The following events will be deemed events of default by Company:
10.02 Authority's Remedies

In the event of any of the foregoing events of default enumerated in this Article, and following 30 days' notice by Authority and Company's failure to cure, Authority, at its election, may exercise any one or more of the following options or remedies, the exercise of any of which will not be deemed to preclude the exercise of any other remedy herein listed or otherwise provided by statute or general law:

A. Terminate Company's rights under this Agreement and, in accordance with law, take possession of the Premises. Authority will not be deemed to have thereby accepted a surrender of the Premises, and Company will remain liable for all payments due, or other sums due under this Agreement and for all damages suffered by Authority because of Company's breach of any of the covenants of Agreement; or
B. Treat Agreement as remaining in existence, curing Company’s default by performing or paying the obligation that Company has breached. In such event all sums paid or expenses incurred by Authority directly or indirectly in curing Company’s default will become immediately due and payable, as well as interest thereon, from the date such fees or charges became due to the date of payment, at the Federal Reserve Bank of New York prime rate in effect on the date the fees or charges became due plus four percent (FRBNY prime + 4%) or 12% per annum, whichever is greater, to the maximum extent permitted by law.

No delay, failure, or omission of Authority to re-enter the Premises or to exercise any right, power, privilege, or option arising from any default nor subsequent acceptance of fees or charges then or thereafter accrued will impair any such right, power, privilege, or option, or be construed to be a waiver of any such default or relinquishment, or acquiescence of the Premises. No notice by Authority will be required to restore or revive time is of the essence hereof after waiver by Authority or default in one or more instances. No option, right, power, remedy, or privilege of Authority will be construed as being exhausted or discharged by the exercise thereof in one or more instances. It is agreed that each and all of the rights, powers, options, privileges, or remedies given to Authority by this Agreement are cumulative and that the exercise of one right, power, option, privilege or remedy by Authority will not impair its rights to any other right, power, option, privilege or remedy available under this Agreement or provided by law.

10.03 Continuing Responsibilities of Company

Notwithstanding the occurrence of any event of default, Company will remain liable to Authority for the prompt payment of all Rents, fees and charges due hereunder and for all preceding breaches of any covenant of this Agreement. Furthermore, unless Authority elects to terminate this Agreement, Company will remain liable for and promptly pay any and all payments accruing hereunder until termination of this Agreement.
10.04 **Company's Remedies**

Upon 30 days’ written notice to Authority, Company may terminate this Agreement and all of its obligations hereunder, if Company is not in default of any term, provision, or covenant of this Agreement or in the payment of any Rents, fees or other charges to Authority, and only upon or after the occurrence of the inability of Company to use Airport for a period of longer than 90 consecutive days due to war, terrorism, or the issuance of any order, rule or regulation by a competent governmental authority or court having jurisdiction over Authority, preventing Company from operating its business for a period of 90 consecutive days, provided, however, that such inability or such order, rule or regulation is not due to any fault or negligence of Company.

**ARTICLE 11**

**DISCLAIMER OF LIENS**

Company agrees not to encumber the Premises indirectly or directly without prior written consent of Authority and to keep the Premises free from all encumbrances, including but not limited to, mortgages, pledges, liens (equitable or otherwise), charges, security interests or other claims of any nature.

reputable title company or other escrow agent acceptable to Authority, security reasonably satisfactory to Authority to secure payment of such lien, if requested by Authority, while Company contests to conclusion the claim giving rise to such lien.

Company will furnish releases or waivers as may be required to satisfy Authority that there are no outstanding claims or liens. To the maximum extent permitted by Florida law, Authority may require Company, at Company’s expense, to indemnify Authority, its Board Members, officers, employees, agents, servants and volunteers against any such construction, mechanics’, materialmen’s, suppliers’, professional, laborers’, equitable or other liens or claims and the attorney’s fees and legal costs that could be incurred defending against such liens or claims. In the event all or a portion of the Premises is partially damaged by fire, explosion, the elements, a public enemy, Act of God, or other casualty, but not rendered untenable, Company will give Authority immediate notice thereof, and Authority will make the repairs immediately, at its own cost and expense.
17.02 **Extensive Damage**

In the event damages as referenced in Section .01 of this Article are so extensive as to render all or a significant portion of the Premises untenable, but capable of being repaired within 120 days, Company will give Authority immediate notice thereof, and Authority will make the repairs with due diligence, at its own cost and expense.

