SCOPE OF WORK

2.01 Company agrees to provide the Services as set forth in Exhibit A, Scope of Work. Services will be undertaken only at the direction of the Authority’s General Counsel, Executive Vice President of Finance and Procurement, and/or Vice President of Finance.

2.02 Authority’s Contact Persons
The Authority’s Executive Vice President of Finance and Procurement will be responsible for notifying Company regarding required Services and will be the Company’s primary contact for all Services under this Contract.

2.03 Company’s Principal Counsel
Company has designated Rick Stephens as the Principal Counsel to be assigned to the Authority’s account who will be responsible for managing the Services outlined in Exhibit A, Scope of Work, and filing all required reports with Authority.

Company must not remove such Principal Counsel from providing the Services contemplated by this Contract; provided, however, that the removal of such Principal Counsel due to their incapacity, voluntary termination or termination due to just cause will not constitute a violation of this Article. The Authority will require that, at a minimum, any proposed replacement have equal or greater qualifications and experience as the Principal Counsel being replaced. Company will not make any personnel changes of Principal Counsel until written notice is made to and approved by the Authority’s Executive Vice President of Finance and Procurement.

2.04 Work Order
Prior to the onset of any Services to be provided, Company and Authority will outline each task involved, establish a schedule for completing each task and detail the associated costs in a Work Order as shown in Exhibit C, Sample Work Order. The Work Order schedule may go beyond the termination date of this Contract if necessary to complete the Work Order tasks. Company will only begin work upon execution of the Work Order by Company and Authority. Company will use its best efforts to ensure that each task in the Work Order is completed on budget and on time according to the agreed upon work schedule.

If Authority and Company cannot agree on the details of the Work Order, Authority will be entitled to select another company to provide the Services. If Company cannot complete an executed Work Order within the agreed upon schedule and/or costs, Authority may terminate the Work Order and Authority will be entitled to select another company to provide the Services.
In appropriate circumstances, work may be delegated to an approved partner/shareholder, associate attorney, law clerk, or paralegal associated with Company to achieve the Services. Duplication of effort is not billable, and Company will avoid having more than one person involved in a task that can be professionally handled by one person (such as review of documents, performing legal research, or attendance at meetings, status conferences, depositions, or hearings). The Authority will not pay for the time of summer associates, interns or other attorneys-in-training whose presence is primarily for the purpose of instruction.

Company shall make every effort to maintain continuity of personnel for Authority work, and Authority General Counsel must approve, in advance, any changes or additions to staffing affecting Authority work.

In order that the Authority may conduct a review of the file whenever it chooses to do so, retention of all materials relating to the representation is required, including but not limited to, daily time slips, pre-bills and receipts where attorney time is the basis of the Company’s charges. The file will be made available to the Authority promptly upon request.

At the completion of an assignment or upon termination or expiration of this Contract, Company will surrender to the Authority such memoranda, notes, records, drawings, manuals and other documents or materials and public records generated by the Company in connection with the provision of Services provided hereunder by Company for the Authority as the Authority may request, and Company will otherwise comply with all public records laws, including Florida Statute Section 119.0701.

ARTICLE 3

Company may change its selected electronic payment method during the Term of this Contract in coordination with Accounts Payable.

Any exception to this prompt payment provision will only be for good cause with prior written approval of Authority. E. Company’s violation of Florida Statute Section 287.133, concerning criminal activity on contracts with public entities.

8.02 Authority Remedies
In the event of any of the foregoing events of default enumerated in this Article, and following ten (10) days notice by Authority and Company's failure to cure, Authority, at its election, may exercise any one or more of the following options or remedies, the exercise of any of which will not be deemed to preclude the exercise of any other remedy herein listed or otherwise provided by statute or general law:
