This Contract for Artist Services (hereinafter referred to as Contract) is made and entered into this 5th day of March, 2020 between the Hillsborough County Aviation Authority, a public body corporate under the laws of the State of Florida whose post office address is Post Office Box 22287, Tampa, Florida 33622 (hereinafter referred to as Authority), and Jason Bruges Studio Ltd., a foreign private limited company, authorized to do business in the State of Florida, (hereinafter referred to as Artist), (collectively hereinafter referred to as the Parties).

For and in consideration of the mutual covenants hereof, the Parties do hereby agree as follows:

ARTICLE 1

ARTIST'S SCOPE OF WORK

1.01 Scope of Work

- A. Artist agrees to design, fabricate and install public art as set forth in Exhibit A, Artist's Scope of Work, which is attached hereto and made a part hereof (Artwork).
- B. The Parties may at any time during the Term of this Contract revise Exhibit A upon written approval of both Parties without formal amendment to this Contract.

1.02 The Parties agree that Authority plans to unveil the Artwork with the opening of the Red Curbside, currently projected to be in Spring 2023.

1.03 Risk of Loss

Prior to the final acceptance by Authority of the Artwork, as demonstrated by a completed Exhibit B, Certificate of Acceptance and Project Completion, which is attached hereto and made a part hereof, Artist will have all risk of loss relative to all Artwork and shall be responsible for insuring/protecting the Artwork against all physical loss or damage from fire, theft, or any external cause, covering all aspects of the Scope of Work required herein including the creation of the Artwork, preparation and transit of the Artwork to the Authority, and installation of the Artwork. If the Artwork is damaged or destroyed prior to final acceptance by Authority, Artist shall be responsible for repairing or recreating the Artwork. Artist bears the risk of loss or damage to the Artwork that results from Artist's or Artist's agents, personnel or subcontractors until final acceptance by the Authority at which time the risk of damage to or loss of the Artwork passes to Authority. Artist will not be held responsible for damages caused by the Authority or others after final acceptance of the Artwork by Authority.

- 1.04 Authority Contact Person
Authority Executive Vice President of Marketing and Communications or designee will be Artist's primary contact for all Artwork under this Contract.

ARTICLE 2

TERM

- 2.01 Effective Date
This Contract will become effective upon execution by Artist and approval and execution by Authority. This Contract may be executed in one or more counterparts, each of which will be deemed an original and all of which will be taken together and deemed to be one instrument.
- 2.02 Term
The Term of this Contract will begin upon issuance to Artist of Notice to Proceed by Authority and will end upon final acceptance of the Artwork by Authority with execution of Exhibit B. Notwithstanding the foregoing, Articles 4, 5, 6, 7, 8, 9, 10, 11, 12, 14 and 15 shall survive the termination of this Contract.
- 2.03 Extension
All Artwork is to be completed and delivered to Authority in accordance with the schedules contained in Exhibit A, unless an extension of time is approved in the sole and absolute discretion of the Authority Executive Vice President of Marketing and Communications.
- 2.04 Early Termination
Authority may terminate this Contract, without cause, by giving 30 days' advanced written notice to Artist. In the event of early termination, Artist shall be compensated for Artwork performed and direct costs incurred up to the date of such early termination in accordance with the progress payment schedule contained in Exhibit A.

ARTICLE 3

FEES AND PAYMENTS

Artist agrees to the fees and payment terms as set forth in Exhibit B.

ARTICLE 4

INTELLECTUAL PROPERTY OWNERSHIP AND ARTIST'S GUARANTEE

4.01 Ownership

Except as otherwise provided in this Contract, Artist retains all copyrights and other intellectual property interests in the Artwork and in the design, drawings, sketches, prototypes and other materials for the Artwork. Artist may place a copyright notice on the Artwork and may, at Artist's option and expense, register the copyright with the Library of Congress. Authority is not responsible for any third-party infringement of Artist's copyright, whether or not registered, and is not responsible for protecting the intellectual property rights and/or interests of Artist in the Artwork.

4.02 Guarantee

The Artist warrants that: (A) the design and Artwork being commissioned are the original product of the Artist's own creative efforts and are not the subject of an existing patent or copyright owned by any other person or entity; and (B) the Artwork is original, that it is in an edition of one (1), and the Artist will not sell or reproduce the Artwork or allow others to do so. Artist represents and warrants that all work will be performed in accordance with professional "workmanlike" standards and will be free from defective or inferior materials and workmanship (including any defects consisting of "inherent vice," or qualities that cause or accelerate deterioration of the Artwork) for one (1) year after the date of final acceptance by Authority.

Artist represents and warrants that the Artwork and the materials used are not currently known to be harmful to public health and safety.

Artist represents and warrants that the Artwork information described in Exhibit A-1, Final Artwork Information & Maintenance Form, is the only Artwork information needed for maintenance of the Artwork.