17.03 **Complete Destruction**

In the event the Premises are completely destroyed by fire, explosion, the elements, a public enemy, Act of God, or other casualty or are so damaged as to render the entire Premises untenable, and the Premises cannot be repaired within 120 days, Company will give Authority immediate notice thereof, and Authority will be under no obligation to repair, replace, and reconstruct said Premises. In the event Authority elects not to repair, replace, and reconstruct said Premises, Authority will not be required to grant alternative premises and this Agreement and the obligations of the Parties hereunder will terminate.

17.04 **Abatement of Rents**

In the event of extensive damage or complete destruction as referenced in Sections .02 and .03 of this Article, the portion of the rent attributable to untenable Premises will abate from the date of casualty until such time as Authority issues notice to Company that the untenable portion of the Premises can be re-occupied. Notwithstanding the foregoing, in the event the Premises are damaged or destroyed as a result of the act or omission of Company, including negligence, Company's Rents, fees and charges will not abate, and Company will be responsible for all costs to repair or rebuild that portion of the Premises damaged or destroyed as a result of Company's act or omission.

17.05 **Limits of Authority's Obligations Defined**

Redecoration, replacement, and refurbishment of furniture, fixtures, equipment, and supplies will be the responsibility of and paid for by Company, and any such redecoration and refurbishing or re-equipping will be of equivalent quality to that originally installed hereunder. Authority will not be responsible to Company for any claims related to loss of use, loss of profits, or loss of business resulting from any partial, extensive, or complete destruction of the Premises regardless of cause of damage.
17.06 **Waiver of Subrogation**

To the extent such insurance permits, and then only to the extent collected or collectable by Company under its property insurance coverage, Company waives any and all claims against Authority and its agents, servants and employees for loss or damage to property.

**ARTICLE 18**

**COMPLIANCE WITH LAWS, REGULATIONS, ORDINANCES, RULES**

Company, its officers, employees, agents, subcontractors, or those under its control, will at all times comply with applicable federal, state, and local laws and regulations, Authority's Rules, Regulations, Policies, Standard Procedures and Operating Directives as are now or may hereinafter be prescribed by Authority, all applicable health rules and regulations and other mandates whether existing or as promulgated from time to time by the federal, state, or local government, or Authority including, but not limited to, permitted and restricted activities, security matters, parking, ingress and egress, environmental and storm water regulations and any other operational matters related to the operation of the Airport. Company, its officers, employees, agents, subcontractors, and those under its control will comply with safety, operational, or security measures required of Company or Authority by the FAA or Transportation Security Administration (TSA). If Company, its officers, employees, agents, subcontractors or those under its control will fail or refuse to comply with said measures, and such non-compliance results in a monetary penalty being assessed against Authority, then, in addition to any other remedies available to Authority, Company will be responsible and will reimburse Authority in the full amount of any such monetary penalty or other damages. This amount must be paid by Company within ten days of written notice.

**ARTICLE 19**

**FAA APPROVAL**

This Agreement may be subject to approval of the FAA. If the FAA disapproves this Agreement, it will become null and void, and both Parties will bear their own expenses relative to this Agreement, up to the date of disapproval.

**ARTICLE 20**

**ENVIRONMENTAL**

20.01 **General Conditions**

Notwithstanding any other provisions of this Agreement, and in addition to any and all other requirements of this Agreement or any other covenants, representations, or warranties of
Company, Company hereby expressly covenants, warrants, and represents to Authority, in connection with Company’s operations on the Premises, the following:

A. Company is knowledgeable of and agrees to comply with all applicable federal, state, and local environmental laws, ordinances, rules, regulations, and orders that apply to Company’s facilities or operations at the Premises and acknowledges that such environmental laws, ordinances, rules, regulations, and orders change from time to time, and Company agrees to keep informed of any such future changes.

