Plant City and Tampa Executive Airports

Noise Office Update

March 1, 2016 – April 30, 2016

Overview

- Total Complaints: 196
- Total Complaints (same period 2015): 81

- Air Cargo Compliance: 97%
(496 of 510 air cargo compliant operations)

- Commercial Pilot Request Compliance on Runway 19L/1R: 99.93%
(34,672 out of 34,693 commercial compliant operations)

Year-over-Year Comparison

Proactive Noise Office Efforts:

- Partnership with the Federal Aviation Administration.
- Airline and Chief Pilot partnerships.
- Prompt deviation notices.
- Taxiway 'J' (Air Cargo).
- Taxiway 'J' (Weekends).

53% Reduction in
1R Jet Arrivals.

3% Reduction in
1R Jet Arrivals.

March 1L vs. 1R Jet Arrivals (Corporate and Commercial Jets)

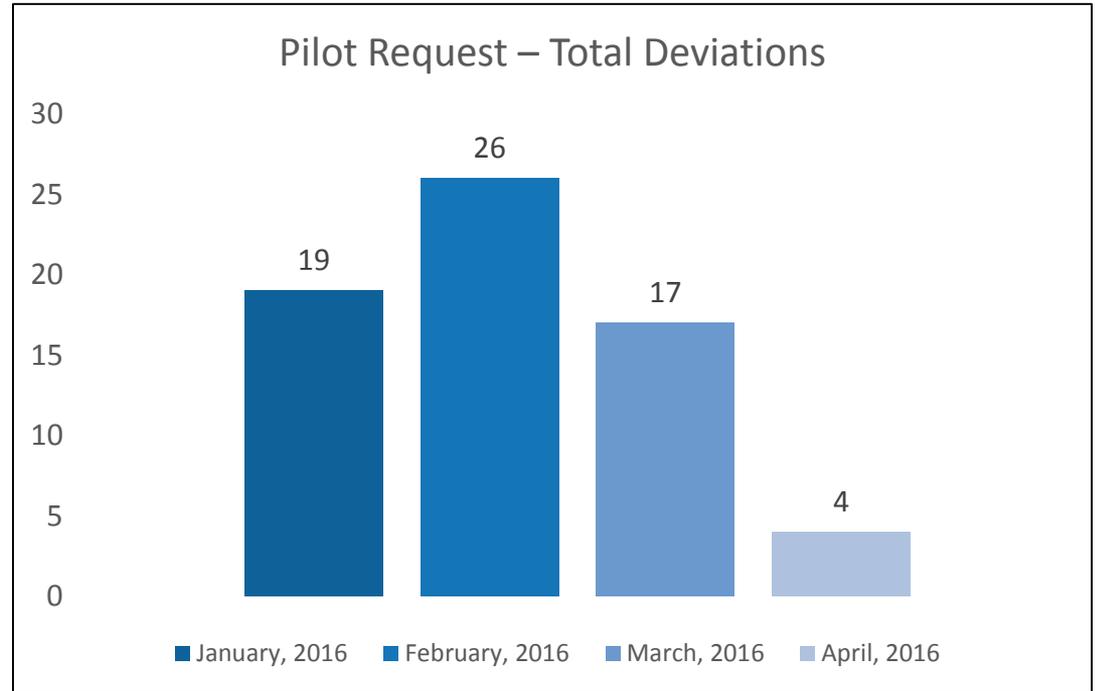

April 1L vs. 1R Jet Arrivals (Corporate and Commercial Jets)

Chief Pilot Meetings - Update

- Met with Spirit and United Airlines.
- Reduction in pilot request deviations.
- Upcoming meetings with JetBlue and Southwest.

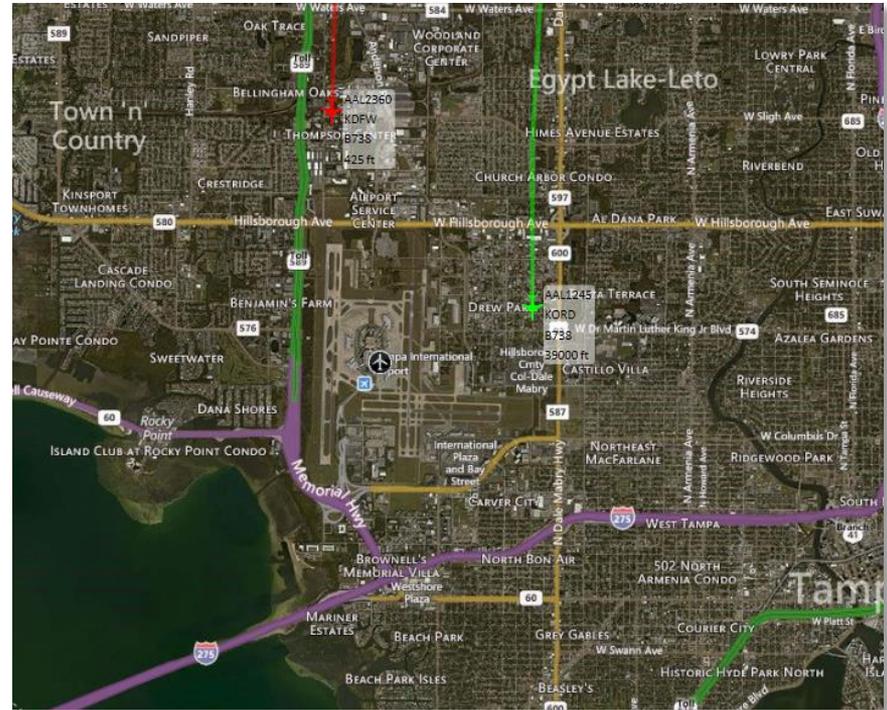

Deviations for all air carriers which include requests to depart Runway 19L and arrive Runway 1R arrivals.

Enhanced Online Complaint Filing

- Residents create a profile with current household information which is stored for future use.
- Once registered, residents file a noise complaint in three steps.
- Enhanced portal provides near real-time flight tracking capabilities.
- Specific deviations of commercial jet departures on Runway 19L and commercial jet arrivals on Runway 1R are posted to the airports website approximately 72 hours following each day.