4.03 Reproductions

Along with the Transfer of Title detailed below in Section 6.01, Transfer of Title, Artist will grant to Authority the non-exclusive license to make, and to authorize the making of, photographs and other two-dimensional reproductions of the Artwork for any Authority-related purposes, including, but not limited to, educational, advertising, marketing, public relations, promotion, any documentation of Authority Public Art Program or other noncommercial purposes in print or electronic media. This license does not include the right to create three-dimensional works or to reproduce the Artwork for merchandising purposes. Any rights to reproduce the Artwork three-dimensionally or to merchandise the Artwork must be established pursuant to a separate contract with the Artist.

Additionally, because the agreement final form of the Artwork is unique, Artist shall not make any reproduction (including, but not limited to, 2-D or 3-D replication) of the

Artwork for commercial purposes, nor shall Artist grant permission for others to do so, for the lifetime of the Artwork, except upon the express written permission of the Authority.

ARTICLE 5

DEATH OR INCAPACITY OF ARTIST

In the event of the Artist's death or incapacity, as determined solely by Authority, rendering the Artist unable to complete the Artwork, Authority may elect to complete the Artwork and all payments made up to the point of death or incapacity will be retained by the Artist or the Artist's estate and all work performed by the Artist up to date of death or incapacity will be compensated. Any incomplete Artwork and any materials paid for by Authority included in such Artwork will become the property of Authority upon payment to compensate Artist or Artist's estate, for all work performed up to the date of incapacity or death. However, if the Artwork is substantially designed and/or completed, as determined solely by Authority, and it is feasible for the Artwork to be fully completed without undue delay, Authority may elect to proceed under the terms of this Contract and complete the Artwork with the consent of Artist, Artist's estate or Artist's legal representative. In such event, all remaining work to be completed in accordance with this Contract will be delegated to Authority Executive Vice President of Marketing and Communications.

ARTICLE 6

OWNERSHIP, INSPECTION AND REPAIR OF ARTWORK

6.01 Transfer of Title

All right, title and interest in the Artwork, including, but not limited to, all documents, models, and/or drawings that constitute or are components of the Artwork, will pass to Authority upon final acceptance of the Artwork by Authority, and receipt by Artist of final payment as set out in Exhibit B. Authority shall provide approved transfer documentation that shall be attached to this Contract and incorporated herein by reference. All documents, models, and/or drawings that constitute or are components of the Artwork will be retained by Authority for archival and exhibition purposes.

6.02 Inspection of Artwork

Authority shall have the right to preview and inspect the progress of the development of the Artwork at any time during Authority normal business hours. Additionally, if requested by Authority, Artist shall provide photographs documenting the development of the Artwork throughout the process.

6.03 Maintenance, Repair, and Restoration

Upon completion and installation of the Artwork, the Artist shall prepare and submit Exhibit A-1, Final Artwork Information and Maintenance Form, attached hereto and incorporated herein by reference, to the Authority, which includes maintenance of the Artwork. Repairs, restorations, or conservation of the Artwork shall be the responsibility of the Artist for one year after final acceptance of the Artwork; provided, however, repairs to the Artwork that are necessary due to acts outside of the control of the Artist shall not be the responsibility of the Artist.

For the lifetime of the Artwork, which for purposes of this Contract is defined as no less than twenty-five (25) years, Authority will be responsible for the routine inspection and maintenance of the Artwork in accordance with Exhibit A-1. With the exception of minor repairs, Authority shall have the right to determine, after consultation with a professional conservator, when and if repairs and restorations to the Artwork will be made. Authority will attempt to consult with Artist regarding repairs and restorations undertaken during Artist's lifetime as practicable. If the Artwork is a discrete object and not integral to the architecture of the Artwork Site as depicted on Exhibit A-2, Artwork Site, Authority may, in its sole and absolute discretion, offer Artist the opportunity to perform or supervise the repairs or treatments. Authority reserves the right to make minor and/or emergency repairs, as determined solely by Authority, without consulting Artist, provided such repairs are done according to Exhibit A-1. In the event the Artwork requires professional services in order to accomplish repairs, and Authority and Artist agree that such repairs should be made by Artist, Authority agrees to pay Artist a reasonable fee for such repairs to be negotiated at the time of such repairs. All repairs, no matter which Party performs them, shall be made in accordance with professionally recognized principles of conservation and in accordance with Exhibit A-1. The provisions of this Article shall not in any way affect Artist's obligations under the risk of loss outlined in Article 1.03 above.