B. In addition to any and all other requirements of Company to indemnify and hold Authority harmless contained in this Agreement, Company agrees to hold harmless and indemnify Authority for any violation by Company of such applicable federal, state, and local environmental laws, ordinances, rules, regulations, and orders and for any non-compliance by Company with any permits issued to Company pursuant to such environmental laws, which hold harmless and indemnity will include, but not be limited to, enforcement actions to assess, abate, remediate, undertake corrective measures, and monitor environmental conditions and for any monetary penalties, costs, expenses, or damages, including natural resource damages, imposed against Company, its employees, invitees, suppliers, or service providers or against Authority by reason of Company’s violation or non-compliance.

C. Company agrees to cooperate with any investigation, audit, or inquiry by Authority or any governmental agency regarding possible violation of any environmental law or regulation upon the Premises.

D. Company agrees that all remedies of Authority as provided herein with regard to violation of any federal, state, or local environmental laws, ordinances, rules, regulations, or orders will be deemed cumulative in nature and will survive termination of this Agreement.

E. Company agrees that any notice of violation, notice of non-compliance, or other enforcement action of the nature described herein will be provided to Authority within 24 hours of receipt by Company or Company’s agent. Any violation or notice of violation or non-compliance with federal, state, or local environmental law or ordinance that Company fails to rectify within the cure period established in the “Default and Termination” Article of this Agreement will be deemed a default under this Agreement. Any such default that is not cured will be grounds for termination of this Agreement.

F. In entering this Agreement, Authority expressly relies on the covenants, representations, and warranties of Company as stated herein.
20.02 Environmental Considerations

A. Company, its officers, agents, servants, employees, invitees, independent contractors, successors, and assigns will not discharge or spill any Hazardous Substance, as defined herein, into any component of the storm drainage system or onto any paved or unpaved area within the boundaries of the Premises. In addition, Company will not discharge or spill any Hazardous Substance into any component of the sanitary sewer system without first neutralizing or treating same as required by applicable anti-pollution laws or ordinances, in a manner satisfactory to Authority and other public bodies, federal, state, or local, having jurisdiction over or responsibility for the prevention of pollution of canals, streams, rivers, and other bodies of water. Company's discharge, spill or introduction of any Hazardous Substance onto the Premises or into any component of Authority's sanitary or storm drainage systems will, if not remedied by Company with all due dispatch, at the sole discretion of Authority, be deemed a default and cause for termination of this Agreement by Authority, subject to notice and cure. Such termination will not relieve Company of or from liability for such discharge or spill.

B. If Company is deemed to be a generator of hazardous waste, as defined by federal, state, or local law, Company will obtain a generator identification number from the U. S. Environmental Protection Agency (EPA) and the appropriate generator permit and will comply with all federal, state, and local laws, and any rules and regulations promulgated thereunder, including but not limited to, ensuring that the transportation, storage, handling, and disposal of such hazardous wastes are conducted in full compliance with applicable law.

C. Company agrees to provide Authority, within 10 days after Authority's request, copies of all hazardous waste permit application documentation, permits, monitoring reports, transportation, responses, storage and disposal plans, material safety data sheets and waste disposal manifests prepared or issued in connection with Company's use of the Premises.

D. At the end of the Agreement, Company will dispose of all solid and hazardous wastes and containers in compliance with all applicable regulations. Copies of all waste manifests will be provided to Authority at least 30 days prior to the end of the Agreement.
Hazardous Substance and Solid Waste

A. The term “Hazardous Substance”, as used in this Agreement, will mean:

(1) any substance the presence of which requires or may later require notification, investigation or remediation under any environmental law; or

(2) any substance that is or becomes defined as a “hazardous waste”, “hazardous material”, “hazardous substance”, “pollutant”, or “contaminant” under any environmental law, including, without limitation, the Comprehensive Environmental Response, Compensation and Liability Act (42 U.S.C. §9601 et seq.), the Resources Conservation and Recovery Act (42 U.S.C. §6901 et seq.) and the associated regulations; or

(3) any substance that is toxic, explosive, corrosive, flammable, infectious, radioactive, carcinogenic, mutagenic, or otherwise hazardous and is or becomes regulated by any governmental authority, agency, department, commission, board, agency, or instrumentality of the United States, any state of the United States, or any political subdivision within any state; or

(4) any substance that contains gasoline, diesel fuel, oil, or other petroleum hydrocarbons or volatile organic compounds; or

(5) any substance that contains polychlorinated biphenyls (PCBs), asbestos or urea Formaldehyde foam insulation; or

(6) any substance that contains or emits radioactive particles, waves, or materials, including, without limitation, radon gas.

