Consequently, the Parties agree Authority may assess liquidated damages in the amount of one hundred dollars ($100.00) per day, for each requested record not received. Accrual of such liquidated damages will continue until specific performance is accomplished.

If, as a result of any engagement, it is determined that Company has overcharged Authority, Company will re-pay Authority for the overcharge and Authority may assess interest of up to twelve percent (12%) on the overcharge from the date the overcharge occurred. 14.04 Company will provide all information and reports required by the Regulations or directives issued pursuant thereto and must permit access to its books, records, accounts, other sources of information and its facilities as may be determined by Authority or the FAA to be pertinent to ascertain compliance with such Regulations, orders and instructions. Provided, however, that in the event Company becomes involved in or is threatened with litigation with a subcontractor or supplier as a result of such direction, Company may request Authority to enter into such litigation to protect the interests of Authority and, in addition, Company may request the United States to enter into such litigation to protect the interests of the United States.
14.07 Company assures that, in the performance of its obligations under this Contract, it will fully comply with the requirements of 14 CFR Part 152, Subpart E (Non-Discrimination in Airport Aid Program), as amended from time to time, to the extent applicable to Company, to ensure, among other things, that no person will be excluded from participating in any activities covered by such requirements on the grounds of race, creed, color, national origin, or sex. Company, if required by such requirements, will provide assurances to Authority that Company will undertake an affirmative action program and will require the same of its subconsultants.

ARTICLE 15
WOMAN AND MINORITY-OWNED BUSINESS ENTERPRISE

15.01 Authority Policy
Authority is committed to the participation of Woman and Minority-Owned Business Enterprises (W/MBEs) in non-concession, non-federally funded contracting opportunities in accordance with Authority W/MBE Policy and Program. Company will take all necessary and reasonable steps in accordance therewith to ensure that W/MBEs are encouraged to compete for and perform subcontracts under this Contract.

15.02 Non-Discrimination

A. Company and any subcontractor of Company will not discriminate on the basis of race, color, national origin, or sex in the performance of this Contract. Company will carry out applicable requirements of Authority W/MBE Policy and Program in the award and administration of this Contract. Failure by Company to carry out these requirements is a material breach of this Contract, which may result in the termination of this Contract or such other remedy as Authority deems appropriate.

B. Company agrees that it will not discriminate against any business owner because of the owner’s race, color, national origin, or sex in connection with the award or performance of any agreement, management contract, or subcontract, purchase or lease agreement.

C. Company agrees to include the statements in paragraphs (A) and (B) above in any subsequent agreement or contract that it enters and cause those businesses to similarly include the statements in further agreements or contracts.

15.03 W/MBE Participation

A. W/MBE Expectancy: No specific expectancy for W/MBE participation has been established for this Contract; however, Company agrees to make a good faith effort, in accordance with Authority W/MBE Policy and Program, throughout the Term of this
Contract, to contract with W/MBE firms certified as a woman-owned or minority-owned business by the City of Tampa, Hillsborough County, the State of Florida Department of Management Services, Office of Supplier Diversity, or as a Disadvantaged Business Enterprise (DBE) under the Florida Unified Certification Program pursuant to 49 CFR part 26 in the performance of this Contract.

B. W/MBE Termination and Substitution: Company is prohibited from terminating or altering or changing the scope of work of a W/MBE subcontractor except upon written approval of Authority in accordance with Authority procedures relating to W/MBE terminations contained in the W/MBE Policy and Program. Failure to comply with the procedure relating to W/MBE terminations or changes during this Contract will be a material violation of this Contract and will invoke the sanctions for non-compliance specified in this Contract and the W/MBE Policy and Program.

