June 19, 2017

Dear Community Noise Consortium,

The Hillsborough County Aviation Authority would like to extend an invitation for you to join us for a public meeting on Monday, June 26, 2017 starting at 9:00 a.m. in the Aviation Authority Boardroom at Tampa International Airport (located on Level 3 of the Main Terminal). We anticipate the meeting will conclude no later than 3:00 p.m., with a break for lunch at or about 12:00 p.m.

The Beach Park Home Owners Association, Beach Park Isles Civic Association and the Culbreath Isles Property Owners Association have retained JDA Aviation Technology Solutions as a consultant regarding ongoing noise concerns. In the interest of full transparency, the Hillsborough County Aviation Authority has requested that this meeting between the Authority and JDA be open to the public. As such, we welcome your attendance. Our hope is that the community will have an opportunity to provide open comments at the end of the meeting.

Please note that the Authority is not undertaking any changes to the Airport's Voluntary Noise Abatement Program as a result of this meeting. We welcome the opportunity to engage in dialogue with JDA in a public and transparent manner.

Because this meeting is not a standard CNC meeting, we kindly ask that you RSVP by email or phone, as space may be limited. You may RSVP to Adam Bouchard by email or phone:
