What is the Buyer-Supplier Connect?

The Buyer-Supplier Connect is an event that allows suppliers, consultants, contractors, and other company representatives the opportunity to network with each other and to meet with Tampa International Airport decision makers.

Benefits of attending the Buyer-Supplier Connect

- Meet with Airport decision makers in a relaxed atmosphere
- Gain information from educational workshops related to doing business at the Airport
- Hear about upcoming Airport projects and learn how we procure goods and services
- Network with Airport staff and other suppliers, consultants, and contractors

For parking details, please refer to the Airport's website for parking options: www.TampaAirport.com/parking

Register as a Supplier with the Airport

The first step in doing business with the Airport is to register as a supplier by completing the online Supplier Registration form: www.TampaAirport.com/supplier-registration-request.
