Metroplex (NextGen)

Metroplex (NextGen) – Key Facts

- Congressional mandate to the Federal Aviation Administration (FAA) to transform the National Airspace System.
- Primary component is implementation of Performance Based Navigation (PBN), moving away from ground based navigation to satellite based navigation.
- South-Central Florida implementation (including TPA) not expected for at least 18-24 months.
- Majority of NextGen expected to be fully implemented by 2021.

More to Come on Metroplex...

- FAA is the agency implementing congressionally mandated modernization of the National Airspace System.
- The FAA held their first round of public meetings in our area between April 29 and May 2, 2019.
 - This is the first of two rounds of meetings
 - The FAA will now be conducting an environmental assessment on their procedural enhancements around our airspace
 - The FAA is expected to return for another round of public meetings in Spring/Summer 2020
- The FAA continues their evaluation of the Florida Metroplex project and more information will be made available as communicated by FAA.
- Hillsborough County Aviation Authority is committed to:
 - Community engagement on Metroplex.
 - Making sure residents and stakeholders are involved in the process to the greatest extent possible allowed by the FAA.
 - We welcome the opportunity to engage with your HOA to help encourage your community to participate in public FAA meetings, when they are scheduled.