6.04 Modification, Relocation, Destruction or Removal of Artwork

- A. Authority shall notify Artist in writing of any proposed significant alteration of the Artwork Site, as determined solely by Authority, that would affect the intended character and appearance of the Artwork, including removal or relocation of the Artwork that might result in the Artwork being destroyed, distorted or modified. Authority shall make a good faith effort to consult with the Artist in the planning and execution of any such alteration. Authority shall make a reasonable effort to maintain the integrity of the Artwork during such alteration.
- B. The Artwork may be removed, relocated or destroyed by Authority should the Artist and Authority not reach mutual agreement on the removal or relocation of the Artwork after a period not to exceed ninety (90) days following written notice of such intended removal or relocation by Authority to the Artist. During such

ninety (90) day period, the Parties shall engage in good faith negotiations concerning the Artwork's removal or relocation.

- C. In the event of changes in the use, structure or configuration of the building in which the Artwork Site is located that cause the Artwork to be in conflict with applicable building-codes, laws or other regulations, Authority may authorize the removal or relocation of the Artwork without the Artist's permission.
- D. If Authority reasonably determines, in its sole discretion, that the Artwork presents imminent harm or hazard to the public, other than as a result of the failure of Authority to maintain the Artwork as required under this Contract, Authority may authorize the removal or relocation of the Artwork without the Artist's permission.
- E. Authority shall have the right to sell the Artwork at any time. Before exercising this right, Authority, by written notice to Artist at Artist's last known address, agrees to give the Artist the opportunity to purchase the Artwork for the greater of the total amount paid to Artist as detailed in Exhibit B or the amount of any offer which Authority has received for the purchase of the Artwork, plus all costs associated with the removal of the Artwork from the Artwork Site, clean-up of the Artwork Site, and delivery to Artist. Artist shall have thirty (30) days from the date of Authority notice of intent to sell the Artwork to exercise Artist's option to purchase the Artwork.
- F. This clause is intended to replace and substitute for the rights of the Artist under the Visual Artist's Rights Act ("VARA") to the extent that any portion of this Contract is in direct conflict with VARA rights. The Parties acknowledge that this Contract supersedes that law to the extent that this Contract is in direct conflict with VARA.

ARTICLE 7

ARTIST'S LIABILITY

Approval by Authority shall not constitute nor be deemed a release of the responsibility and liability of Artist or Artist's employees, associates or assistants for the accuracy and competency of Artist's Artwork, nor shall such approval be deemed to be the assumption of such responsibility by Authority for any defect, error or omission in the Artwork performed by Artist or Artist's employees, associates or assistants.

ARTICLE 8

ARTIST REPRODUCTION CREDIT

8.01 Label

A label, provided by Artist at Authority expense, identifying Artist, the title of the Artwork and the year it was completed will be publicly displayed in the area adjacent to the Artwork on a plaque of reasonable dimensions, as determined by Authority.

8.02 Artist's Credit

Authority agrees that unless Artist requests to the contrary in writing, all references to the Artwork and all reproductions of the Artwork will credit the Artwork to Artist.

8.03 Authority Credit

Artist agrees that all formal references to the Artwork will include the following credit line: "From the Tampa International Airport Public Art Collection."

ARTICLE 9

NON-EXCLUSIVE

Artist acknowledges that Authority has, or may hire, others to perform work similar to or the same as that which is within Artist's Scope of Work under this Contract. Artist further acknowledges that this Contract is not a guarantee of the assignment of any work and that the assignment of work to others is solely within Authority discretion.

ARTICLE 10

DEFAULT AND TERMINATION RIGHTS

10.01 Events of Default

Artist will be deemed to be in default of this Contract upon the occurrence of any of the following:

- A. The failure or omission by Artist to perform its obligations under this Contract or the breach of any terms, conditions and covenants required herein.
- B. The conduct of any business or performance of any acts at the Airport not specifically authorized in this Contract or by any other agreement between Authority and Artist, and Artist's failure to discontinue that business or those acts within 30 days of receipt by Artist of Authority written notice to cease said business or acts.

- C. The appointment of a Trustee, custodian, or receiver of all or a substantial portion of Artist's assets.
- D. The divestiture of Artist's estate herein by operation of law, by dissolution, or by liquidation, not including a merger or sale of assets.
- E. The insolvency of Artist; or if Artist will take the benefit of any present or future insolvency statute, will make a general assignment for the benefit of creditors, or will seek a reorganization or the readjustment of its indebtedness under any law or statute of the United States or of any state thereof including the filing by Artist of a voluntary petition of bankruptcy or the institution of proceedings against Artist for the adjudication of Artist as bankrupt pursuant thereto.
- F. Artist's violation of Florida Statute Section 287.133, concerning criminal activity on contracts with public entities.

10.02 Authority Remedies

In the event of any of the foregoing events of default, Authority may immediately terminate Artist's rights under this Contract and Artist will remain liable for all damages suffered by Authority. The exercise of this remedy does not preclude the exercise of any other remedies provided by law.

No waiver by Authority at any time of any of the terms, conditions, covenants, or agreements of this Contract, or noncompliance therewith, will be deemed or taken as a waiver at any time thereafter of the same or any other term, condition, covenant, or agreement herein contained, nor of the strict and prompt performance thereof by Artist. No delay, failure, or omission of Authority to exercise any right, power, privilege, or option arising from any default nor subsequent acceptance of fees or charges then or thereafter accrued, if any, will impair any such right, power, privilege, or option, or be construed to be a waiver of any such default or relinquishment or acquiescence. No notice by Authority will be required to restore or revive time is of the essence hereof after waiver by Authority of default in one or more instances. No option, right, power, remedy, or privilege of Authority will be construed as being exhausted or discharged by the exercise thereof in one or more instances. It is agreed that each and all of the rights, powers, options, or remedies given to Authority by this Contract are cumulative and that the exercise of one right, power, option, or remedy by Authority will not impair its rights to any other right, power, option, or remedy available under this Contract or provided by law.

10.03 Artist's Remedies

Upon 30 days' written notice to Authority, Artist may terminate this Contract and all of its obligations hereunder, if Artist is not in default of any term, provision, or covenant of this Contract or in the payment of any fees or charges to Authority, but only upon or after the occurrence of any of the following events: the inability of Artist to use Airport for a

period of longer than 90 consecutive days due to war, terrorism, or the issuance of any order, rule or regulation by a competent governmental authority or court having jurisdiction over Authority preventing Artist from operating its business for a period of 90 consecutive days; provided, however, that such inability or such order, rule or regulation is not due to any fault or negligence of Artist. The rights granted to the Authority by the Artist under this Contract shall survive any termination by the Artist.

ARTICLE 11

INDEMNIFICATION

A. To the maximum extent permitted by Florida law, in addition to Artist's obligation to provide, pay for and maintain insurance as set forth elsewhere in this Contract, Artist will indemnify and hold harmless Authority, its members, officers, agents, employees, and volunteers from any and all liabilities, suits, claims, expenses, losses, costs, royalties, fines and damages (including but not limited to claims for attorney's fees and court costs) caused in whole or in part by the:

Nothing contained in this paragraph is intended to nor shall it constitute a waiver of the State of Florida's and FDOT's sovereign immunity.
- F. Artist's obligations to defend and indemnify as described in this Article will survive the expiration or earlier termination of this Contract until it is determined by final judgment that any suit, claim or other action against Authority, its members, officers, agents, employees, and volunteers its fully and finally barred by the applicable statute of limitations or repose.
- G. Nothing in this Article will be construed as a waiver of any immunity from or limitation of liability Authority, or its members, officers, agents, employees, and volunteers may have under the doctrine of sovereign immunity under common law or statute.
- H. Authority and its members, officers, agents, employees, and volunteers reserve the right, at their option, to participate in the defense of any suit, without relieving Artist of any of its obligations under this Article.
- I. If the above Articles A - H or any part of Articles A – H are deemed to conflict in any way with any law, the Article or part of the Article will be considered modified by such law to remedy the conflict.

Upon written notice at any time or times during the Term of this Contract or within three years after the end of this Contract, Authority, or its duly authorized representative, will be permitted to initiate and perform audits, inspections or attestation engagements over Artist's records for the purpose of determining payment eligibility under this Contract or over selected operations performed by Artist under this Contract for the purpose of determining compliance with this Contract. Access will be granted to all of Artist's records directly pertinent to this Contract or any work order, as well as any sub-consultants or

If the records are kept at locations other than the Airport, Artist will arrange for said records to be brought to a location convenient to Authority auditors to conduct the engagement as set forth in this Article. In the event Artist maintains its accounting or Contract information in electronic format, upon request by Authority auditors, Artist will provide a download of its accounting or Contract information in a computer readable format acceptable to the Authority at no additional cost. Authority has the right during the engagement to interview Artist's employees, sub-consultants, and subcontractors, make photocopies, and inspect any and all records at reasonable times. Artist agrees to deliver or provide access to all records requested by Authority auditors within fourteen (14) calendar days of the request at the initiation of the engagement and to deliver or provide access to all other records requested during the engagement within seven (7) calendar days of each request. The Parties recognize that Authority will incur additional costs if records requested by Authority auditors are not provided in a timely manner and that the amount of those costs is difficult to determine with certainty. Consequently, the Parties agree that Authority may assess liquidated damages in the amount of one hundred dollars (\$100) per day for each record requested that is not received. Accrual of such damages will continue until specific performance is accomplished. Provided, however, that in the event Artist becomes involved in or is threatened with litigation with a subcontractor or supplier as a result of such direction, Artist may request Authority to enter into such litigation to protect the interests of Authority and, in addition, Artist may request the United States to enter into such litigation to protect the interests of the United States.

