking the validity of this Agreement or any part hereof, or by any judgment or award in any suit or proceeding declaring this Agreement null, void, or voidable, or delaying the same, or any part hereof, from being carried out.

ARTICLE 38  
AUTHORITY APPROVALS

Except as otherwise indicated elsewhere in this Agreement, wherever in this Agreement approvals are required to be given or received by the Authority, it is understood that the CEO, or a designee of the CEO, is hereby empowered to act on behalf of the Authority.

ARTICLE 39  
INVALIDITY OF CLAUSES

The invalidity of any part, portion, article, paragraph, provision, or clause of this Agreement will not have the effect of invalidating any other part, portion, article, paragraph, provision, or clause thereof, and the remainder of this Agreement will be valid and enforced to the fullest extent permitted by law.

ARTICLE 40  
HEADINGS

The headings contained herein, including the Table of Contents, are for convenience in reference and are not intended to define or limit the scope of any provisions of this Agreement. If for any reason there is a conflict between content and headings, the content will control.

ARTICLE 42

SUBORDINATION TO TRUST AGREEMENT

- A. This Agreement and all rights of the Airline hereunder are expressly subordinate and subject to the lien and provisions of any pledge, transfer, hypothecation, or assignment made at any time by the Authority to secure financing. This Agreement is subject and subordinate to the terms, covenants, and conditions of the Trust Agreement and Other Financing Documents made by the Authority authorizing the issuance of Bonds, Subordinated Indebtedness or Other Indebtedness by the Authority. Conflicts between this Agreement and the documents mentioned above will be resolved in favor of such documents.
- B. The Authority shall notify the Airline in advance of any proposed amendments or supplements to the Trust Agreement and Other Financing Documents that would alter the terms and provisions of this Agreement or materially impact the levels of Rents paid by the Airline.
- C. With respect to Bonds, Subordinated Indebtedness and Other Indebtedness that may be issued in the future, the interest on which is intended to be excludable from gross income

of the holders of such Bonds, Subordinated Indebtedness and Other Indebtedness for Federal income tax purposes under the Internal Revenue Code of 1986, as amended (the “Code”) (collectively, “**Tax-Exempt Indebtedness**”), the Airline may not act, or fail to act (and will immediately cease and desist from any action, or failure to act), with respect to the use of the Airline Premises, if the act or failure to act may cause, in the sole judgment of the Authority, the Authority to be in noncompliance with the provisions of the Code, nor may the Airline take, or persist in, any action or omission which may cause the interest on the Tax-Exempt Indebtedness either (i) not to be excludable from the gross income of the holders thereof for Federal income tax purposes; or (ii) to the extent such obligations were issued as exempt from the alternative minimum tax (the “**AMT**”), to become subject to the AMT for Federal income tax purposes, and the Airline may not elect to take depreciation on any portion of the Airline Premises financed with the proceeds of such Tax-Exempt Indebtedness.

#### ARTICLE 43

#### FEDERAL RIGHT TO RECLAIM

In the event a United States governmental agency demands and takes over the entire facilities of the Airport or the portion thereof wherein the Airline Premises are located, for war or national emergency, for a period in excess of ninety (90) consecutive days, then this Agreement will terminate and the Authority will be released and fully discharged from any and all liability hereunder. In the event of this termination, the Airline's obligation to pay rent will cease; however, nothing herein will be construed as relieving either party from any of its liabilities relating to events or claims of any kind whatsoever prior to this termination.

#### ARTICLE 44

#### RADON GAS AND OTHER PROPERTY CONDITION NOTIFICATIONS

44.01 RADON GAS: In accordance with requirements of the State, the following notification statement will be included in all agreements relating to rental of real property. This is provided for information purposes only.

Radon is a naturally occurring radioactive gas that, when it has accumulated in a building in sufficient quantities, may present health risks to persons who are exposed to it over time. Levels of radon that exceed federal and state guidelines have been found in buildings in Florida. Additional information regarding radon and radon testing may be obtained from your county health department.

44.02 OTHER PROPERTY CONDITIONS: Areas of Authority property are impacted by the past release of pollutants that are regulated by FDEP. This is the result of historical airport operations,

commercial and industrial activities that occurred prior to property acquisition, or naturally-occurring conditions. FDEP manages the State's site restoration program. FDEP requires site restoration to be commensurate with land use, public health and the environment. These provisions allow low levels of contaminants to remain in place and run with the land subject to the implementation of required controls including but not limited to property use restrictions, activity and use limitations, institutional controls, or engineering controls. At Tampa International Airport, the Authority worked with FDEP to develop Soil and Groundwater Use Regulations that memorialize these controls. The Soil Use Regulation provides a process for the Authority to review and approve in advance all plans for soil excavation or disturbance. The Groundwater Use Regulation restricts drilling for water and requires that buildings used for human occupancy be piped to the public water system. Although the Soil and Groundwater Use Regulations apply to Tampa International Airport, the same protections and standards are generally applied at all Authority property including the general aviation airports.

As restoration projects are completed on Authority property, documents and maps are submitted to FDEP. FDEP maintains this information in an information repository that provides a self-service portal called Map Direct that allows map viewing and document download. Areas of Authority property that are undergoing a site restoration project, or have achieved a closed status, can be viewed in Map Direct. The Soil and Groundwater Use Regulations, and links to State radon protection maps and other property condition maps are posted on the Authority website at [www.TampaAirport.com](http://www.TampaAirport.com) > Learn about TPA > Airport Business > Other Business Links – Radon Gas and Other Property Conditions.

#### ARTICLE 45

##### RELATIONSHIP OF THE PARTIES

The Airline is and will be deemed to be an independent contractor and operator responsible for its acts or omissions, and the Authority will in no way be responsible therefor.

#### ARTICLE 46

- D. Upon completion of the Term of this Agreement, keep and maintain public records required by the Authority to perform the services. The Airline shall meet all applicable requirements for retaining public records. All records stored electronically must be provided to the Authority, upon request from the Authority custodian of public records, in a format that is compatible with the information technology systems of the Authority.

The Authority maintains its records in electronic form in accordance with the State of Florida records retention schedules. As a result, the paper original version of this document (to the extent it exists) will be scanned and stored electronically as the authoritative record copy as part of the Authority's record management process. Once that occurs, the paper original version of this document will be destroyed.
