SECURITY FOR PAYMENT

- 18.01 Payment Security Requirements.
- A. Unless Company has maintained an agreement similar to this Agreement with Authority during the eighteen (18) months prior to the Effective Date without the occurrence of any failure to pay within sixty (60) days or more of the due date under such prior agreement, Company will provide Authority on or before the Effective Date with acceptable Payment Security. The Company will be obligated to maintain such Payment Security in effect until the expiration of eighteen (18) consecutive months during which Company commits no default under this Agreement. Such Payment Security will be in a form and with a company

acceptable to Authority and licensed to do business in the State. In the event that any such Payment Security is for a period less than the full period required under this Agreement or if such Payment Security is canceled, Company will provide a renewal or replacement Payment Security for the remaining required period at least sixty (60) days prior to the date of such expiration or cancellation. Such Payment Security will require notice by the surety to Authority at least sixty (60) days prior to any cancellation. If such renewal or replacement Payment Security is not provided within thirty (30) days prior to cancellation, Authority may draw upon such Payment Security and hold such funds as Payment Security hereunder.

- B. In the event Authority is required to draw down or collect against Company's Payment Security for any reason, Company will, within fifteen (15) days after such draw down or collection, take such action as is necessary to replenish the existing Payment Security to an amount equal to three (3) months' estimated Rents or provide additional or supplemental Payment Security from another source so that the aggregate of all Payment Security is equal to three (3) months' estimated Rents payable by Company pursuant to this Agreement.
- C. In addition to the foregoing, upon the occurrence of any act or omission by Company that would constitute an Event of Default under this Agreement, or upon Company's election to assume this Agreement under Federal Bankruptcy Rules and Regulations, as such may be amended, supplemented, or replaced, Authority, by written notice to Company given at any time within ninety (90) days of the date such event becomes known to Authority, may impose or re-impose the requirements of this Article upon Company. In such event, Company will provide Authority with the required Payment Security within fifteen (15) days from its receipt of such written notice and will thereafter maintain such Payment Security in effect until the expiration of a period of eighteen (18) consecutive months during which Company commits no additional act or omission that would constitute a default under in this Agreement or the termination of bankruptcy proceedings, whichever is later.
- D. If Company fails to obtain and keep in force the Payment Security required hereunder, such failure will be grounds for immediate termination of this Agreement. The Authority's rights under this Article will be in addition to all other rights and remedies provided to Authority under this Agreement.

18.02 Satisfactory Performance. Subject to the provisions of the Payment Security Requirements Section above, the Payment Security will be returned within ninety (90) days following the expiration of the Term of this Agreement, subject to the satisfactory performance by Company of all terms, conditions, and covenants contained herein.

ARTICLE 19
PROPERTY DAMAGES

- 19.01 Partial Damage. In the event all or a portion of the Company Premises is partially damaged by fire, explosion, the elements, a public enemy, Act of God, or other casualty, but not rendered untenable, Company will give Authority immediate notice thereof, and Authority will make the repairs promptly, at its own cost and expense.
- 19.02 Extensive Damage. In the event damages as referenced in Section 19.01 are so extensive as to render all or a significant portion of the Company Premises untenable, but capable of being repaired within 120 days, Company will give Authority immediate notice thereof, and Authority will make the repairs with due diligence, at its own cost and expense.
- 19.03 Complete Destruction. In the event the Company Premises are completely destroyed by fire, explosion, the elements, a public enemy, Act of God, or other casualty or are so damaged as to render the entire Company Premises untenable, and the Company Premises cannot be repaired within 120 days, Company will give Authority immediate notice thereof, and Authority will be under no obligation to repair, replace, and reconstruct the Company Premises. In the event Authority elects not to repair, replace, and reconstruct the Company Premises, Authority will not be required to grant alternative premises and this Agreement and the obligations of the Parties hereunder will terminate.
- 19.04 Abatement of Rents. In the event of extensive damage or complete destruction as referenced in Sections 19.02 and 19.03, the portion of the Rents attributable to untenable Company Premises will abate from the date of casualty until such time as Authority issues notice to Company that the untenable portion of the Company Premises can be re-occupied. Notwithstanding the foregoing, in the event the Company Premises are damaged or destroyed as a result of the act or omission of Company, including negligence, Company's Rents will not abate, and Company will be responsible for all costs to repair or rebuild that portion of the Company Premises damaged or destroyed as a result of Company's act or omission.
- 19.05 Limits of Authority's Obligations Defined. Redecoration, replacement, and refurbishment of furniture, fixtures, equipment, and supplies will be the responsibility of and paid for by Company, and any such redecoration, replacement, and refurbishing or re-equipping will be of equivalent quality to that originally installed hereunder. The Authority will not be responsible to Company for any claims related to loss of use, loss of profits, or loss of business resulting from any partial, extensive, or complete destruction of the Company Premises regardless of cause of damage.

19.06 Waiver of Subrogation. To the extent such insurance permits, and then only to the extent collected or collectable by Company under its property insurance coverage, Company waives any and all claims against Authority and the Indemnified Parties for loss or damage to property.

ARTICLE 22

ENVIRONMENTAL

22.01 General Conditions. Notwithstanding any other provisions of this Agreement, and in addition to any and all other requirements of this Agreement or any other covenants, representations, or warranties of Company, Company hereby expressly covenants, warrants, and represents to Authority, in connection with Company's operations on its Company Premises and at the Airport, the following:

- A. Company is knowledgeable of and agrees to comply with all applicable Environmental Laws that apply to Company's facilities or operations at its Company Premises or the Airport. The Company acknowledges that such Environmental Laws change from time to time, and Company agrees to keep informed of any such future changes.
- B. In addition to any and all other requirements of Company to indemnify and hold Authority harmless contained in this Agreement, to the maximum extent permitted by State law, Company agrees to indemnify and defend and hold harmless Authority and all other Indemnified Parties from all costs, claims, demands, actions, liabilities, complaints, fines, citations, violations, or notices of violation arising from or attributable to: (i) any violation by Company or any of its Company Parties of such applicable Environmental Laws and for any non-compliance by Company or any of its Company Parties with any permits issued to Company pursuant to such Environmental Laws, (ii) a presence or release of Hazardous

Substances into the environment caused in whole or in part by Company or any of its Company Parties at its Company Premises or the Airport, or the subsurface, waters, air, or ground thereof, in excess of levels allowable by Environmental Laws, or the violation of any Environmental Laws due to Company's or its Company Parties' management, control, authorization, handling, possession, or use of Hazardous Substances at its Company Premises or elsewhere at the Airport; (iii) any breach by Company of any of the requirements of this Article 22; (iv) Company's remediation or failure to remediate Hazardous Substances as required by this Agreement; which indemnity will include, but not be limited to, enforcement actions to assess, abate, remediate, undertake corrective measures, and monitor environmental conditions and for any monetary penalties, costs, expenses, or damages, including natural resource damages, imposed against Company or its Company Parties or against Authority by reason of Company's or its Company Parties' violation or non-compliance with Environmental Laws. The Company's obligations hereunder will survive the termination of the Term of this Agreement, and will not be affected in any way by the amount of or the absence in any case of covering insurance or by the failure or refusal of any insurance carrier to perform any obligation on its part under insurance policies affecting the Airport or any part thereof, except that, in the event that Authority recovers funds from insurance carriers in connection with claims associated with (i), (ii), (iii) or (iv) above, Authority may not recover the same funds from Company; and provided, further, that the foregoing indemnity obligations are subject to the provisions of paragraphs (C) and (D) of Article 16 to the extent applicable.

- C. The Company agrees to cooperate with any investigation, audit, or inquiry by Authority or any Governmental Authority regarding possible violation of any Environmental Law upon the Company Premises or elsewhere at the Airport.
- D. The Company agrees that all remedies of Authority as provided herein with regard to violation of any Environmental Laws will be deemed cumulative in nature and will survive termination of this Agreement.
- E. The Company agrees that any notice of violation, notice of non-compliance, or other enforcement action of the nature described herein will be provided to Authority within twenty-four (24) hours of receipt by Company or Company's agent. In the event Authority receives a notice of violation, notice of non-compliance, or other enforcement action of the nature described herein, it will promptly provide that notice to Company. Any violation or notice of violation or non-compliance with an Environmental Law that Company fails to rectify within the cure period established in the "Default and Termination" Article of this Agreement will be deemed an Event of Default under this Agreement.

- F. In entering this Agreement, Authority expressly relies on the covenants, representations, and warranties of Company as stated herein.

22.02 Environmental Considerations.

- A. The Company and its Company Parties will not discharge or spill any Hazardous Substance into any component of the storm drainage system or onto any paved or unpaved area within the boundaries of the Company Premises. In addition, neither Company nor any Company Party will discharge or spill any Hazardous Substance into any component of the sanitary sewer system without first neutralizing or treating same as required by applicable anti-pollution laws or ordinances, in a manner satisfactory to Authority and other Governmental Authorities having jurisdiction over or responsibility for the prevention of pollution of canals, streams, rivers, bays, and other bodies of water. The Company's discharge, spill or introduction of any Hazardous Substance onto the Company Premises or into any component of Authority's sanitary or storm drainage systems will, if not remedied by Company with all due dispatch, at the sole discretion of Authority, be deemed an Event of Default and cause for termination of this Agreement by Authority, subject to notice and cure. Such termination will not relieve Company of or from liability for such discharge or spill.
- B. If Company is deemed to be a generator of hazardous waste, as defined by Applicable Laws, Company will obtain a generator identification number from the U.S. EPA and the appropriate generator permit and will comply with all Applicable Laws, including but not limited to, ensuring that the transportation, storage, handling, and disposal of such hazardous wastes are conducted in full compliance with Applicable Laws.
- C. The Company agrees to provide Authority, within ten (10) days after Authority's request, copies of all hazardous waste permit application documentation, permits, monitoring reports, transportation, responses, storage and disposal plans, safety data sheets and waste disposal manifests prepared or issued in connection with Company's use of the Company Premises or operations at the Airport.
- D. At the end of the Term of this Agreement, Company will dispose of all solid and hazardous wastes and containers in compliance with all Applicable Laws. Copies of all waste manifests will be provided to Authority at least thirty (30) days prior to the end of the Term of this Agreement.

22.03 Prior Environmental Impacts. Nothing in this Article will be construed to make Company liable in any way for any environmental impacts or release of Hazardous Substances affecting the Company

Premises that occurred prior to Company's entry upon the Company Premises or that occurred as a result of the actions of Authority or any of its employees, agents, or contractors.

22.04 Off-Site Environmental Impacts. Nothing in this Article will be construed to make Company liable in any way for any environmental impacts or release of Hazardous Substances affecting the Company Premises that occurs by reason of the migration or flow to the Company Premises from verifiable or documented off-site environmental impacts that is not attributable to Company's activities at the Company Premises.

22.05 Petroleum Storage Systems.

- A. At Company's expense, Company will at all times comply with all Environmental Laws, including but not limited to, the regulations of the FDEP as stated in Chapters 62-761 and 62-762, FAC, the requirements of the Federal Oil Pollution Prevention regulation found in Title 40 of the Code of Federal Regulations Part 112 (40 CFR Part 112), as well as the requirements of the EPC, as may be amended or replaced, pertaining to petroleum storage tank and piping system construction, operation, inspection, and compliance monitoring programs; release detection methods and procedures; maintenance; and preventative maintenance programs. The Company will be responsible for all spillage, overflow, or escape of gases, petroleum or petroleum products, and for all fines and penalties in connection therewith. All petroleum storage systems will be registered by Company, and Company will display the registration placard as required by law.
- B. The Company will train its employees and employees of fuel suppliers on proper fuel delivery and dispensing procedures with an emphasis on safety as well as on spill prevention and response. All fuel delivered to or dispensed from fuel farm facilities will be attended by a person who has completed an FAA-approved aircraft fueling training program. The Company will comply with all requirements of 40 CFR Part 112, as may be revised or amended. As a result, Company will prepare and implement a Spill Prevention Control and Countermeasure plan as applicable. Notification and response related to the spill or release of petroleum products will be in compliance with FDEP regulations as well as EPC's requirements.
- C. The Company will strictly comply with safety and fire prevention ordinances of the City of Tampa and Hillsborough County and all applicable safety regulations at the Company Premises that may be adopted by Authority. The Company will provide adequate fire extinguishers and will establish a fuel dispensing operations manual for its employees and submit a copy to Authority.

- D. The Company is responsible for all costs and expenses that may be incurred as a result of compliance with this Article.

22.06 Stormwater. Notwithstanding any other provisions or terms of this Agreement, Company acknowledges that certain properties within the Company Premises or on Authority-owned land are subject to stormwater rules and regulations. The Company agrees to observe and abide by such stormwater rules and regulations as may be applicable to the Company Premises or the Airport, and, if applicable, Company hereby expressly covenants, warrants, and represents to Authority, in connection with Company's operations on the Company Premises, the following:

- A. The Company is required to submit a Notice of Intent to use the State of Florida Multi-Sector Generic Permit for Stormwater Discharge Associated with Industrial Activity. The Authority and Company both acknowledge that close cooperation is necessary to ensure compliance with any applicable stormwater discharge permit terms and conditions, as well as to ensure safety and to minimize the cost of compliance. The Company acknowledges further that it may be necessary to undertake actions to minimize the exposure of stormwater to "significant materials" (as such term may be defined by applicable stormwater rules and regulations) generated, stored, handled, or otherwise used by Company by implementing and maintaining BMPs. The Company will establish a BMP plan for the Company Premises and submit a copy to Authority.
- B. The Company will be knowledgeable of any stormwater discharge permit requirements applicable to Company and with which Company will be obligated to comply. The submittal of a Notice of Intent will be made by Company to the FDEP, and a copy will be submitted to Authority. The Company is required to comply with the following requirements including, but not limited to, certification of non-stormwater discharges; collection of stormwater samples; preparation of a Stormwater Pollution Prevention Plan or similar plans; implementation of BMPs; and maintenance and submittal of necessary records. In complying with such requirements, Company will observe applicable deadlines set by the regulatory agency that has jurisdiction over the permit. The Company agrees to undertake, at its sole expense, those stormwater permit requirements for which it has received written notice from the regulatory agency and that apply to the Company Premises, and Company agrees that it will hold harmless and indemnify Authority for any violations or non-compliance with any such permit requirements.

22.07 Environmental Inspection at End of Agreement Term.

- A. At Authority's discretion, at least one hundred and twenty (120) days before the expiration or early termination of the Term as provided herein, Company will conduct an

environmental inspection and examination of the Company Premises. At its discretion, Authority may complete environmental reviews to determine if recognized environmental conditions exist that could warrant soil and groundwater sampling. If warranted by the findings of Company or Authority's inspection or if requested by Authority, a compliance audit or site assessment will be performed within the aforementioned time period by a qualified professional acceptable to Authority who will report the findings to Authority. The cost for professional consulting or engineering services required for such audit will be at the expense of Company. If a site assessment is conducted, Company agrees to pay all associated laboratory and testing fees incurred to test and analyze samples collected during the site assessment process. The Authority may also choose to conduct the compliance audit or site assessment. If the results of the assessment indicate that the Company Premises have been impacted by the release of Hazardous Substances, Company will immediately take such action as is necessary and will provide a substantial guaranty in a form and content acceptable to Authority that Company will clean up the contamination at its own expense, at no expense to Authority, and in accordance with Applicable Laws to the extent that it is obligated to do so by virtue of the foregoing provisions of this Article.

- B. During the period of a cleanup due to the environmental condition of the Company Premises or common use areas, Company's obligations, including the payment of Rents, under the existing terms of this Agreement will continue in full force and effect, in addition to any other damages for which Company may be liable.
- C. The firm conducting cleanup work must be approved by Authority, and the methodology used by such firm must be consistent with engineering practices and methods required by Governmental Authority and must be reasonably acceptable to Authority.

ARTICLE 23
REPORTS AND AUDITS

23.01 Authority Right to Perform Audits, Inspections, or Attestation Engagements.

At any time or times during the Term of this Agreement or within three (3) years after the end of this Agreement, Authority, or its duly authorized representative, will be permitted to initiate and perform audits, inspections or attestation engagements over Company's records for the purpose of substantiating the accuracy of payments to Authority or Company's compliance with other provisions of this Agreement. Free and unrestricted access will be granted to all of Company's records directly pertinent to this Agreement for purposes of substantiating payments or compliance. If the records are maintained at locations other than the Airport, Company will arrange

for said records to be brought to a location convenient to Authority auditors to conduct the engagement as set forth in this Article. In the event Company maintains the needed documentation in electronic format, upon request by Authority auditors, Company will provide a download or extract of data files in a computer readable format acceptable to Authority at no additional cost. Authority has the right during the engagement to interview Company's employees, subconsultants, and subcontractors, and to make photocopies of records as needed. If, as a result of any engagement, it is established that Company owes additional fees or charges to Authority, Company will pay such additional fees and charges and Authority may assess interest in accordance with Article 7.04.

Company agrees to deliver or provide access to all records requested by Authority auditors within seven (7) calendar days of each request. The Parties recognize that Authority will incur additional costs if records requested by Authority auditors are not provided in a timely manner and that the amount of those costs is difficult to determine with certainty. Consequently, the Parties agree that Authority may assess liquidated damages in the amount of one hundred dollars (\$100.00), in addition to all other contractual financial requirements, for each item in a records request, per calendar day, for each time Company is late in submitting requested records to perform the engagement. Accrual of fee will continue until specific performance is accomplished. The Parties expressly agree that these liquidated damages are not a penalty and represent reasonable estimates of fair compensation for the losses that reasonably may be anticipated from Company's failure to comply.

ARTICLE 24

AMERICANS WITH DISABILITIES ACT

The Company will comply with the requirements of the Americans with Disabilities Act; the Florida Americans with Disabilities Accessibility Implementation Act; Florida Building Code, Florida Accessibility Code for Building Construction; and any similar or successor laws, ordinances, rules, standards, codes, guidelines, and regulations and will cooperate with Authority concerning the same subject matter.

ARTICLE 25

NON-DISCRIMINATION

25.01 These provisions apply to all work performed under this Agreement. Failure to comply with the terms of these provisions may be sufficient grounds to:

- A. Terminate this Agreement;
- B. Seek suspension/debarment of Company; or

C. Take any other action determined to be appropriate by Authority or the FAA.

25.02 Civil Rights – General – 49 USC § 47123. The Company agrees to observe and comply with those requirements of the FAA set forth in **Exhibit B**, as such requirements may be amended or interpreted by the FAA or the United States Department of Transportation from time to time.

The Company shall comply with pertinent statutes, Executive Orders and such rules as are promulgated to ensure that no person shall, on the grounds of race, creed, color, national origin, sex, age, or disability be excluded from participating in any activity conducted with or benefiting from Federal assistance. If Company transfers its obligation to another, the transferee is obligated in the same manner as Company.

This provision is in addition to that required of Title VI of the Civil Rights Act of 1964

ARTICLE 26
NON-EXCLUSIVE RIGHTS

Notwithstanding anything herein contained that may be, or appear to be, to the contrary, it is expressly understood and agreed that the rights granted under this Agreement are non-exclusive and Authority herein reserves the right to grant similar privileges to another lessee or other tenants on other parts of the Airport.

ARTICLE 27
RIGHT TO DEVELOP AIRPORT

It is covenanted and agreed that Authority reserves the right to further develop or improve the Airport and all landing areas and taxiways as it may see fit, regardless of the desires or views of Company or its subcontractors and without interference or hindrance.

ARTICLE 28
RIGHT OF ENTRY

The Authority will have the right to enter the Company Premises for the purpose of periodic inspection of the Company Premises from the standpoint of safety and health, and monitoring of Company's compliance with the terms of this Agreement; provided, however, that, except in the case of an emergency as determined by Authority, Authority shall provide Company with prior notice to the Station Manager, if any (as defined in the Basic Agreement), reasonable under the circumstances (which may be oral), of any entry onto the Company Premises.

ARTICLE 29
RIGHT OF FLIGHT

The Authority reserves, for the use and benefit of the public, a right of flight for the passage of aircraft in the airspace above the surface of the real property owned by Authority, including the Company Premises, together with the right to cause in said airspace such noise as may be inherent in the operation of aircraft, now known or hereafter used, for navigation of or flight in said airspace, and for the use of said airspace for landing on, taking off from or operating on the Airport.

The Company expressly agrees for itself, its successors and assigns, to restrict the height of structures, objects of natural growth and other obstructions on the Company Premises to such a height so as to comply with Federal Aviation Regulations, Part 77 and Authority zoning. The Company further expressly agrees for itself, its successors and assigns, to prevent any use of the Company Premises or common use areas that would interfere with or adversely affect the operation or maintenance of the Airport, or otherwise constitute an Airport hazard.

ARTICLE 30
GOVERNMENT INCLUSION

- 30.01 Subordination to Federal Agreements. This Agreement is subject and subordinate to all the terms and conditions of any instruments and documents under which Authority acquired the land or improvements thereon constituting the Airport. This Agreement shall be subject and subordinate to the provisions of any existing or future agreements between Authority and the United States of America, or any of its agencies, relative to the operation and maintenance of the Airport, the terms and execution of which have been, or may be, required as a condition precedent to the expenditure or reimbursement to Authority of federal funds for the development of the Airport, and to any terms or conditions imposed upon the Airport by any other governmental entity ("**Grant Assurances**"). In the event that this Agreement, either on its own terms or by any other reason, conflicts with or violates any such Grant Assurances, Authority has the right to amend, alter, or otherwise modify the terms of this Agreement in order to resolve such conflict or violation.
- 30.02 Federal Government's Emergency Clause. All provisions of this Agreement shall be subordinate to the rights of the United States of America to operate the Airport or any part thereof during time of war or national emergency. Such rights shall supersede any provisions of this Agreement inconsistent with the operations of the Airport by the United States of America.
- 30.03 Security. The Company and its Company Parties must comply with (i) the provisions of Authority's TSA-approved airport security plan for the Airport as from time to time existing, and (ii) applicable regulations of the TSA, as from time to time existing and (iii) security measures required of

Company or Authority by the FAA or TSA. If Company or any of its Company Parties shall fail or refuse to comply with said measures and such non-compliance results in a monetary penalty or other damages being assessed against Authority, then, in addition to any other terms of this Agreement, Company shall be responsible and shall reimburse Authority in the full amount of any such monetary penalty or other damages, plus an Administrative Charge. This amount must be paid by Company within ten (10) days of written notice.

ARTICLE 31

SIGNS

- 31.01 Written Approval. Except with the prior written approval of Authority, which shall not be unreasonably withheld, conditioned, or delayed, Company will not erect, maintain, or display any signs or any advertising at or on the Company Premises or common use areas.
- 31.02 Removal. Upon the expiration or termination of this Agreement, Company will remove, obliterate or paint out, as Authority may direct, any and all signs and advertising on the Company Premises and common use areas and, in connection therewith, will restore the portion of the Company Premises and common use areas affected by such signs or advertising to substantially the same conditions as existed at the commencement of the Term. In the event of failure on the part of Company to remove, obliterate, or paint out each and every sign or advertising and restore the Company Premises and common use areas, Authority may perform the necessary work, at the expense of Company, plus an Administrative Charge.

ARTICLE 32

ASSIGNMENT AND SUBLEASING

The Company will not assign or sublease this Agreement without the prior written consent of Authority. Such consent may be withheld at the sole discretion of Authority. Any purported assignment or sublease of this Agreement without the prior written consent of Authority shall be void *ab initio* and of no effect. If a sublease is approved, Company will be solely responsible for ensuring that its sublessee performs pursuant to and in compliance with the terms of this Agreement.

In no event will any approved assignment or sublease diminish Authority's rights to enforce any and all provisions of this Agreement.

Before any assignment or sublease becomes effective, the assignee or sublessee will assume and agree by written instruments in form and substance satisfactory to Authority to be bound by the terms and conditions of this Agreement during the remainder of the Term.

ARTICLE 33
COMPANY TENANCY

The undersigned representative of Company hereby warrants and certifies to Authority that Company is an organization in good standing in its state of registration, that it is authorized to do business in the State, and that the undersigned officer is authorized and empowered to bind Company to the terms of this Agreement by his or her signature thereto.

ARTICLE 34
CONDEMNATION

If the whole or any part of the Company Premises is acquired by a condemning authority, either by sale in lieu of condemnation or by the exercise of the power of eminent domain, then in and as a direct result of that event, this Agreement will terminate from the date of sale or title vesting, and Company will have no claim whatsoever, including claims of apportionment, against Authority either for the value of any unexpired Term of this Agreement or for the value of leasehold improvements. However, nothing in this provision will limit or destroy any right of Company to separately claim moving costs or business loss solely against the condemning authority where statutes or other applicable law apply.

ARTICLE 35
SURRENDER OF COMPANY PREMISES

The Company will surrender up and deliver the Company Premises to Authority upon the conclusion of the Term or earlier termination of this Agreement in the same condition as existed at the commencement of the Term, ordinary wear and tear excepted. Provided Company is not in default of this Agreement, Company will immediately remove all of its personal property from the Company Premises and common use areas at the conclusion of the Term. Failure on the part of Company to remove its personal property within ten (10) days after the date of termination will constitute a gratuitous transfer of title thereof to Authority for whatever disposition is deemed to be in the best interest of Authority. Any costs incurred by Authority in the disposition of such personal property will be borne by Company. If Company is in default of payment of any Rents, Authority will have a lien for such Rents upon any property found upon the Company Premises or common use areas in accordance with Florida Statutes and, in such event, Company will not remove any property from the Company Premises or common use areas without written approval of Authority.

ARTICLE 36
PERSONAL PROPERTY

Any personal property of Company or others placed in the Company Premises or common use areas will be at the sole risk of Company, and Authority will not be liable for any loss or damage thereto, irrespective of the cause of such loss or damage, and Company hereby waives all rights of subrogation against or

recovery from Authority for such loss or damage unless such damage or loss is the result of negligence or activity on the Company Premises or common use areas by Authority.

ARTICLE 37
APPLICABLE LAW AND VENUE

This Agreement will be construed in accordance with the laws of the State. Venue for any action brought pursuant to this Agreement will be in Hillsborough County, Florida, or in the Tampa Division of the U.S. District Court for the Middle District of Florida.

The Company hereby waives any claim against Authority and the Indemnified Parties for loss of anticipated profits caused by any suit or proceedings directly or indirectly attacking the validity of this Agreement or any part hereof, or by any judgment or award in any suit or proceeding declaring this Agreement null, void, or voidable, or delaying the same, or any part hereof, from being carried out.

ARTICLE 38
AUTHORITY APPROVALS

Except as otherwise indicated elsewhere in this Agreement, wherever in this Agreement approvals are required to be given or received by Authority, it is understood that the CEO, or a designee of the CEO, is hereby empowered to act on behalf of Authority.

ARTICLE 39
INVALIDITY OF CLAUSES

The invalidity of any part, portion, article, paragraph, provision, or clause of this Agreement will not have the effect of invalidating any other part, portion, article, paragraph, provision, or clause thereof, and the remainder of this Agreement will be valid and enforced to the fullest extent permitted by law.

ARTICLE 40

The headings contained herein, including the Table of Contents, are for convenience in reference and are not intended to define or limit the scope of any provisions of this Agreement. If for any reason there is a conflict between content and headings, the content will control.

SUBORDINATION TO TRUST AGREEMENT

- A. This Agreement and all rights of Company hereunder are expressly subordinate and subject to the lien and provisions of any pledge, transfer, hypothecation, or assignment made at any time by Authority to secure financing. This Agreement is subject and subordinate to the terms, covenants, and conditions of the Trust Agreement and Other Financing Documents made by Authority authorizing the issuance of Bonds, Subordinated Indebtedness or Other Indebtedness by Authority. Conflicts between this Agreement and the documents mentioned above will be resolved in favor of such documents.
- B. The Authority shall notify Company in advance of any proposed amendments or supplements to the Trust Agreement and Other Financing Documents that would alter the terms and provisions of this Agreement.

- C. With respect to Bonds, Subordinated Indebtedness and Other Indebtedness that may be issued in the future, the interest on which is intended to be excludable from gross income of the holders of such Bonds, Subordinated Indebtedness and Other Indebtedness for Federal income tax purposes under the Internal Revenue Code of 1986, as amended (the “Code”) (collectively, “**Tax-Exempt Indebtedness**”), Company may not act, or fail to act (and will immediately cease and desist from any action, or failure to act), with respect to the use of the Company Premises, if the act or failure to act may cause, in the sole judgment of Authority, Authority to be in noncompliance with the provisions of the Code, nor may Company take, or persist in, any action or omission which may cause the interest on the Tax-Exempt Indebtedness either (i) not to be excludable from the gross income of the holders thereof for Federal income tax purposes; or (ii) to the extent such obligations were issued as exempt from the alternative minimum tax (the “**AMT**”), to become subject to the AMT for Federal income tax purposes, and Company may not elect to take depreciation on any portion of the Company Premises financed with the proceeds of such Tax-Exempt Indebtedness.

ARTICLE 43

FEDERAL RIGHT TO RECLAIM

In the event a United States governmental agency demands and takes over the entire facilities of the Airport or the portion thereof wherein the Company Premises are located, for war or national emergency, for a period in excess of ninety (90) consecutive days, then this Agreement will terminate and Authority will be released and fully discharged from any and all liability hereunder. In the event of this termination, Company's obligation to pay Rents will cease; however, nothing herein will be construed as relieving either party from any of its liabilities relating to events or claims of any kind whatsoever prior to this termination.

RADON GAS OTHER PROPERTY CONDITION NOTIFICATIONS

- 44.01 RADON GAS: In accordance with requirements of the State, the following notification statement will be included in all agreements relating to rental of real property. This is provided for information purposes only.

Radon is a naturally occurring radioactive gas that, when it has accumulated in a building in sufficient quantities, may present health risks to persons who are exposed to it over time. Levels of radon that exceed federal and state guidelines have been found in buildings in Florida. Additional information regarding radon and radon testing may be obtained from your county health department.

44.02 OTHER PROPERTY CONDITIONS: Areas of Authority property are impacted by the past release of pollutants that are regulated by FDEP. This is the result of historical airport operations, commercial and industrial activities that occurred prior to property acquisition, or naturally-occurring conditions. FDEP manages the State's site restoration program. FDEP requires site restoration to be commensurate with land use, public health and the environment. These provisions allow low levels of contaminants to remain in place and run with the land subject to the implementation of required controls including but not limited to property use restrictions, activity and use limitations, institutional controls, or engineering controls. At the Airport, Authority worked with FDEP to develop Soil and Groundwater Use Regulations that memorialize these controls. The Soil Use Regulation provides a process for Authority to review and approve in advance all plans for soil excavation or disturbance. The Groundwater Use Regulation restricts drilling for water and requires that buildings used for human occupancy be piped to the public water system. Although the Soil and Groundwater Use Regulations apply to the Airport, the same protections and standards are generally applied at all Authority property including the general aviation airports.

As restoration projects are completed on Authority property, documents and maps are submitted to FDEP. FDEP maintains this information in an information repository that provides a self-service portal called Map Direct that allows map viewing and document download. Areas of Authority property that are undergoing a site restoration project, or have achieved a closed status, can be viewed in Map Direct. The Soil and Groundwater Use Regulations, and links to State radon protection maps and other property condition maps are posted on Authority website at www.TampaAirport.com > Learn about TPA > Airport Business > Other Business Links – Radon Gas and Other Property Conditions.

ARTICLE 45