ARTICLE 16

DISPUTE RESOLUTION

16.01 Claims and Disputes

- A. A claim is a written demand or assertion by one of the Parties seeking, as a matter of right, an adjustment or interpretation of this Contract, payment of money, extension of time or other relief with respect to the terms of this Contract. The term claim also includes other matters in question between Authority and Artist arising out of or relating to this Contract. The responsibility to substantiate claims will rest with the party making the claim.
- B. If for any reason Artist deems that additional cost or Contract time is due to Artist for work not clearly provided for in this Contract, or previously authorized changes in the work, Artist will notify Authority in writing of its intention to claim such additional cost or Contract time. Artist will give Authority the opportunity to keep strict account of actual cost and/or time associated with the claim. The failure to give proper notice as required herein will constitute a waiver of said claim.
- C. Written notice of intention to claim must be made within ten (10) days after the Artist first recognizes the condition giving rise to the claim or before the work begins on which Artist bases the claim, whichever is earlier.
- D. When the work on which the claim for additional cost or Contract time is based has been completed, Artist will, within ten (10) days, submit Artist's written claim to Authority. Such claim by Artist, and the fact that Authority has kept strict account of the actual cost and/or time associated with the claim, will not in any way be construed as proving or substantiating the validity of the claim.
- E. Pending final resolution of a claim, unless otherwise agreed in writing, Artist will proceed diligently with performance of this Contract and maintain effective progress to complete the Artwork within the Contract time(s) set forth in the Contract.
- F. The making of final payment for this Contract may constitute a waiver of all claims by Authority except those arising from:

1. Claims, security interests or encumbrances arising out of this Contract and unsettled;
2. Failure of the work to comply with the requirements of this Contract; or
3. Terms of special warranties required by this Contract;
4. Latent defects.

16.02 Resolution of Claims Disputes

- A. Authority will review claims and may (1) request additional information from Artist which will be immediately provided to Authority, or (2) render a decision on all or part of the claim. Authority will notify Artist in writing of the disposition of the claim within 21 days following the receipt of such claim or receipt of the required additional information.
- B. If Authority decides that the work relating to such claim should proceed regardless of Authority disposition of such claim, Authority will issue to Artist a written directive to proceed. Artist will proceed as instructed.
- C. Any action initiated by either party associated with a claim or dispute will be brought in the Circuit Court in and for Hillsborough County, Florida.

ARTICLE 17

WAIVER OF CLAIMS

Artist hereby waives any claim against the City of Tampa, Hillsborough County, State of Florida and Authority, its officers, Board members, agents, or employees, for loss of anticipated profits caused by any suit or proceedings directly or indirectly attacking the validity of this Contract or any part thereof, or by any judgment or award in any suit or proceeding declaring this Contract null, void, or voidable, or delaying the same, or any part hereof, from being carried out.

ARTICLE 18

COMPLIANCE WITH LAWS, REGULATIONS, ORDINANCES, RULES

Artist, its officers, employees, agents, subcontractors, and those under its control, will at all times comply with applicable federal, state, and local laws and regulations, Airport Rules and Regulations, policies, procedures and operating directives as are now or may hereinafter be prescribed by Authority, all applicable health rules and regulations and other mandates whether existing or as promulgated from time to time by the federal, state, or local government, or Authority including, but not limited to, permitted and restricted activities, security matters, parking, ingress and egress, environmental and storm water regulations and any other

operational matters related to the operation of Airport. Artist, its employees, agents, subcontractors, and those under its control, will comply with safety, operational, or security measures required of Artist or Authority by the Federal Aviation Administration (FAA) or Transportation Security Administration (TSA). If Artist, employees, agents, subcontractors or those under its control will fail or refuse to comply with said measures and such non-compliance results in a monetary penalty being assessed against Authority, then, in addition to any other remedies available to Authority, Artist will be responsible and will reimburse Authority in the full amount of any such monetary penalty or other damages. This amount must be paid by Artist within 15 days from the date of the invoice or written notice.

EXHIBIT A
ARTIST'S SCOPE OF WORK

Artist shall provide or cause to be provided the scope of work as described below:

1. Description of Artwork

CONCEPT TEXT for *Cloud Ascent*:

36' long x 13' wide x 1' deep

The media artwork 'Cloud Ascent' utilizes the vertical nature of the circulation space in which it is situated to recreate the experience of ascending through clouds. It expands the Artist's exploration of representing natural phenomena artificially through physics systems.

An array of opacity changing material sits in front of a light emitting surface. The composite liquid crystal material has been specifically developed by the Jason Bruges Studio to embody the dynamic cloud formations and weather patterns of the skies above. True to looking out of a plane window, the light will change with altitude and the clouds will be displaced by the movement of observers on the escalator.

The orthogonal textured nature of Cloud Ascent allows for key vistas along the escalator to be amplified creating anamorphisms within the Artwork.

Liquid crystal has been used effectively within a thread of Artworks by Jason Bruges Studio to convey a diverse array of natural systems. Digital Fountain (2011) gives the impression of falling water, Digital Ornithology (2014) represents the murmurations of sea birds and Digital Phyllotaxy (2020) explores the arrangement leaves on branches.

MATERIALS | TECHNOLOGY

Six sided cube modules are mounted on the wall. The three backlight panels emit light that passes through the three front LC panels that change in opacity, filtering the amount of light passing through to create a cloud-like display.

ARTWORK CHOREOGRAPHY

- The Artwork responds to escalator activity
- Cloud physics created by intelligent algorithm

Exhibit C
Standard Procedure
Contractual Insurance Terms and Conditions

PURPOSE: To establish the insurance terms and conditions associated with contractual insurance requirements. This Standard Procedure is applicable to all companies with Authority contracts, and to the extent required by Florida Department of Transportation Public Transportation Grant Agreement, every contractor, subcontractor, consultant, and sub-consultant at each tier. Unless otherwise provided herein, any exceptions to the following conditions or changes to required coverages or coverage limits must have prior written approval from the General Counsel and Executive Vice President of Legal Affairs or designee.

INSURANCE COVERAGE:

A. Procurement of Coverage:

With respect to each of the required coverages, the company will, at the company's expense, procure, maintain and keep in force the types and amounts of insurance conforming to the minimum requirements set forth in the applicable contract. To the extent required by Florida Department of Transportation Public Transportation Grant Agreement, company shall further require that all contractors, subcontractors, consultants, and sub-consultants at each tier satisfy and meet all the requirements of the applicable contract, including the terms and conditions of this Standard Procedure. Coverage will be provided by insurance companies eligible to do business in the State of Florida and having an AM Best rating of A- or better and a financial size category of VII or better. Utilization of non-rated companies, companies with AM Best ratings lower than A-, or companies with a financial size category lower than VII must be submitted by the company to the Authority Director of Risk Management for approval prior to use. The Authority retains the right to approve or disapprove the use of any insurer, policy, risk pooling or self-insurance program.

B. Term of Coverage:

Except as otherwise specified in the contract, the insurance will commence on or prior to the effective date of the contract and will be maintained in force throughout the duration of the contract and for any period of extended coverage required in the contract. If a policy is written on a claims-made form, the retroactive date must be shown and this date must be before the earlier of the date of the execution of the contract or the beginning of contract work, and the coverage must respond to all claims reported within three years following the period for which coverage is required unless a longer period of time is otherwise stated in the contract.

C. Reduction of Aggregate Limits:

If the general or aggregate limit for any policy is exhausted, the company, and to the extent required by Florida Department of Transportation Public Transportation Grant Agreement, all of the company's contractors, subcontractors, consultants, and sub-consultants at each tier, will immediately take all possible steps to have it reinstated. The commercial general liability policies and any excess or umbrella policies used to provide the required amount of insurance shall include a per project designated aggregate limit endorsement providing that the limits of such insurance specified in the contract shall apply solely to the work under the contract without erosion of such limits by other claims or occurrences.

1. Cancellation Notice

Each insurance policy will be specifically endorsed to require the insurer to provide written notice to the Authority at least 30 days (or 10 days prior notice for non-payment of premium) prior to any cancellation, non-renewal or adverse change, initiated by the insurer, and applicable to any policy or coverage described in the contract or in this Standard Procedure. The endorsement will specify that such notice will be sent to:

Hillsborough County Aviation Authority
Attn.: Chief Executive Officer
Tampa International Airport
Post Office Box 22287
Tampa, Florida 33622

Additionally, to the extent required by Florida Department of Transportation Public Transportation Grant Agreement, the workers' compensation, commercial general liability and railroad protective insurance (if required) of every contractor, subcontractor, consultant, and sub-consultant at each tier shall be specifically endorsed to require the insurer to provide the Florida Department of Transportation notice within ten days of any cancellation, notice of cancellation, lapse, renewal, or proposed change to any policy or coverage described in the contract or this Standard Procedure.

D. No waiver by approval/disapproval:

The Authority accepts no responsibility for determining whether the company or any contractor, subcontractor, consultant, or sub-consultant at each tier is in full compliance with the insurance coverage required by the contract. The Authority's approval or failure to disapprove any policy, coverage, or Certificate of Insurance does not relieve or excuse the company of any obligation to procure and maintain the insurance required in the contract or in this Standard Procedure, nor does it serve as a waiver of any rights or defenses the Authority may have.

E. Future Modifications – Changes in Circumstances:

1. Changes in Coverages and Required Limits of Insurance

The coverages and minimum limits of insurance required by the contract are based on circumstances in effect at the inception of the contract. If, in the opinion of the Authority, circumstances merit a change in such coverage or minimum limits of insurance required by the contract, the Authority may change the coverage and the minimum limits of insurance required, and the company will, within 60 days of receipt of written notice of a change in the coverage and/or the minimum limits required, comply with such change and provide evidence of such compliance in the manner required by the contract. Provided, however, that no change in the coverages or minimum limits of insurance required will be made by the Authority until at least two years after inception of the contract or two after any change by the Authority in the coverages or minimum limits of insurance required in the contract unless extreme conditions warrant such change and are agreeable to both parties. To the extent required by Florida Department of Transportation Public Transportation Grant Agreement, any such change or modification in coverage or limits shall also apply to the contractors, subcontractors, consultants, and sub-consultants at each tier.