B. The term “Solid Waste”, as used in this Agreement, will mean:

(1) any waste that is or becomes defined as a “solid waste”, “waste”, “special waste”, “garbage”, or “commercial solid waste” under any environmental law, including but not limited to, the rules of the Florida Department of Environmental Protection (FDEP), specifically Chapter 62-702, Florida Administrative Code (FAC); or

(2) any waste that can require special handling and management, including but not limited to, white goods, waste tires, used oil, lead-acid batteries, construction and demolition debris, ash residue, yard trash, biological wastes, and mercury-containing devices and lamps; or
(3) any waste that is not hazardous waste and that is not prohibited from disposal in a lined landfill under Rule 62-701.300, FAC; or

(4) yard trash, construction and demolition debris, processed tires, asbestos, carpet, cardboard, paper, glass, plastic, or furniture other than appliances.

20.04 Prior Environmental Impacts

Nothing in this Article will be construed to make Company liable in any way for any environmental impacts or release of Hazardous Substances, as defined herein, affecting the Premises that occurred prior to Company's entry upon the Premises or that occurred as a result of the actions of Authority or any of its employees, agents, or contractors.

20.05 Off-Site Environmental Impacts

Nothing in this Article will be construed to make Company liable in any way for any environmental impacts or release of Hazardous Substances affecting the Premises that occurs by reason of the migration or flow to the Premises from verifiable or documented off-site environmental impacts that is not attributable to Company's activities at the Premises.

20.06 Petroleum Storage Systems

A. At Company's expense, Company will at all times comply with all federal, State, and local requirements, including but not limited to, the regulations of the FDEP as stated in Chapters 62-761 and 62-762, FAC, the requirements of 40 CFR Part 112, as well as the requirements of the EPC, as may be amended or replaced, pertaining to petroleum storage tank and piping system construction, operation, inspection, and compliance monitoring programs; release detection methods and procedures; maintenance; and preventative maintenance programs. Company will be responsible for all spillage, overflow, or escape of gases, petroleum or petroleum products, occurring during the term of this Agreement and for all fines and penalties in connection therewith. All petroleum storage systems will be registered by Company, and Company will display the registration placard as required by law.

B. Company will train its employees and employees of fuel suppliers on proper fuel delivery and dispensing procedures with an emphasis on safety as well as on spill prevention and response. All fuel delivered to or dispensed from fuel farm facilities will be attended by a Company employee. Company will comply with all requirements of 40 CFR Part 112, as may be revised or amended. As a result, Company will prepare and implement a Spill
Prevention Control and Countermeasure plan as applicable. Notification and response related to the spill or release of petroleum products will be in compliance with FDEP regulations as well as EPC's requirements.

C. Company will strictly comply with safety and fire prevention ordinances of the City of Tampa and Hillsborough County and all applicable safety regulations at the Premises that may be adopted by Authority. Company will provide adequate fire extinguishers and will establish a fuel dispensing operations manual for its employees and submit a copy to Authority.

D. Company is responsible for all costs and expenses that may be incurred as a result of compliance with this Section.

20.07 **Stormwater**

Notwithstanding any other provisions or terms of this Agreement, Company acknowledges that certain properties within the Premises or on Authority-owned land are subject to stormwater rules and regulations. Company agrees to observe and abide by such stormwater rules and regulations as may be applicable to the Premises, and, if applicable, Company hereby expressly covenants, warrants, and represents to Authority, in connection with Company’s operations on the Premises, the following:

A. Company is required to submit a Notice of Intent to use the State of Florida Multi-Sector Generic Permit for Stormwater Discharge Associated with Industrial Activity. Authority and Company both acknowledge that close cooperation is necessary to ensure compliance with any stormwater discharge permit terms and conditions, as well as to ensure safety and to minimize the cost of compliance. Company acknowledges further that it may be necessary to undertake actions to minimize the exposure of stormwater to “significant materials” (as such term may be defined by applicable stormwater rules and regulations) generated, stored, handled, or otherwise used by Company by implementing and maintaining “best management practices” (BMPs) (as such term may be defined in applicable stormwater rules and regulations). Company will establish a BMP plan for the Premises and submit a copy to Authority.

B. Company will be knowledgeable of any stormwater discharge permit requirements applicable to Company and with which Company will be obligated to comply. The submittal of a Notice of Intent will be made by Company to the FDEP, and a copy will be submitted to Authority. Company is required to comply with the following requirements including, but not limited to, certification of non-stormwater discharges; collection of stormwater samples;
preparation of a Stormwater Pollution Prevention Plan or similar plans; implementation of BMPs; and maintenance and submittal of necessary records. In complying with such requirements, Company will observe applicable deadlines set by the regulatory agency that has jurisdiction over the permit. Company agrees to undertake, at its sole expense, those stormwater permit requirements for which it has received written notice from the regulatory agency and that apply to the Premises, and Company agrees that it will hold harmless and indemnify Authority for any violations or non-compliance with any such permit requirements.

20.08 **Environmental Inspection at End of Agreement Term**

A. At least 120 days before the expiration or early termination of the term, Company will conduct an environmental inspection and examination of the Premises. At its discretion Authority may complete environmental reviews to determine if recognized environmental conditions exist that could warrant soil and groundwater sampling. If warranted by the findings of Company or Authority’s inspection or if requested by Authority, a compliance audit or site assessment will be performed within the aforementioned time period by a qualified professional acceptable to Authority who will report the findings to Authority. The cost for professional consulting or engineering services required for such audit will be at the expense of Company. If a site assessment is conducted, Company agrees to pay all associated laboratory and testing fees incurred to test and analyze samples collected during the site assessment process. Authority may also choose to conduct the compliance audit or site assessment. If the results of the assessment indicate that the Premises have been impacted by the release of Hazardous Substances or if hazardous waste is detected, Company will immediately take such action as is necessary and will provide a substantial guaranty in a form and content acceptable to Authority that Company will clean up the contamination at its own expense, at no expense to Authority, and in accordance with applicable federal, state, and local laws to the extent that it is obligated to do so by virtue of the foregoing provisions of this Article.

B. During the period of a cleanup due to the environmental condition of the Premises or Common Use Areas, Company’s obligations, including the payment of Rents, fees and charges, under the existing terms of the Agreement will continue in full force and effect, in addition to any other damages for which Company may be liable.

C. The firm conducting cleanup work must be approved by Authority, and the methodology used by such firm must be consistent with engineering practices and methods required by
the State of Florida or the United States government and must be reasonably acceptable to Authority.

ARTICLE 22
NON-DISCRIMINATION

These provisions apply to all work performed under this Agreement. Failure to comply with the terms of these provisions may be sufficient grounds to:

A. Terminate this Agreement;
B. Seek suspension/debarment of Company; or
C. Take any other action determined to be appropriate by Authority or the FAA.

22.01 Civil Rights – General – 49 USC § 47123

B. Duration:

(1) This provision binds Company from the effective date through the completion of this Agreement. This provision is in addition to that required of Title VI of the Civil Rights Act of 1964.

(2) This provision also obligates Company or its transferee for the period during which Federal assistance is extended to the Airport through the Airport Improvement Program, except where Federal assistance is to provide, or is in the form of personal property, real property or interest therein, structures or improvements
thereon. In these cases, the provision obligates Company or any transferee for the longer of the following periods:

(a) The period during which the property is used by Authority or any transferee for a purpose for which Federal assistance is extended, or for another purpose involving the provision of similar services or benefits; or

(b) The period during which Authority or any transferee retains ownership or possession of the property.

Company will not participate directly or indirectly in the discrimination prohibited by the Acts and the Regulations, including but not limited to those listed at Section 22.02(B) below, including employment practices when this Agreement covers any activity, project, or program set forth in Appendix B of 49 CFR Part 21.

(3) Solicitations for Subcontracts, Including Procurements of Materials and Equipment: In all solicitations, either by competitive bidding, or negotiation made by Company for work to be performed under a subcontract, including procurements of materials or leases of equipment, each potential subcontractor or supplier will be notified by Company of Company’s obligations under this Agreement and the Acts and the Regulations relative to non-discrimination on the grounds of race, color, or national origin.
(4) Information and Reports: Company will provide all information and reports required by the Acts, the Regulations, and directives issued pursuant thereto and will permit access to its books, records, accounts, other sources of information, and its facilities as may be determined by Authority or the FAA to be pertinent to ascertain compliance with such Acts, Regulations, and directives. Where any information required of a contractor is in the exclusive possession of another who fails or refuses to furnish the information, Company will so certify to Authority or the FAA, as appropriate, and will set forth what efforts it has made to obtain the information.

(5) Sanctions for Non-compliance: In the event of Company’s non-compliance with the non-discrimination provisions of this Agreement, Authority will impose such Agreement sanctions as it or the FAA may determine to be appropriate, including, but not limited to, cancelling, terminating, or suspending this Agreement, in whole or in part.

(6) Incorporation of Provisions: Company will include the provisions of paragraphs one through six of this Article in every subcontract, including procurements of materials and leases of equipment, unless exempt by the Acts, the Regulations and directives issued pursuant thereto. Company will take action with respect to any subcontract or procurement as Authority or the FAA may direct as a means of enforcing such provisions including sanctions for non-compliance. Provided, that if Company becomes involved in, or is threatened with litigation by a subcontractor or supplier because of such direction, Company may request Authority to enter into any litigation to protect the interests of Authority. In addition, Company may request the United States to enter into the litigation to protect the interests of the United States.

B. Title VI List of Pertinent Non-Discrimination Authorities:

During the performance of this Agreement, Company, for itself, its assignees, and successors in interest agrees to comply with the following non-discrimination statutes and authorities:

Notwithstanding anything herein contained that may be, or appear to be, to the contrary, it is expressly understood and agreed that the rights granted under this Agreement are non-exclusive and Authority herein reserves the right to grant similar privileges to another lessee or other tenants on other parts of the Airport.

ARTICLE 24
RIGHT TO DEVELOP AIRPORT

It is covenanted and agreed that Authority reserves the right to further develop or improve the Airport and all landing areas and taxiways as it may see fit, regardless of the desires or views of Company or its subcontractors and without interference or hindrance.
ARTICLE 25
RIGHT OF ENTRY

Authority will have the right to enter the Premises for the purpose of periodic inspection of the Premises from the standpoint of safety and health, and monitoring of Company’s compliance with the terms of this Agreement.

ARTICLE 26
RIGHT OF FLIGHT

Authority reserves, for the use and benefit of the public, a right of flight for the passage of aircraft in the airspace above the surface of the real property owned by Authority, including the Premises, together with the right to cause in said airspace such noise as may be inherent in the operation of aircraft, now known or hereafter used, for navigation of or flight in said airspace, and for the use of said airspace for landing on, taking off from or operating on Airport.

Company expressly agrees for itself, its successors and assigns, to restrict the height of structures, objects of natural growth and other obstructions on the Premises to such a height so as to comply with Federal Aviation Regulations, Part 77 and Authority zoning. Company further expressly agrees for itself, its successors and assigns, to prevent any use of the Premises or Common Use Areas that would interfere with or adversely affect the operation or maintenance of Airport, or otherwise constitute an Airport hazard.

ARTICLE 27
PROPERTY RIGHTS RESERVED

This Agreement will be subject and subordinate to all the terms and conditions of any instruments and documents under which Authority acquired the land or improvements thereon, of which said Premises are a part. Company understands and agrees that this Agreement will be subordinate to the provisions of any existing or future agreement between Authority and the United States of America, or any of its agencies, relative to the operation or maintenance of the Airport, the execution of which has been or may be required as a condition precedent to the expenditure of federal funds for the development of the Airport, and to any terms or conditions imposed upon the Airport by any other governmental entity.
ARTICLE 28
SIGNS

28.01 Written Approval

Except with the prior written approval of Authority, Company will not erect, maintain, or display any signs or any advertising at or on the Premises or Common Use Areas.

28.02 Removal

Upon the expiration or termination of Agreement, Company will remove, obliterate or paint out, as Authority may direct, any and all signs and advertising on the Premises and Common Use Areas and, in connection therewith, will restore the portion of the Premises and Common Use Areas affected by such signs or advertising to the same conditions as existed at the commencement of the term. In the event of failure on the part of Company to remove, obliterate, or paint out each and every sign or advertising and restore the Premises and Common Use Areas, Authority may perform the necessary work, at the expense of Company.