C. Monitoring: Authority will monitor the ongoing good faith efforts of Company in meeting the requirements of this Article. Authority will have access to the necessary records to examine such information as may be appropriate for the purpose of investigating and determining compliance with this Article, including, but not limited to, records, records of expenditures, contracts between Company and the W/MBE participant, and other records pertaining to W/MBE participation, which Company will maintain for a minimum of three years following the end of this Contract. Opportunities for W/MBE participation will be reviewed prior to the exercise of any renewal, extension or material amendment of this Contract to consider whether an adjustment in the W/MBE requirement is warranted. Without limiting the requirements of this Contract, Authority reserves the right to review and approve all sub-leases or subcontracts utilized by Company for the achievement of these goals.

D. Prompt Payment: Company agrees to pay each subcontractor under this Contract for satisfactory performance of its contract no later than ten (10) calendar days from the receipt of each payment Company receives from Authority. Company agrees further to release retainage payments to each subcontractor within ten (10) calendar days after the subcontractor’s work is satisfactorily completed. Any delay or postponement of payment from the above referenced time frame may occur only for good cause following written approval of Authority. This clause applies to both W/MBE and non-W/MBE subcontractors.

ARTICLE 16
AUTHORITY APPROVALS

Except as otherwise specifically indicated elsewhere in this Contract, wherever in this Contract approvals are required to be given or received by Authority, it is understood that the CEO, or designee, is hereby empowered to act on behalf of Authority.
ARTICLE 17
DATA SECURITY

Company will establish and maintain safeguards against the destruction, loss or alteration of Authority data or third party data that Company may gain access to or be in possession of in providing the services of this Contract. Company will not attempt to access, and will not allow its Personnel access to, Authority data or third party data that is not required for the performance of the services of this Contract by such Personnel.

Company and its employees, vendors, subcontractors, and subconsultants will adhere to and abide by the security measures and procedures established by Authority and any terms of service agreed to by Authority with regards to data security. In the event Company or Company’s subcontractor (if any) discovers or is notified of a breach or potential breach of security relating to Authority data or third party data, Company will promptly:

A. Notify Authority of such breach or potential breach; and

B. If the applicable Authority data or third party data was in the possession of Company at the time of such breach or potential breach, Company will investigate and cure the breach or potential breach.

ARTICLE 18
DISPUTE RESOLUTION

18.01 Claims and Disputes

A. A claim is a written demand or assertion by one of the Parties seeking, as a matter of right, an adjustment or interpretation of this Contract, payment of money, extension of time or other relief with respect to the terms of this Contract. The term claim also includes other matters in question between Authority and Company arising out of or relating to this Contract. The responsibility to substantiate claims will rest with the party making the claim.

B. If for any reason Company deems that additional cost or Contract time is due to Company for work not clearly provided for in this Contract, or previously authorized changes in the work, Company will notify Authority in writing of its intention to claim such additional cost or Contract time. Company will give Authority the opportunity to keep strict account of actual cost and/or time associated with the claim. The failure to give proper notice as required herein will constitute a waiver of said claim.
C. Written notice of intention to claim must be made within ten (10) days after Company first recognizes the condition giving rise to the claim or before the work begins on which Company bases the claim, whichever is earlier.

D. When the work on which the claim for additional cost or Contract time is based has been completed, Company will, within ten (10) days, submit Company’s written claim to Authority. Such claim by Company, and the fact that Authority has kept strict account of the actual cost and/or time associated with the claim, will not in any way be construed as proving or substantiating the validity of the claim.

E. Pending final resolution of a claim, unless otherwise agreed in writing, Company will proceed diligently with performance of this Contract and maintain effective progress to complete the work within this Contract time(s) set forth in this Contract.

18.02 Resolution of Claims and Disputes

A. The following shall occur as a condition precedent to Authority review of a claim unless waived in writing by Authority.

First Meeting: Within five (5) days after a claim is submitted in writing, the Company’s representatives who have authority to resolve the dispute shall meet with Authority representatives who have authority to resolve the dispute in a good faith attempt to resolve the dispute. If a party intends to be accompanied at a meeting by legal counsel, the other party shall be given at least three (3) working days’ notice of such and also may be accompanied by legal counsel. All negotiations pursuant to this clause are confidential and shall be treated as compromise and settlement negotiations for purposes of rules of evidence.

Second Meeting: If the First Meeting fails to resolve the dispute or if the parties fail to meet, a senior executive for Company and for Authority, neither of which have day to day Contract responsibilities, shall meet, within ten (10) days after a dispute occurs, in an attempt to resolve the dispute and any other identified disputes or any unresolved issues that may lead to dispute. Authority may invite other parties as necessary to this meeting. If a party intends to be accompanied at a meeting by legal counsel, the other party shall be given at least three (3) working days’ notice of such and also may be accompanied by legal counsel. All negotiations pursuant to this clause are confidential and shall be treated as compromise and settlement negotiations for purposes of rules of evidence.

Following the First Meeting and the Second Meeting, Authority will review the Company’s claims and may (1) request additional information from Company which will be immediately provided to Authority, or (2) render a decision on all or part of the
claim in writing within twenty-one (21) days following the receipt of such claim or receipt of additional information requested.

If Authority decides that the work related to such claim should proceed regardless of Authority disposition of such claim, Authority will issue to Company a written directive to proceed. Company will proceed as instructed.

B. Prior to the initiation of any litigation to resolve disputes between the parties, the parties will make a good faith effort to resolve any such disputes by negotiation between representatives with decision-making power. Following negotiations, as a condition precedent to litigation, the parties will mediate any dispute with a mediator selected by Authority. Such mediation shall occur in Hillsborough County, Florida.

ARTICLE 19
NON-EXCLUSIVE RIGHTS

This Contract will not be construed to grant or authorize the granting of an exclusive right within the meaning of 49 USC 40103(e) or 49 USC 47107(a), as may be amended from time to time, and related regulations.

ARTICLE 20
WAIVER OF CLAIMS

Company hereby waives any claim against the City of Tampa, Hillsborough County, State of Florida and Authority, and its officers, Board Members, agents, or employees, for loss of anticipated profits caused by any suit or proceedings directly or indirectly attacking the validity of this Contract or any part thereof, or by any judgment or award in any suit or proceeding declaring this Contract null, void, or voidable, or delaying the same, or any part hereof, from being carried out.

ARTICLE 21
COMPLIANCE WITH LAWS, REGULATIONS, ORDINANCES, RULES

Company, its officers, employees, agents, subcontractors, or those under its control, will at all times comply with applicable federal, state, and local laws and regulations, Airport Rules, Regulations, Policies, Standard Procedures, and Operating Directives as are now or may hereinafter be prescribed by Authority, all applicable health rules and regulations and other mandates whether existing or as promulgated from time to time by the federal, state, or local government, or Authority including, but not limited to, permitted and restricted activities, security matters, parking, ingress and egress, environmental and storm water regulations and any other operational matters related to the operation of Airport. Company, its officers,
employees, agents, subcontractors, and those under its control, will comply with safety, 
operational, or security measures required of Company or Authority by the Federal Government 
including but not limited to FAA or TSA. If Company, its officers, employees, agents, 
subcontractors or those under its control will fail or refuse to comply with said measures and 
such non-compliance results in a monetary penalty being assessed against Authority, then, in 
addition to any other remedies available to Authority, Company will be responsible and will 
reimburse Authority in the full amount of any such monetary penalty or other damages. This 
amount must be paid by Company within fifteen (15) days from the date of written notice.

ARTICLE 25
RIGHT TO DEVELOP AIRPORT

It is covenanted and agreed that Authority reserves the right to further develop or improve the Airport and all landing areas and taxiways as it may see fit, regardless of the desires or views of Company or its subcontractors and without interference or hindrance.

ARTICLE 26
RIGHT OF FLIGHT

Authority reserves, for the use and benefit of the public, a right of flight for the passage of aircraft in the airspace above the surface of the real property owned by Authority with the right to cause in said airspace such noise as may be inherent in the operation of aircraft, now known or hereafter used, for navigation of or flight in the said airspace, and for use of said airspace for landing on, taking off from or operating on Airport.

Company expressly agrees for itself, its successors and assigns, to restrict the height of structures, objects of natural growth and other obstructions to such a height so as to comply with Federal Aviation Regulations, Part 77 and Authority Height Zoning Regulations. Company further expressly agrees for itself, its successors and assigns, to prevent any interference with or adversely affect the operation or maintenance of Airport, or otherwise constitute an Airport hazard.

The obligations of Company hereunder may be pledged, transferred, hypothecated, or assigned at any time by Authority to secure such obligations. Conflicts between the terms of this Contract
and the provisions, covenants and requirements of the debt instruments mentioned above will be resolved in favor of the provisions, covenants and requirements of such debt instruments.

ARTICLE 29
ASSIGNMENT AND SUBCONTRACTING / SUBLEASING

Company will not assign, subcontract, sublease, or license this Contract without the prior written consent of Authority. Such consent may be withheld at the sole discretion of Authority. If assignment, subcontract, sublease, or license is approved, Company will be solely responsible for ensuring that its assignee, subcontractor, sublessee, or licensee perform pursuant to and in compliance with the terms of this Contract.

In no event will any approved assignment, subcontract, sublease, or license diminish Authority rights to enforce any and all provisions of this Contract.

SECURITY BADGING

Any employee of Company, or any employee of its subcontractors or agents that require unescorted access to the Security Identification Display Area (SIDA) to perform work under this Contract will be badged with an Airport identification badge (Badge) provided by Authority ID Badging Department and will be subject to an FBI fingerprint-based criminal history records check (CHRC) and an annual Security Threat Assessment (STA). A Badge will not be issued to an individual until the results of the CHRC and the STA are completed and indicate that the applicant has not been convicted of a disqualifying criminal offense. If the CHRC or STA discloses a disqualifying criminal offense, the individual’s badge application will be rejected. The costs of the CHRC and the annual STA will be paid by Company. These costs are subject to change without notice, and Company will be responsible for paying any increase in the costs. All badged employees of Company and its contractors or agents will comply with Authority regulations regarding the use and display of Badges.

For each Badge that is lost, stolen, unaccounted for, or not returned to Authority at the time of Badge expiration, employee termination, termination of this Contract, or upon written request by Authority, Company will be assessed a liquidated damage fee, not as a penalty but as liquidation of a reasonable portion of damages that will be incurred by Authority by failure of
Company to notify Authority of each Badge that is lost, stolen, unaccounted for, or not returned to Authority. This liquidated damage fee will be paid by Company within ten (10) days from the date of invoice. The liquidated damage fee is subject to change without notice, and Company will be responsible for paying any increase in the liquidated damage fee. It is mutually agreed between the Parties that the assessment of the liquidated damage fee is reasonable. The Parties agree that the liquidated damages described in this paragraph are solely for the administrative burden of failure to return the badge.

PURPOSE: To establish the insurance terms and conditions associated with contractual insurance requirements. This Standard Procedure is applicable to all companies with Authority contracts. Unless otherwise provided herein, any exceptions to the following conditions or changes to required coverages or coverage limits must have prior written approval from the Vice President of Facilities and Administration or designee.

INSURANCE COVERAGE:

A. Procurement of Coverage:

With respect to each of the required coverages, the company will, at the company’s expense, procure, maintain and keep in force the amounts and types of insurance conforming to the minimum requirements set forth in the applicable contract. Coverages will be provided by insurance companies eligible to do business in the State of Florida and having an AM Best rating of A- or better and a financial size category of VII or better. Utilization of non-rated companies or companies with AM Best ratings lower than A- or a financial size category lower than VII may be approved on a case by case basis by Risk Management.

B. Term of Coverage:

Except as otherwise specified in the contract, the insurance will commence on or prior to the effective date of the contract and will be maintained in force throughout the duration of the contract. Completed operations coverage may be required to be maintained on specific commercial general liability policies effective on the date of substantial completion or the termination of the contract, whichever is earlier. If a policy is written on a claims made form, the retroactive date must be shown and this date must be before the earlier of the date of the execution of the contract or the beginning of contract work, and the coverage must respond to all claims reported within three years following the period for which coverage is required unless stated otherwise in the contract.

C. Reduction of Aggregate Limits:

If the aggregate limit is exhausted, the company will immediately take all possible steps to have it reinstated. The general liability policies shall include a per policy endorsement providing that the limits of such insurance specified in the contract shall
apply solely to the work under the contract without erosion of such limits by other claims or occurrences.

1. Cancellation Notice

Each of the insurance policies will be specifically endorsed to require the insurer to provide the Authority with 30 days written notice (or 10 days for non-payment of premium) prior to the cancellation of the policy. The endorsement will specify that such notice will be sent to:

Hillsborough County Aviation Authority  
Attn.: Chief Executive Officer  
Tampa International Airport  
Post Office Box 22287  
Tampa, Florida 33622

D. No waiver by approval/disapproval:

The Authority accepts no responsibility for determining whether the company’s insurance is in full compliance with the insurance required by the contract. Neither the approval by the Authority nor the failure to disapprove the insurance furnished by the company will relieve the company of their full responsibility to provide the insurance required by the contract.

E. Future Modifications – Changes in Circumstances:

1. Changes in Coverages and Required Limits of Insurance

The coverages and minimum limits of insurance required by the contract are based on circumstances in effect at the inception of the contract. If, the Authority, is required, due to a change in law or regulation, or other extreme conditions, to request a change in such coverages or minimum limits of insurance required by the contract, the Parties will confer regarding the proposed change, and if such change is agreeable to both Parties, Company will comply with such change and provide evidence of such compliance in the manner required by the contract. Provided, however, that no change in the coverages or minimum limits of insurance required will be made until at least two years after inception of the contract. Subsequent changes in the coverages or minimum limits of insurance will not be made until at least two years after any prior change unless extreme conditions warrant such change and are agreeable to both parties.

If, in the opinion of the Authority, compliance with the insurance requirements is not commercially practicable for the company, at the written request of the company, the
Authority may, at its sole discretion and subject to any conditions it deems appropriate, relax or temporarily suspend, in whole or in part, the insurance requirements which would otherwise apply to the company. Any such modification will be subject to the prior written approval of the Vice President of Facilities and Administration or designee, and subject to the conditions of such approval.

F. Proof of Insurance – Insurance Certificate:

1. Prior to Work, Use or Occupancy of Authority Premises

The company will not commence work, use or occupy Authority premises in connection with the contract until the required insurance is in force, preliminary evidence of insurance acceptable to the Authority has been provided to the Authority, and the Authority has granted permission to the company to commence work, use or occupy the premises in connection with the contract.

2. Proof of Insurance Coverage

As preliminary evidence of compliance with the insurance required by the contract, the company will furnish the Authority with a certificate(s) of insurance satisfactory to the Authority. This certificate must be signed by an authorized representative of the insurer. If requested by the Authority, the company will, within 15 days after receipt of written request from the Authority, provide the Authority, or make available for review, certificates of insurance, copies of required endorsements and/or a certified complete copy of the policies of insurance. The company may redact those portions of the insurance policies that are not relevant to the coverage required by the contract. The company will provide the Authority with renewal or replacement evidence of insurance, acceptable to the Authority, prior to expiration or termination of such insurance.

The insurance certificate must:

a. Indicate that, to the extent required by the contract:

   i. the Authority, members of the Authority's governing body, and the Authority's officers, volunteers and employees are included as Additional Insureds on all policies other than workers compensation and professional liability, and

   ii. the insurers for all policies have waived their subrogation rights against the Authority;
b. Indicate that the certificate has been issued in connection with the contract;

c. Indicate the amount of any deductible or self-insured retention applicable to all coverages;

d. Identify the name and address of the certificate holder as:

   Hillsborough County Aviation Authority
   Attn.: Chief Executive Officer
   Tampa International Airport
   Post Office Box 22287
   Tampa, Florida  33622
   and;

   e. Be signed and dated using approved methods by an individual who is an authorized representative of each insurer, whose insurance is the subject of the certificate and who is authorized by each such insurer to issue the certificate of insurance as modified. Facsimile signatures are acceptable.

G. Deductibles / Self Insurance:

1. All property and builders risk deductibles, as well as all self-insured retentions or any schemes other than a fully insured program, must be approved by the Vice President of Facilities and Administration or designee. The company agrees to provide all documentation necessary for the Authority to review the deductible or alternative program.

2. The company will pay on behalf of the Authority, or any member of the Authority's governing body or any officer or employee of the Authority, any deductible or self-insured retention (SIR) which, with respect to the required insurance, is applicable to any claim by or against the Authority, or any member of the Authority's governing body, or any officer or employee of the Authority.

3. The contract by the Authority to allow the use of a deductible or self-insurance program will be subject to periodic review by the Risk Manager. Company agrees that any deductible or self-insured retention that is approved at the inception of the Contract will not be increased without Authority’s prior approval. In the event that, due to change in law or regulation, or other extreme conditions, Authority is required to request that such deductible or self-insured retention be reduced, the Parties agree to confer regarding the requested change. Company
will make said change, and provide evidence of same, if both Parties are agreeable to the change.

4. Any deductible amount or SIR program will be included and clearly described on the certificate prior to any approval by the Authority. This is to include fully insured programs as to a zero deductible per the policy. Authority reserves the right to deny any certificate not in compliance with this requirement.

H. Company’s Insurance Primary:

The company’s required insurance will apply on a primary basis. Any insurance maintained by the Authority will be excess and will not contribute to the insurance provided by or on behalf of the company.

I. Applicable Law:

With respect to any contract entered into by the Authority with a value exceeding $10,000,000, if any required policy is: (i) issued to a policyholder outside of Florida or (ii) contains a “choice of law” or similar provision stating that the law of any state other than Florida shall govern disputes concerning the policy, then such policy must be endorsed so that Florida law (including but not limited to Part II of Chapter 627 of the Florida Statutes) will govern any and all disputes concerning the policy in connection with claims arising out of work performed pursuant to the contract.

J. Waiver of Subrogation:

The company, for itself and on behalf of its insurers, to the fullest extent permitted by law without voiding the insurance required by the contract, waives all rights against the Authority, members of the Authority’s governing body and the Authority’s officers, volunteers and employees, for damages or loss to the extent covered and paid for by any insurance maintained by the company.

K. Company’s Failure to Comply with Insurance Requirements:

1. Authority’s Right to Procure Replacement Insurance

If, after the inception of the contract, the company fails to fully comply with the insurance requirements of the contract, in addition to and not in lieu of any other remedy available to the Authority provided by the contract, the Authority may, at its sole discretion, procure and maintain on behalf of the company, insurance which provides, in whole or in part, the required insurance coverage.
2. Replacement Coverage at Sole Expense of Company

The entire cost of any insurance procured by the Authority will be paid by the company. At the option of the Authority, the company will either directly pay the entire cost of the insurance or immediately reimburse the Authority for any costs incurred by the Authority including premium and a 15% administration cost.

a. Company to Remain Fully Liable

Except to the extent any insurance procured by the Authority actually provides the insurance coverage required by the contract, the company will remain fully liable for full compliance with the insurance requirements in the contract.

b. Authority's Right to Terminate, Modify, or Not Procure

Any insurance procured by the Authority is solely for the Authority's benefit and is not intended to replace or supplement any insurance coverage which otherwise would have been maintained by the company. Authority is not obligated to procure any insurance pursuant to these requirements and retains the right, at its sole discretion, to terminate any such insurance which might be procured by the Authority.