If, in the opinion of the Authority, compliance with the insurance requirements is not commercially practicable for the company, its contractors, subcontractors, suppliers, consultants, or subconsultants at each tier, at the written request of the company, the Authority may, at its sole discretion and subject to any conditions it deems appropriate, relax or temporarily suspend, in whole or in part, the insurance requirements which would otherwise apply to the company. Any such modification will be subject to the prior written approval of the Authority's General Counsel and Executive Vice President of Legal Affairs or designee, and subject to the conditions of such approval.

F. Proof of Insurance – Insurance Certificate:

1. Prior to Work, Use or Occupancy of Authority Premises

The company and, to the extent required by Florida Department of Transportation Public Transportation Grant Agreement, the company's contractors, subcontractors, consultants, and sub-consultants at each tier will not commence work, or use or occupy Authority's premises in connection with the contract until the required insurance is in force, preliminary evidence of insurance acceptable to the Authority has been provided to the Authority, and the Authority has granted permission to the company to commence work or use or occupy the premises in connection with the contract.

2. Proof of Insurance Coverage

As preliminary evidence of compliance with the insurance required by the contract, the company will furnish the Authority with an ACORD Certificate of Liability Insurance (Certificate) reflecting the required coverage described in the contract and this Standard Procedure.

The Certificate must:

- a. Be signed by an authorized representative of the insurer. Upon request of the Authority, Company will furnish the Authority with any specific endorsements effecting coverage required by the contract. The endorsements are to be signed by a person authorized by insurer to bind the coverage on the insurer's behalf;
- b. State that: "Hillsborough County Aviation Authority, members of the Authority's governing body and the Authority's officers, volunteers, and its employees are additional insureds for all policies described above other than workers' compensation and professional liability (if required by contract)";
- c. To the extent required by Florida Department of Transportation Public Transportation Grant Agreement, state that the Florida Department of Transportation is an additional insured for commercial general liability;
- d. Indicate that the insurers for all required policies shown on the Certificate have waived their subrogation rights against the Authority, members of the Authority's governing body, and the Authority's officers, volunteers, agents, and employees;

- e. Indicate that the Certificate has been issued in connection with the contract;
- f. Indicate the amount of any deductible or self-insured retention applicable to all coverages; and
- g. Identify the name and address of the Certificate holder as:

Hillsborough County Aviation Authority
Attn.: Chief Executive Officer
Tampa International Airport
Post Office Box 22287
Tampa, Florida 33622;

If requested by the Authority, the company will, within 15 days after receipt of written request from the Authority, provide the Authority, or make available for review, a certified complete copy of the policies of insurance. The company may redact those portions of the insurance policies that are not relevant to the coverage required by the contract. The company will provide the Authority with renewal or replacement evidence of insurance, acceptable to the Authority, prior to expiration or termination of such insurance.

G. Deductibles, Self-Insurance, Alternative Risk or Insurance Programs:

- 1. All deductibles, as well as all self-insured retentions and any alternative risk or insurance programs (including, but not limited to, the use of captives, trusts, pooled programs, risk retention groups, or investment-linked insurance products), must be approved by the General Counsel and Executive Vice President of Legal Affairs or designee. The company agrees to provide all documentation necessary for the Authority to review the deductible, self-insurance or alternative risk or insurance program.
- 2. The company will pay on behalf of the Authority, any member of the Authority's governing body, and/or any officer, volunteer, agent, or employee of the Authority, any deductible, self-insured retention (SIR), or difference from a fully insured program which, with respect to the required insurance, is applicable to any claim by or against the Authority, or any member of the Authority's governing body, or any officer, volunteer, agent, or employee of the Authority.

3. The contract by the Authority to allow the use of a deductible, self-insurance or alternative risk or insurance program will be subject to periodic review by the Director of Risk Management. If, at any time, the Authority deems that the continued use of a deductible, self-insurance, or alternative risk or insurance program by the company should not be permitted, the Authority may, upon 60 days' written notice to the company, require the company to replace or modify the deductible, self-insurance, or alternative risk or insurance program in a manner satisfactory to the Authority.
4. Any deductible amount, self-insurance, or alternative risk or insurance program's retention will be included and clearly described on the Certificate prior to any approval by the Authority. This is to include fully insured programs as to a zero deductible per the policy. Authority reserves the right to deny any Certificate not in compliance with this requirement.
5. To the extent required by Florida Department of Transportation Public Transportation Grant Agreement, the commercial general liability may not be subject to a self-insured retention. Subject to approval by the Authority under sub-paragraphs 1-4 above, the commercial general liability may contain a deductible, provided that such deductible shall be paid by the named insured.

