East Runway Closures

January 28, 2019 – March 1, 2019

East Runway Closures

- Runway 1R/19L was closed from January 28 through March 1, 2019 (33 days)
- Closure necessary to:
 - Accomplish work associated with a multi-year taxiway project that has been ongoing since 2017
 - Complete a taxiway renaming project that requires the removal and replacement of dozens of directional and location signs along the east runway
- During this closure, all air traffic utilized the Airport's west runway, Runway 1L/19R and/or Runway 10-28, the Airport's east-west runway.

Metroplex (NextGen)

Metroplex (NextGen) – Key Facts

- Congressional mandate to the Federal Aviation Administration (FAA) to transform the National Airspace System.
- Primary component is implementation of Performance Based Navigation (PBN), moving away from ground based navigation to satellite based navigation.
- South-Central Florida implementation (including TPA) not expected for at least 18-24 months.
- Majority of NextGen expected to be fully implemented by 2021.

More to Come on Metroplex...

- FAA is the agency implementing congressionally mandated modernization of the National Airspace System.
- Airport last met with the FAA regarding Metroplex in February 2019.
 - Potential for public meetings in **May** 2019.
 - More information to be communicated once made available by FAA.
- The FAA continues their evaluation of the Florida Metroplex project and more information will be made available once communicated by FAA.
- Hillsborough County Aviation Authority is committed to:
 - Community engagement on Metroplex.
 - Making sure residents and stakeholders are involved in the process to the greatest extent possible allowed by the FAA.
 - We welcome the opportunity to engage with your HOA to help encourage your community to participate in public FAA meetings, when they are scheduled.
