WOMAN AND MINORITY-OWNED BUSINESS ENTERPRISE

15.01 Authority Policy
Authority is committed to the participation of Woman and Minority-Owned Business Enterprises (W/MBEs) in non-concession, non-federally funded contracting opportunities in accordance with Authority W/MBE Policy and Program. Company will take all necessary and reasonable steps in accordance therewith to ensure that W/MBEs are encouraged to compete for and perform subcontracts under this Contract.

15.02 Non-Discrimination

A. Company and any subcontractor of Company will not discriminate on the basis of race, color, national origin, or sex in the performance of this Contract. Company will carry out applicable requirements of Authority W/MBE Policy and Program in the award and administration of this Contract. Failure by Company to carry out these requirements is a material breach of this Contract, which may result in the termination of this Contract or such other remedy as Authority deems appropriate.

B. Company agrees that it will not discriminate against any business owner because of the owner’s race, color, national origin, or sex in connection with the award or performance of any agreement, management contract, or subcontract, purchase or lease agreement.

C. Company agrees to include the statements in paragraphs (A) and (B) above in any subsequent agreement or contract that it enters and cause those businesses to similarly include the statements in further agreements or contracts.
15.03 W/MBE Participation

A. W/MBE Expectancy: No specific expectancy for W/MBE participation has been established for this Contract; however, Company agrees to make a good faith effort, in accordance with Authority W/MBE Policy and Program, throughout the Term of this Contract, to contract with W/MBE firms certified as a woman-owned or minority-owned business by the City of Tampa, Hillsborough County, the State of Florida Department of Management Services, Office of Supplier Diversity, or as a Disadvantaged Business Enterprise (DBE) under the Florida Unified Certification Program pursuant to 49 CFR Part 26 in the performance of this Contract.

B. W/MBE Termination and Substitution: Company is prohibited from terminating or altering or changing the scope of work of a W/MBE subcontractor except upon written approval of Authority in accordance with Authority procedures relating to W/MBE terminations contained in the W/MBE Policy and Program. Failure to comply with the procedure relating to W/MBE terminations or changes during this Contract will be a material violation of this Contract and will invoke the sanctions for non-compliance specified in this Contract and the W/MBE Policy and Program.

C. Monitoring: Authority will monitor the ongoing good faith efforts of Company in meeting the requirements of this Article. Authority will have access to the necessary records to examine such information as may be appropriate for the purpose of investigating and determining compliance with this Article, including, but not limited to, records, records of expenditures, contracts between Company and the W/MBE participant, and other records pertaining to W/MBE participation, which Company will maintain for a minimum of three years following the end of this Contract. Opportunities for W/MBE participation will be reviewed prior to the exercise of any renewal, extension or material amendment of this Contract to consider whether an adjustment in the W/MBE requirement is warranted. Without limiting the requirements of this Contract, Authority reserves the right to review and approve all sub-leases or subcontracts utilized by Company for the achievement of these goals.

D. Prompt Payment: Company agrees to pay each subcontractor under this Contract for satisfactory performance of its contract no later than ten (10) calendar days from the receipt of each payment Company receives from Authority. Company agrees further to release retainage payments to each subcontractor within ten (10) calendar days after the subcontractor’s work is satisfactorily completed. Any delay or postponement of payment from the above referenced time frame may occur only for good cause following written approval of Authority. This clause applies to both W/MBE and non-W/MBE subcontractors.

DISPUTE RESOLUTION

17.01 Claims and Disputes

A. A claim is a written demand or assertion by one of the parties seeking, as a matter of right, an adjustment or interpretation of this Contract, payment of money, extension of time or other relief with respect to the terms of this Contract. The term claim also includes other matters in question between Authority and Company arising out of or relating to this Contract. The responsibility to substantiate claims will rest with the party making the claim.

B. If for any reason Company deems that additional cost or Contract time is due to Company for work not clearly provided for in this Contract, or previously authorized changes in the work, Company will notify Authority in writing of its intention to claim such additional cost or Contract time. Company will give Authority the opportunity to keep strict account of actual cost and/or time associated with the claim. The failure to give proper notice as required herein will constitute a waiver of said claim.

C. Written notice of intention to claim must be made within ten (10) days after Company first recognizes the condition giving rise to the claim or before the work begins on which Company bases the claim, whichever is earlier.

D. When the work on which the claim for additional cost or Contract time is based has been completed, Company will, within ten (10) days, submit Company’s written claim to Authority. Such claim by Company, and the fact that Authority has kept strict account of the actual cost and/or time associated with the claim, will not in any way be construed as proving or substantiating the validity of the claim.

E. Pending final resolution of a claim, unless otherwise agreed in writing, Company will proceed diligently with performance of this Contract and maintain effective progress to complete the work within this Contract time(s) set forth in this Contract.
17.02 Resolution of Claims Disputes

A. The following shall occur as a condition precedent to Authority review of a claim unless waived in writing by Authority.

First Meeting: Within five (5) days after a claim is submitted in writing, the Contactor's representatives who have authority to resolve the dispute shall meet with Authority representatives who have authority to resolve the dispute in a good faith attempt to resolve the dispute. If a party intends to be accompanied at a meeting by legal counsel, the other party shall be given at least three (3) working days' notice of such and also may be accompanied by legal counsel. All negotiations pursuant to this clause are confidential and shall be treated as compromise and settlement negotiations for purposes of rules of evidence.

Second Meeting: If the First Meeting fails to resolve the dispute or if the parties fail to meet, a senior executive for Company and for Authority, neither of which have day to day Contract responsibilities, shall meet, within ten (10) days after a dispute occurs, in an attempt to resolve the dispute and any other identified disputes or any unresolved issues that may lead to dispute. Authority may invite other parties as necessary to this meeting. If a party intends to be accompanied at a meeting by legal counsel, the other party shall be given at least three (3) working days' notice of such and also may be accompanied by legal counsel. All negotiations pursuant to this clause are confidential and shall be treated as compromise and settlement negotiations for purposes of rules of evidence.

Following the First Meeting and the Second Meeting, Authority will review Company's claims and may (1) request additional information from Company which will be immediately provided to Authority, or (2) render a decision on all or part of the claim in writing within twenty one (21) days following the receipt of such claim or receipt of additional information requested.

1. If Authority decides that the work related to such claim should proceed regardless of Authority disposition of such claim, Authority will issue to Company a written directive to proceed. Company will proceed as instructed.

B. Prior to the initiation of any litigation to resolve disputes between the Parties, the Parties will make a good faith effort to resolve any such disputes by negotiation between representatives with decision-making power. Following negotiations, as a condition precedent to litigation, the Parties will mediate any dispute with a mediator selected by Authority. Such mediation shall occur in Hillsborough County, Florida.