ARTICLE 29
ASSIGNMENT AND SUBLEASING

Company will not assign or sublease this Agreement without the prior written consent of Authority. Such consent may be withheld at the sole discretion of Authority. If a sublease is approved, Company will be solely responsible for ensuring that its subslessee performs pursuant to and in compliance with the terms of this Agreement.

In no event will any approved assignment or sublease diminish Authority’s rights to enforce any and all provisions of this Agreement.

Before any assignment or sublease becomes effective, the assignee or subslessee will assume and agree by written instruments to be bound by the terms and conditions of this Agreement during the remainder of the term.

ARTICLE 30
COMPANY TENANCY

The undersigned representative of Company hereby warrants and certifies to Authority that Company is an organization in good standing in its state of registration, that it is authorized to do business in the State of Florida, and that the undersigned officer is authorized and empowered to bind the organization to the terms of this Agreement by his or her signature thereto.
ARTICLE 31
CONDEMNATION

If the whole or any part of the Premises is acquired by a condemning authority, either by sale in lieu of condemnation or by the exercise of the power of eminent domain, then in and as a direct result of that event, this Agreement will terminate from the date of sale or title vesting, and Company will have no claim whatsoever, including claims of apportionment, against Authority either for the value of any unexpired term of said Agreement or for the value of leasehold improvements. However, nothing in this provision will limit or destroy any right of Company to separately claim moving costs or business loss solely against the condemning authority where statutes or other applicable law apply.

ARTICLE 32
SURRENDER OF PREMISES

Company will surrender up and deliver the Premises to Authority upon the conclusion of the term in the same condition as existed at the commencement of the term, ordinary wear and tear excepted. Provided Company is not in default of this Agreement, Company will immediately remove all of its personal property from the Premises and Common Use Areas at the conclusion of the term. Failure on the part of Company to remove its personal property within 10 days after the date of termination will constitute a gratuitous transfer of title thereof to Authority for whatever disposition is deemed to be in the best interest of Authority. Any costs incurred by Authority in the disposition of such personal property will be borne by Company. If Company is in default of any rent terms of this Agreement, Authority will have a lien for such rent upon any property found upon the Premises or Common Use Areas in accordance with Florida statutes and, in such event, Company will not remove any property from the Premises or Common Use Areas without written approval of Authority.

ARTICLE 33
PERSONAL PROPERTY

Any personal property of Company or others placed in the Premises or Common Use Areas will be at the sole risk of Company, and Authority will not be liable for any loss or damage thereto, irrespective of the cause of such loss or damage, and Company hereby waives all rights of subrogation against or recovery from Authority for such loss or damage unless such damage or loss is the result of negligence or activity on the Premises or Common Use Areas by Authority.
ARTICLE 34
APPLICABLE LAW AND VENUE

This Agreement will be construed in accordance with the laws of the State of Florida. Venue for any action brought pursuant to this Agreement will be in Hillsborough County, Florida, or in the Tampa Division of the U.S. District Court for the Middle District of Florida.

Company hereby waives any claim against Authority, and its officers, board members, agents, or employees for loss of anticipated profits caused by any suit or proceedings directly or indirectly attacking the validity of this Agreement or any part hereof, or by any judgment or award in any suit or proceeding declaring this Agreement null, void, or voidable, or delaying the same, or any part hereof, from being carried out.

ARTICLE 35
AUTHORITY APPROVALS

Except as otherwise indicated elsewhere in this Agreement, wherever in this Agreement approvals are required to be given or received by Authority, it is understood that the Chief Executive Officer, or a designee of the Chief Executive Officer, is hereby empowered to act on behalf of Authority.

ARTICLE 36
ATTORNEYS’ FEES AND COSTS

In the event legal action is required by Authority to enforce this Agreement, Authority will be entitled to recover costs and attorneys' fees, including in-house attorney time (fees) and appellate fees.

ARTICLE 37
INVALIDITY OF CLAUSES

The invalidity of any part, portion, article, paragraph, provision, or clause of this Agreement will not have the effect of invalidating any other part, portion, article, paragraph, provision, or clause thereof, and the remainder of this Agreement will be valid and enforced to the fullest extent permitted by law.

ARTICLE 38

The headings contained herein, including the Table of Contents, are for convenience in reference and are not intended to define or limit the scope of any provisions of this Agreement. If for any reason there is a conflict between content and headings, the content will control.