H. Company's Insurance Primary:

The insurance required by the contract will apply on a primary and non-contributory basis. Any insurance or self-insurance maintained by the Authority will be excess and will not contribute to the insurance provided by or on behalf of the company.

To the extent required by Florida Department of Transportation Public Transportation Grant Agreement, the company will ensure that the insurance provided by all contractors, subcontractors, consultants, and subconsultants at each tier will apply on a primary basis as to any other insurance available and shall not be more restrictive than the coverage afforded to the named insured.

I. Incident Notification:

In accordance with the requirements of Standard Procedure S250.02, the company will promptly notify the Airport Operations Center (AOC) of all incidents involving bodily injury or property damage occurring on Authority-owned property, tenant owned property or third party property.

J. Customer Claims, Issues, or Complaints:

In addition to complying with all terms outlined in Standard Procedure S250.02, all customer claims, issues, or complaints involving property damage or bodily injury related to the company will be promptly handled, addressed and resolved by the company.

The company will track all customer claims, issues, or complaints involving property damage or bodily injury and their status on a Claims Log available for review, as needed, by Risk Management. The Claims Log should include a detailed report of the incident along with the response and/or resolution. Risk Management has the option to monitor all incidents, claims, issues or complaints where the Authority could be held liable for injury or damages.

K. Applicable Law:

With respect to any contract entered into by the Authority with a value exceeding \$10,000,000, if any required policy or program is: (i) issued to a policyholder outside of Florida or (ii) contains a “choice of law” or similar provision stating that the law of any state other than Florida shall govern disputes concerning the policy, then such policy or program must be endorsed so that Florida law (including but not limited to Part II of Chapter 627 of the Florida Statutes) will govern any and all disputes concerning the policy or program in connection with claims arising out of work performed pursuant to the contract.

L. Waiver of Subrogation:

The company, for itself and on behalf of its insurers, to the fullest extent permitted by law without voiding the insurance required by the contract, waives all rights against the Authority, members of the Authority’s governing body and the Authority’s officers, volunteers, agents, and employees, as well as the State of Florida, Department of Transportation, including the Department’s officers and its employees, for damages or loss to the extent covered and paid for by any insurance maintained by the company. The company shall require all contractors, subcontractors, suppliers, consultants and subconsultants at each tier for themselves and their insurers, to the fullest extent permitted by law without voiding the insurance required by the contract, to waive all rights against the Authority, members of the Authority’s governing body and the Authority’s officers, volunteers, agents and its employees, as well as the State of Florida, Department of Transportation, including the Department’s officers and its employees, for damages or loss to the extent covered and paid for by any

insurance maintained by the company to the extent covered and paid for by any insurance maintained by the company's contractors, subcontractors, suppliers, consultants and subconsultants at each tier. The company shall further require that all contractors, subcontractors, suppliers, consultants, and subconsultants at each tier include the following in every contract and on each policy:

"Hillsborough County Aviation Authority, members of the Authority's governing body and the Authority's officers, volunteers, agents, and its employees, as well as the State of Florida, Department of Transportation, including the Department's officers and its employees, are additional insureds for the coverages required by all policies as described above other than workers compensation and professional liability."

M. Company's Failure to Comply with Insurance Requirements:

1. Authority's Right to Procure Replacement Insurance

If, after the inception of the contract, the company fails to fully comply with the insurance requirements of the contract, in addition to and not in lieu of any other remedy available to the Authority provided by the contract, the Authority may, at its sole discretion, procure and maintain on behalf of the company, insurance which provides, in whole or in part, the required insurance coverage.

2. Replacement Coverage at Sole Expense of Company

The entire cost of any insurance procured by the Authority pursuant to this Standard Procedure will be paid by the company. At the option of the Authority, the company will either directly pay the entire cost of the insurance or immediately reimburse the Authority for any costs incurred by the Authority, including all premiums, fees, taxes, and 15% for the cost of administration.

a. Company to Remain Fully Liable

The company agrees to remain fully liable for full compliance with the insurance requirements in the contract. To the extent that there is any exclusion, deficiency, reduction, or gap in a policy which makes the insurance more restrictive than the coverage required, the company agrees to remain responsible and obligated to make the Authority whole as if the company and all of its contractors, subcontractors, consultants,

and sub-consultants at each tier fully met the insurance requirements of the contract.

b. Authority's Right to Terminate, Modify, or Not Procure

Any insurance procured by the Authority is solely for the Authority's benefit and is not intended to replace or supplement any insurance coverage which otherwise would have been maintained by the company or by any of its contractors, subcontractors, consultants, or sub-consultants at each tier. Authority is not obligated to procure any insurance pursuant to these requirements and retains the right, at its sole discretion, to terminate or modify any such insurance which might be procured by the Authority pursuant to this Standard Procedure.
