G. APPROVAL OF THE CONSENT AGENDA

Subject	1. Ground Lease With Improvements, CSX Transportation, Inc., Tampa International Airport, Resolution No. 2023-89
Meeting	Sep 7, 2023 - Aviation Authority Regular Board Meeting
Access	Public
Type	Action (Consent)

Background:

As part of the original acquisition of Tampa International Airport, the Authority acquired a 150-foot wide north/south railroad spur with associated railroad track. The railroad spur commences at a point where y shaped tracks intersect with an east-west main line owned by CSX Transportation, Inc. (CSX) located just south of Linebaugh Avenue and continues in a southerly direction to its terminus at Hillsborough Avenue (Railroad Corridor). CSX, or its predecessor, has leased land within the Railroad Corridor from the Authority since 1956 in support of its freight rail transportation business serving businesses along the Railroad Corridor. CSX considers the Railroad Corridor, including the railroad track, germane to its operations. The current annual rent is \$481,031.76, plus applicable tax. The current lease terminates on October 31, 2023 and CSX desires a new lease.

Proposal:

Staff recommends approval of a Ground Lease with Improvements (Ground Lease) with CSX for the lease of approximately 50.23 acres of land located on Authority property. The Ground Lease will have a commencement date of November 1, 2023 and terminate on October 31, 2033. CSX will have two (2), five-year renewal options upon written request to and acceptance by Authority. Either party may terminate the Ground Lease prior to expiration of the Term on or after the twelfth anniversary of the effective date, except that if termination is needed by Authority to accommodate an aviation purpose or by request of the FAA, termination may occur at any time. Should this need arise, CSX will use diligent efforts to obtain abandonment authority within 36 months from Authority's notice of termination. The first-year Rents under the Ground Lease are \$845,310, payable in monthly installments of \$70,442.50 plus applicable taxes. Rents will increase annually; however, on the tenth anniversary of the effective date of the Ground Lease and on every subsequent five-year anniversary of the effective date of the Ground Lease, Rents will be adjusted to equal the then fair market rental value.

Recommendation:

Management recommends adoption of Resolution No 2023-89.

Resolution:

Resolution No. 2023-89 approves and authorizes execution of Ground Lease With Improvements at Tampa International Airport with CSX Transportation, Inc.; and authorizes the Chief Executive Officer or designee to execute all other ancillary documents.

G. APPROVAL OF THE CONSENT AGENDA

Subject	2. Change Order No. 1, Airside A and C Shuttle Car and Control System Replacement, Airside D Development, and Airside E Shuttle Cars, HCAA Project Nos. 8420 21, 8500 23 and 8910 23, Alstom Transport USA Inc., Tampa International Airport, Resolution No. 2023-97
Meeting	Sep 7, 2023 - Aviation Authority Regular Board Meeting
Access	Public
Type	Action (Consent)

Background:

The APM shuttle vehicle system, which transports passengers between the Main Terminal and each of the four Airsides, is a critically vital component to the overall operational success of Tampa International Airport.

On November 4, 2021, a Contract for Services for the Replacement of New Shuttle Cars for Airsides A and C was awarded to Bombardier Transportation Holdings USA, Inc. in a total contract amount of \$50,882,858.00. This work includes the replacement of the eight airside shuttle cars, the installation of a new CityFlo 0650 signaling system, and the replacement of the power rails for the legs of Airsides A and C.

On November 9, 2022, Supplemental Contract A for Airside A and C Shuttle Car and Control System Replacement (Phase 2), Airside D Development and Airside E Shuttle Cars was awarded to Bombardier Transportation (Holdings) USA, Inc. for the purchase of four new shuttle cars under the Airside D Development Project and four new shuttle cars under the Airside E Shuttle Cars Project in the maximum purchase authorization amount of \$28,955,486, bringing the total combined Contract amount-to-date to \$79,838,344.

Bombardier Transportation (Holdings) USA, Inc. was recently acquired by Alstom SA and has changed its name to Alstom Transport USA Inc. (Alstom).

Proposal:

On August 3, 2023, the Board awarded a Part 1 Design-Build Contract for Airside D Development to Hensel Phelps Construction. Staff anticipates award of a Supplemental Contract B for Airside A and C Shuttle Car and Control System Replacement (Phase 2), Airside D Development and Airside E Shuttle Cars to Alstom at the November 2023 Board meeting for the design and construction of the APM component of Airside D. In the interim, staff is requesting design assistance for the Airside D Main Terminal APM station and the APM system for Airside D from Alstom and Alstom has provided a proposal of \$71,990 to provide the requested design assistance. Staff recommends award of Change Order No. 1 to the Contract for Services with Alstom in the maximum purchase authorization amount of \$71,990, bringing the total combined Contract for Services amount-to-date to \$79,910,334.

This Change Order No. 1 also revises the Contract terms and conditions to assign a dollar amount for the limitation of liability to each project.

Funding:

This item is included in the Capital Budget.

Recommendation:

Management recommends adoption of Resolution No. 2023-97.

Resolution:

Resolution No. 2023-97 approves and authorizes award and execution of Change Order No. 1 for Airside A and C Shuttle Car and Control System Replacement, Airside D Development and Airside E Shuttle Cars, HCAA Project Nos. 8420 21, 8500 23, and 8910 23 at Tampa International Airport with Alstom Transport USA Inc. in the maximum purchase authorization amount of \$71,990; and authorizes the Chief Executive Officer or designee to execute all other ancillary documents.

Meeting	Sep 7, 2023 - Aviation Authority Regular Board Meeting
Access	Public
Type	Action (Consent)

Background:

On December 5, 2019, the Authority purchased the NICE Public Safety System from Word Systems, LLC a.k.a WSI Technologies (WSI) utilizing a government cooperative contract. The cooperative contract covered the purchase and implementation but it did not include support services.

NICE is a software system that resides in the Authority's Airport Operations Center (AOC) for the purpose of recording and logging phone calls and radio transmissions. Ongoing support services and integration with the Hillsborough County Sheriffs Office system ensure proper communications with local law enforcement agencies.

The Authority needs continued support services for the NICE Public Safety System, including, but not limited to, software support, software updates, upgrades, and enhancements.

On July 5, 2023, a Notice of Intent to Sole Source with WSI for continued software support, software updates, upgrades, enhancements, and consulting services for the NICE Public Safety System and related software was advertised. Subject	1. Capital and Operating Budget for Fiscal Year 2024, Tampa International Airport, Resolution No. 2023-90
Meeting	Sep 7, 2023 - Aviation Authority Regular Board Meeting
Access	Public
Type	Action

Background:

The Authority team has established a solid foundation for the future. The organization is in its strongest financial position ever, buoyed by record passenger traffic and revenues. Setting our sights on the horizon, we are heavily focused on longer-term plans for strategic growth and continued prosperity.

The Authority projects it will finish FY 2023 with operating revenues of approximately \$379.5 million, which is \$36.0 million or 10.5% higher than the FY 2023 Budget. Operating expenses are projected to total approximately \$181.1 million, finishing the year \$614,000 or 0.3% lower than the FY 2023 Budget. Funds available for Capital Improvement & Reserves are projected to total approximately \$141.9 million, which is \$38.3 million or 36.9% better than the FY 2023 Budget.

The Authority projects it will generate more than \$141.9 million on its pre-capital bottom line for FY 2023 and \$146.2 million in FY 2024. As a result, unrestricted cash reserves will total approximately \$272.2 million at the end of FY 2023. The Authority is expected to generate an additional \$86.1 million in reserves from operations in FY 2024. The Authority's FY 2024 end-of-year unrestricted reserve balance is expected to total \$344.1 million.

On July 24, 2023, the Authority met with representative of the airlines serving Tampa International Airport to review the proposed FY 2024 Capital and Operating Budget. In accordance with the terms of the Authority's revenue bond trust indenture, the proposed FY 2024 Capital and Operating Budget has also been reviewed and approved by Ricondo & Associates, the Authority's Airport Consultant.

Proposal:

For FY 2024, passenger traffic is projected to reach 25.2 million passengers due to the Tampa Bay region's nation-leading economic growth. Operating revenues are expected to total \$408.6 million for FY 2024, an increase of approximately \$65.1 million or 19.0% compared to FY 2023 budget levels. Operating expenses are expected to total \$198.9 million for FY 2024, an increase of \$17.1 million or 9.4% compared to FY 2023 budget levels.

After revenue sharing back to airlines of \$4.0 million and annual debt service of \$61.9 million, the proposed FY 2024 Capital and Operating Budget projects the Authority will generate \$151.0 million towards capital improvements, the annual air service incentive plan, and reserves. The Authority will utilize \$57.4 million of those funds toward the FY 2024 Capital Improvement Program, which consists of 26 separate projects totaling more than \$95.7 million, \$2.7 million towards capital equipment, and the remainder will be put into reserves.

K. NEW BUSINESS

Subject	1. Purchase Order, Business Automobile Insurance, Arthur J. Gallagher Risk Management Services, LLC, Tampa Executive, Peter O. Knight, Plant City, and Tampa International Airports
Meeting	Sep 7, 2023 - Aviation Authority Regular Board Meeting
Access	Public
Type	Action

Background:

The Authority's current Business Automobile policy expires on October 1, 2023.

Arthur J. Gallagher Risk Management Services, LLC (Gallagher), the Authority's insurance broker, approached four (4) insurance companies, including the incumbent carrier, American Southern Insurance Company, requesting quotes for the Authority's Business Automobile coverage for the renewal period of October 1, 2023 to October 1, 2024. No changes are proposed at the current coverage level of \$1 million for each occurrence with a \$0 liability deductible, a \$1,000 collision deductible for passenger vehicles, and a \$5,000 collision deductible for fire rescue vehicles.

Proposal:

The following premium quotation was received:

American Southern Insurance Company	\$330,030
-------------------------------------	-----------

The other three (3) carriers Gallagher approached declined to quote.

Gallagher and Siver Insurance Consultants, the Authority's insurance consulting firm, recommend accepting the quote of \$330,030 from American Southern Insurance Company at the current coverage level. The proposed premium of \$330,030 received from American Southern Insurance Company is an increase of \$31,044 or 10.38% over the expiring premium of \$298,986. This premium increase is due to additional vehicles added throughout the year. The Term of the policy is one year. Additional premiums may be paid or refunded during the policy Term as vehicles are added to or deleted from the Authority's fleet.

Funding:

This item is included in the O&M Budget.

Recommendation:

The Chief Executive Officer recommends that the Board authorize the issuance of a Purchase Order to Arthur J. Gallagher Risk Management Services, LLC for the purchase of the Business Automobile policy with American Southern Insurance Company; authorize additional premiums to be paid when additional vehicles are added to the Authority's fleet; and authorize the Chief Executive Officer or designee to execute all other ancillary documents.

The Board may act on this by motion; no resolution is required.

Meeting	Sep 7, 2023 - Aviation Authority Regular Board Meeting
Access	Public
Type	Action

Background:

The Authority's current Workers' Compensation and Employer's Liability policy expires on October 1, 2023.

Arthur J. Gallagher Risk Management Services, LLC (Gallagher), the Authority's Workers' Compensation Broker, approached four (4) insurance companies, including the incumbent carrier, Florida Municipal Insurance Trust (FMIT), requesting quotes for Florida statutory Workers' Compensation benefits and Employer's Liability coverage at \$1,000,000 for each accident for the renewal period of October 1, 2023 to October 1, 2024.

Proposal:

The following premium quotation was received:

Florida Municipal Insurance Trust	\$860,482
-----------------------------------	-----------

Gallagher and Siver Insurance Consultants, the Authority's insurance consulting firm, recommend accepting FMIT's proposed premium of \$860,482 for a fully insured, non-deductible program. The proposed premium represents a \$77,960 or 9.96% increase from the expiring policy premium of \$782,522. The rate increase is due primarily to an Authority payroll increase of 23.62%.

Funding:

This item is included in the O&M Budget.

Recommendation:

The Chief Executive Officer recommends the Board authorize the issuance of a Purchase Order to Arthur J. Gallagher Risk Management Services, LLC for the purchase of the fully insured, non-deductible Workers' Compensation and Employer's Liability insurance policy with FMIT; authorize the payment of additional premiums resulting from payroll audits, if needed; and authorize the Chief Executive Officer or designee to execute all other ancillary documents.

The Board may act on this by motion; no resolution is required.

Proposal:

The following premium quotation was received:

Global Aerospace, Inc. \$300 million, AXA XL \$200 million Excess	\$456,949
---	-----------

The other two (2) insurance companies approached indicated that their insurance premiums were not competitive due to loss history.

Gallagher and Siver Insurance Consultants, the Authority's insurance consulting firm, recommend purchasing the insurance for the \$500 million coverage from Global Aerospace, Inc. with AXA XL for \$456,949. The proposed total premium of \$456,949 (\$364,046 for primary coverage from Global Aerospace, Inc. and \$92,903 for excess coverage from AXA XL) is \$36,004 or 8.55% more than the expiring premium of \$420,946. This premium increase is primarily due to the Authority's 18% increase in enplanements.

Funding:

This item is included in the O&M Budget.

Recommendation:

The Chief Executive Officer recommends the Board authorize the issuance of a Purchase Order to Arthur J. Gallagher Risk Management Services, LLC for the purchase of the \$500 million Airport Liability program with Global Aerospace, Inc. and AXA XL and authorize the Chief Executive Officer or designee to execute all other ancillary documents.

The Board may act on this by motion; no resolution is required.
